

Political Philosophy and the God of Abraham

THOMAS L. PANGLE

Political Philosophy And The God Of Abraham

Kody W. Cooper, Justin Buckley Dyer

Political Philosophy And The God Of Abraham:

Political Philosophy and the God of Abraham Thomas L. Pangle, 2007-07-25 In this book noted scholar Thomas L. Pangle brings back a lost and crucial dimension of political theory the mutually illuminating encounter between skeptically rationalist political philosophy and faith based political theology guided ultimately by the authority of the Bible Focusing on the chapters of Genesis in which the foundation of the Bible is laid Pangle provides an interpretive reading illuminated by the questions and concerns of the Socratic tradition and its medieval heirs in the Christian Jewish and Islamic worlds He brings into contrast the rival interpretive framework set by the biblical criticism of the modern rationalists Hobbes and Spinoza along with their heirs from Locke to Hegel The full meaning of these diverse philosophic responses to the Bible is clarified through a dialogue with hermeneutic discussions by leading political theologians in the Judaic Muslim and Christian traditions from Josephus and Augustine to our day Profound and subtle in its argument this book will be of interest not only to students and scholars of politics philosophy and religion but also to thoughtful readers in every walk of life who seek to deepen their understanding of the perplexing relationship between religious faith and philosophic reason James V Schall

The Key Texts of Political Philosophy Thomas L. Pangle, Timothy W. Burns, 2015 This book introduces readers to analytical interpretation of seminal writings and thinkers in the history of political thought including Socrates Plato Aristotle the Bible Thomas Aquinas Machiavelli Bacon Hobbes Locke Montesquieu Rousseau Tocqueville Marx and Nietzsche Chronologically arranged each chapter in the book is devoted to the work of a single thinker The selected texts together engage with 2000 years of debate on fundamental questions which include What is the purpose of political life What is the good life for us as individuals and for us as a political community What is justice What is a right Do human beings have rights What kinds of human virtues are there and which regimes best promote them The difficulty of accessing the texts included in this volume is the result not only of their subtlety but also of the dramatic change in everyday life The authors shed light on the texts vocabulary and complexities of thought and help students understand and weigh the various interpretations of each philosopher's thought Accessible interpretive essays on the greatest texts in the history of political thought from Plato to Nietzsche Includes key passage plus a succinct discussion that glosses the text examines later day interpretations and guides students in forming their own interpretations Allows students to learn from rather than only about each thinker and to apply their thought to the present day

The Political Philosophy of Benjamin Franklin Lorraine Smith Pangle, 2007-09-28

Franklin's political writings are full of fascinating reflections on human nature on the character of good leadership and on why government is such a messy and problematic business Drawing together threads in Franklin's writings Lorraine Smith Pangle illuminates his thoughts on citizenship federalism constitutional government the role of civil associations and religious freedom

Hobbes's Political Philosophy Aloysius Martinich, 2021 Hobbes's Political Philosophy Interpretation and Interpretations aims to clarify Hobbes's positions by examining what Hobbes considered a science of politics a set of timeless

truths grounded in definitions A P Martinich explains this science of politics examining Hobbes s views on the laws of nature authorization and representation sovereignty by acquisition and others He argues that in addition to the timeless science Hobbes had two timebound projects The first was to eliminate the apparent conflict between the new science of Copernicus and Galileo and the second was to show that Christianity is not politically destabilizing *Political Philosophy* Richard G. Stevens,2010-10-18 This book by Richard G Stevens is a comprehensive introduction to the nature of political philosophy It offers definitions of philosophy and politics showing the tension between the two and the origin of political philosophy as a means of resolution of that tension Plato and Aristotle are examined in order to see the search for the best political order Inquiry is then made into political philosophy s new tension brought about by the growth of revealed religion in the Middle Ages It then examines the changes introduced by modernity and gives an overview of postmodern political thought The book covers the most influential philosophers and directs readers to the classics of political philosophy guiding them in studying them It is an approachable introduction to a complex subject not just a history of it It is a point of entry into the subject for students and for others as well *The Hebrew Bible and Philosophy of Religion* Jaco Gericke,2012-11-01 This study pioneers the use of philosophy of religion in the study of the Hebrew Bible After identifying the need for a legitimate philosophical approach to Israelite religion the volume traces the history of interdisciplinary relations and shows how descriptive varieties of philosophy of religion can aid the clarification of the Hebrew Bible s own metaphysical epistemological and moral assumptions Two new interpretative methodologies are developed and subsequently applied through an introduction to what the biblical texts took for granted about the nature of religious language the concept of deity the properties of Yhwh the existence of gods religious epistemology and the relation between religion and morality **Handbook of Political Theory** Gerald F Gaus,Chandran Kukathas,2004-07-15 This volume combines remarkable coverage and distinguished contributors The inclusion of thematic conceptual and historical chapters will make it a valuable resource for scholars as well as students Professor George Klosko Department of Politics University of Virginia This major new Handbook provides a definitive state of the art review to political theory past and present It offers a complete guide to all the main areas and fields of political and philosophical inquiry today by the world s leading theorists The Handbook is divided into five parts which together serve to illustrate the diversity of political theorizing the substantive theories that provide an overarching analysis of the nature or justification of the state and political life the political theories that have been either formulated or resurgent in recent years the current state of the central debates within contemporary political theory the history of western political thought and its interpretations traditions in political thought outside a western perspective The Handbook of Political Theory marks a benchmark publication at the cutting edge of its field It is essential reading for all students and academics of political theory and political philosophy around the world *Political Philosophy Cross-Examined* T. Pangle,J. Lomax,2013-04-10 Political societies frequently regard philosophers as potential threats to morality and religion and those who speak for politics often

