Political Philosophy Of The British Idealists:

The Moral, Social and Political Philosophy of the British Idealists William Sweet, 2017-03-17 The British idealists of the late 19th and early 20th century are best known for their contributions to metaphysics logic and political philosophy Yet they also made important contributions to social and public policy social and moral philosophy and moral education as shown by this volume Their views are not only important in their own right but also bear on contemporary discussion in public policy and applied ethics Among the authors discussed are Green Caird Ritchie Bradley Bosanquet Jones McTaggart Pringle Pattison Webb Ward Mackenzie Hetherington Muirhead Collingwood and Oakeshott The writings of idealist philosophers from Canada South Africa and India are also examined Contributors include Avital Simhony Darin Nesbitt Carol A Keene Stamatoula Panagakou David Boucher Leslie Armour Jan Olof Bengtsson Thom Brooks James Connelly Philip MacEwen Efraim Podoksik Elizabeth Trott and William Sweet The Political Philosophy of the British Idealists Peter P.

Nicholson, 1990-01-26 This book offers a reassessment of the political philosophy of the British Idealists a group of once influential and now neglected nineteenth century Hegelian philosophers whose work has been much misunderstood Peter Nicholson focuses on F H Bradley's idea of morality and moral philosophy T H Green's theory of the Common Good of the social nature of rights of freedom and of state interference and Bernard Bosanquet's notorious theory of the General Will By examining the arguments offered by the Idealists and by their critics the author is able to penetrate the deep layers of hostile comment laid down by several generations of later writers and to show that these ideas once properly understood are not only defensible but interesting and important **British Idealism and the Concept of the Self** W. J. Mander, Stamatoula

Panagakou, 2016-09-26 This book reassesses the origins development and legacy of the philosophy of the British idealists demonstrating the enduring relevance of their thought for the modern discipline This body of work coheres around the single unifying theme of the self a concept of central importance to the idealist school Particular attention is also paid to the many connections that hold between various philosophers and branches of philosophy as well as creating a set of continuously running dialogues between contributing authors Readers will discover a comprehensive stimulating and sharply focused panorama of British idealist thought which will be useful to philosophers historians of ideas political and social theorists psychologists and policy makers who wish to gain a deeper understanding of the citizen as a self **British Idealism** Colin

Tyler, James Connelly, 2020-04-30 Bertrand Russell G E Moore and other analytic philosophers of the early 20th century claimed to depart from the British idealists who dominated philosophical debate from the 1870s onwards The nature and extent of this departure is now widely questioned as philosophers return to the writings of Bernard Bosanquet F H Bradley R G Collingwood T H Green J M E McTaggart and others Nowadays the British idealist movement is mostly remembered for its seminal contributions to metaphysics ethics and political philosophy The contributors to this volume explore some of the movement's other equally insightful contributions to the philosophies of language aesthetics and emotions These chapters

cover core philosophical issues including the relationship between the speech communities and the general will the role of emotions in the Absolute key differences between leading British idealists on the relationships between emotions and relations the nature of love the historical re enactment of imagination and creativity expressivism in art and the actual idealism of the British idealists Italian counterparts This book was originally published as a special issue of the British Journal of the History of Philosophy

British Idealism: A Guide for the Perplexed David Boucher, Andrew Vincent, 2012-02-02 A concise introduction to the ideas and writings of the British Idealists

Idealist Political Philosophy Colin Tyler, 2008-11-01 Showing the inseparability of the British idealists social and political radicalism from the inherent logic of idealism this book makes extensive use of previously unpublished British idealist manuscripts

British Idealism: A History W. J. Mander, 2011-05-12 W J Mander presents the first ever synoptic history of British Idealism the philosophical school which dominated English language philosophy from the 1860s through to the early years of the following century Offering detailed examination of the origins growth development and decline of this mode of thinking British Idealism A History restores to its proper place this now almost wholly forgotten period of philosophical history Through clear explanation of its characteristic concepts and doctrines and paying close attention to the published works of its philosophers the volume provides a full length history of this vital school for those wishing to fill a gap in their knowledge of the history of British Philosophy while its detailed notes and bibliography will guide the more dedicated scholar who wishes to examine further their distinctive brand of philosophy By covering all major philosophers involved in the movement not merely the most famous ones like Bradley Green McTaggart and Bosanquet but the lesser known figures like the Caird brothers Henry Jones A S Pringle Pattison and R B Haldane and by looking at all branches of philosophy not just the familiar topics of ethics political thought and metaphysics but also the less well documented work on logic religion aesthetics and the history of philosophy British Idealism A History brings out the movement s complex living pattern of unity and difference something which other more superficial accounts have tended to obscure