demand a defense of philosophy This book will address philosophy as a mode of existence put into question **History of Political Philosophy** Leo Strauss, Joseph Cropsey, 2012-06-15 Designed for undergraduate students a historical survey of the most important political philosophers in the Western tradition This volume provides an unequalled introduction to the thought of chief contributors to the Western tradition of political philosophy from classical Greek antiquity to the twentieth century Written by specialists on the various philosophers this third edition has been expanded significantly to include both new and revised essays Studies in Platonic Political Philosophy Leo Strauss, 2024-05-31 The award winning philosopher explores the conflict between philosophy and political society through a series of essays One of the outstanding thinkers of our time offers in this book his final words to posterity Studies in Platonic Political Philosophy was well underway at the time of Leo Strauss s death in 1973 Having chosen the title for the book he selected the most important writings of his later years and arranged them to clarify the issues in political philosophy that occupied his attention throughout his life As his choice of title indicates the heart of Strauss s work is Platonism a Platonism that is altogether unorthodox and highly controversial These essays consider among others Heidegger Husserl Nietzsche Marx Moses Maimonides Machiavelli and of course Plato himself to test the Platonic understanding of the conflict between philosophy and political society Strauss argues that an awesome spiritual impoverishment has engulfed modernity because of our dimming awareness of that conflict Thomas Pangle s Introduction places the work within the context of the entire Straussian corpus and focuses especially on Strauss s late Socratic writings as a key to his mature thought For those already familiar with Strauss Pangle s essay will provoke thought and debate for beginning readers of Strauss it provides a fine introduction A complete bibliography of Strauss s writings is included **The Classical and Christian Origins of American Politics** Kody W. Cooper, Justin Buckley Dyer, 2022-12-15 Shows how the American founding was deeply influenced by the classical Christian natural law tradition **The Wiley Blackwell Companion to Religion and Politics in the U.S.** Barbara A. McGraw, 2016-05-31 The Wiley Blackwell Companion to Religion and Politics in the U S provides a broad inclusive and rich range of chapters in the study of religion and politics Arranged in their historical context chapters address themes of history law social and religious movements policy and political theory Broadens the parameters of this timely subject and includes the latest work in the field Draws together newly commissioned essays by distinguished authors that are cogent for scholars while also being in a style that is accessible to students Provides a balanced and inclusive approach to religion and politics in the U S Engages diverse perspectives from various discourses about religion and politics across the political and disciplinary spectra while placing them in their larger historical context Classical Rationalism and the Politics of Europe Ann Ward, 2018-01-23 Dramatic changes have occurred in Europe in the past quarter century The fall of communism and the expansion of liberal democracy together with the desire to project a new Europa that is united peaceful and prosperous into the future illustrate that political philosophy is what grounds European political discourse and identity Thus an understanding of Europe s political past and potential future

directs us to the question What is political philosophy An exploration of the question of political philosophy points us back to Socrates widely regarded as the first political philosopher or the first philosopher to make human beings central to philosophic inquiry Scholars such as Thomas Pangle suggest that a revival of the study of Socratic political philosophy will revive serious consideration of the questions of justice or how one ought to live and demonstrate that classical rationalism is the essential dialectical partner and interrogator of the political theology of Scripture scripture s Classical rationalism in this context is understood as a necessary alternative to modern liberalism inadequate to the task of taking questions of justice seriously as it insists on regarding all religious claims and understandings of virtue as private preferences rather than definitive of the public sphere and contemporary postmodernism which has abandoned rationalism altogether by rejecting any truth claims not understood as relative This volume explores Socratic rationalism the major alternatives to it in the history of political philosophy the potential impact of returning to it in contemporary times and related themes It takes a multifaceted approach with contributions from scholars in the fields of philosophy and political science

Pope Benedict XVI and the Politics of Modernity MarcD. Guerra,2017-07-05 In Benedict XVI and the Politics of Modernity distinguished scholars from North America and Europe examine Pope Benedict XVI s searching reflections on the challenges and prospects facing modern Western society For more than five decades Joseph Ratzinger Pope Benedict XVI has made the subject of the continued health and vitality of Western civilization a focal point of his reflections From his early 1968 Introduction to Christianity to his later 2005 Values in a Time of Upheaval the Pope has argued that the preservation of the social political scientific and spiritual way of life that characterizes modern Western societies hinges upon our rediscovery of the unique roots and distinctive nature of Western civilization Focusing on Pope Benedict XVI s nuanced account as to why the modern West cannot currently afford to forget or neglect its premodern Hellenic and Christian roots this book will interest religious and nonreligious people who are concerned about the future of democracy and religion in contemporary Western societies This book was based on a special issue of Perspectives on Political Science

Leo Strauss on Maimonides Leo Strauss,2013-04-23 Leo Strauss is widely recognized as one of the foremost interpreters of Maimonides His studies of the medieval Jewish philosopher led to his rediscovery of esotericism and deepened his sense that the tension between reason and revelation was central to modern political thought His writings throughout the twentieth century were chiefly responsible for restoring Maimonides as a philosophical thinker of the first rank Yet to appreciate the extent of Strauss s contribution to the scholarship on Maimonides one has traditionally had to seek out essays he published separately spanning almost fifty years With Leo Strauss on Maimonides Kenneth Hart Green presents for the first time a comprehensive annotated collection of Strauss s writings on Maimonides comprising sixteen essays three of which appear in English for the first time Green has also provided careful translations of materials that had originally been quoted in Hebrew Arabic Latin German and French written an informative introduction highlighting the original contributions found in each essay and

brought references to out of print editions fully up to date The result will become the standard edition of Strauss's writings on Maimonides *C. S. Lewis on Politics and the Natural Law* Justin Buckley Dyer, Micah J. Watson, 2016-08-08

Conventional wisdom holds that C S Lewis was uninterested in politics and public affairs The conventional wisdom is wrong As Justin Buckley Dyer and Micah J Watson show in this groundbreaking work Lewis was deeply interested in the fundamental truths and falsehoods about human nature and how these conceptions manifest themselves in the contested and turbulent public square Ranging from the depths of Lewis philosophical treatments of epistemology and moral pedagogy to practical considerations of morals legislation and responsible citizenship this book explores the contours of Lewis multi faceted Christian engagement with political philosophy generally and the natural law tradition in particular Drawing from the full range of Lewis corpus and situating his thought in relationship to both ancient and modern seminal thinkers *C S Lewis on Politics and the Natural Law* offers an unprecedented look at politics and political thought from the perspective of one of the twentieth century's most influential writers *The Responsibility of Reason* Ralph Hancock, 2011-01-16 Can we run our lives and govern our societies by reason The question provoked Socrates to redirect philosophic inquiry in a political direction and it has remained fundamental to Western thought Martin Heidegger explored this problem in his profound critique of the Western metaphysical tradition and Leo Strauss responded to Heidegger with an attempt to recover the classical idea of the rule of reason In *The Responsibility of Reason* Ralph C Hancock undertakes no less than to answer the Heideggerian challenge Offering trenchant and original interpretations of Aristotle Heidegger Strauss and Alexis de Tocqueville he argues that Tocqueville saw the essential more clearly than apparently deeper philosophers Hancock addresses political theorists on the question of the grounding of liberalism and at the same time philosophers on the most basic questions of the meaning and limits of reason Moreover he shows how these questions are for us inseparable *Political Themes in the Hebrew Scriptures* J. Gleicher, 2010-03-15 This volume collects explorations of various selections from the Hebrew scriptures focusing on these texts sacred teachings and their implications for issues of law justice and rulership Representative examples include the Book of Genesis the Moses narrative and the Decalogue and other laws **Past and Present Political Theology** Dennis Vanden Auweele, Miklos Vassányi, 2020-04-02 This book demonstrates how discussions of Political Theology have been a constant feature throughout philosophical modernity and that they continue to impact contemporary political debates By tracing the historical roots and detailing the contemporary outworking of Political Theology in Europe it contends that this growing field requires a broader canon in order for it to mature Political Theology is shown here to be about the diversity of relationships between religious beliefs and political orientations First engaging with historical debates chapters re examine the relationship between personal conviction and societal orientation on such topics as the will to believe evil individualism the relationship between church and state and the relationship between belief and natural science The volume then establishes the relevance of these debates for the present day As such it invites engagement on the back and forth between

religion and politics in a liberal democracy and a communist state on how communitarianism relates to religious language on the diversity of Christian and Jewish political theology and the politics of toleration By broadening out the field of Political Theology this book offers the reader a more nuanced understanding of its sustained influence on public life As such it will be of interest to academics working in Political Theology but also Theology Philosophy and Political Science more generally

Evidences of Christianity ; Moral and political philosophy William Paley, 1828

Political Philosophy And The God Of Abraham Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Political Philosophy And The God Of Abraham PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Political Philosophy And The God Of Abraham PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while

supporting the authors and publishers who make these resources available. In conclusion, the availability of Political Philosophy And The God Of Abraham free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Political Philosophy And The God Of Abraham Books

1. Where can I buy Political Philosophy And The God Of Abraham books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