Anglo-American Idealism James Connelly, Stamatoula Panagakou, 2010 This volume is devoted to a critical discussion and re appraisal of the work of Anglo American Idealists of the nineteenth and twentieth centuries Idealism was the dominant philosophy in Britain and the entire English speaking world during the last decades of the nineteenth century and the beginning of the twentieth The British Idealists made important contributions to logic metaphysics aesthetics ethics social and political philosophy philosophy of history philosophy of religion and philosophy of mind Their legacy awaits further exploration and reassessment and this book is a contribution to this task The essays in this collection display many aspects of contemporary concern with idealistic philosophy they range from treatments of logic to consideration of the Absolute personal idealism the philosophy of religion philosophy of art philosophy of action and moral and political philosophy During the first decade of the twenty first century the work of the Anglo American Idealists has once again been widely discussed and re considered and new pathways of research and

investigation have been opened British Idealism and International Thought Nazli Pinar Kaymaz, 2020-07-09 This book gives a comprehensive account of the British Idealist approach to international relations from the 1880s to 1930s In an attempt to historically contextualise the shifts in several British Idealists approaches to the nature of international relations and human rights it focuses on their reflections on the Second Boer War the Great War and the League of Nations The ensuing discussion offers valuable insights into British Idealists evolving approaches to the topics of imperialism cosmopolitanism internationalism multiculturalism and human rights While the pioneering Idealists like T H Green and Bernard Bosanquet are acknowledged as those who set the tone of discussion on these central issues works by minor British Idealists such as J S Mackenzie J H Muirhead Henry Jones R B Haldane and H J W Hetherington reveal British Idealism s capacity for adaptation to novel ideational positions under adverse international conditions *The Moral, Social and Political Philosophy of the British Idealists* William Sweet, 2017-03-17 The British idealists of the late 19th and early 20th century are best known for their contributions to metaphysics logic and political philosophy Yet they also made important contributions to social and public policy social and moral philosophy and moral education as shown by this volume Their views are not only important in their own right but also bear on contemporary discussion in public policy and applied ethics Among the authors discussed are Green Caird Ritchie Bradley Bosanquet Jones McTaggart Pringle Pattison Webb Ward Mackenzie Hetherington Muirhead Collingwood and Oakeshott The writings of idealist philosophers from Canada South Africa and India are also examined Contributors include Avital Simhony Darin Nesbitt Carol A Keene Stamatoula Panagakou David Boucher Leslie Armour Jan Olof Bengtsson Thom Brooks James Connelly Philip MacEwen Efraim Podoksik Elizabeth Trott and William Sweet **The British Idealists** David Boucher, 1997-07-31 The British idealists made significant and lasting contributions to the social and political thought of the nineteenth century They contributed to the evolution debate in insisting that the social organism could not be understood in naturalistic terms but instead had to be conceived as an evolving spiritual unity In this respect the British idealists developed a distinctive view of the state constitutive of the individual and they are commonly acknowledged as the forerunners of modern communitarian theory Furthermore the idealists contributed to the major debates of their day including evolution democracy the role of the state education and international relations In his introduction David Boucher develops the themes illustrated in the writings of the British idealists This volume also contains biographies of the British idealists which incorporate their principal works

Unpublished Manuscripts in British Idealism - Volume 1 Colin Tyler, 2015-10-27 The British Idealist movement flourished between the 1860s and 1920s and exerted a very significant influence in the USA India and Canada most notably on John Dewey and Josiah Royce The movement also laid the groundwork for the thought of Oakeshott and Collingwood Its leading figures particularly Green and Caird have left a number of complete or near complete manuscripts in various British university archives many of which remain unpublished This important collection widens access to this unpublished material

by transcribing editing and then publishing the most significant pieces The project focuses on the moral political and religious writings the areas of most interest to scholars This annotated critical edition opens them up to the academic community Unpublished Manuscripts in British Idealism - Volume 2 Colin Tyler,2015-11-12 The British Idealist movement flourished between the 1860s and 1920s and exerted a very significant influence in the USA India and Canada most notably on John Dewey and Josiah Royce The movement also laid the groundwork for the thought of Oakeshott and *PHILOSOPHY POLITICS AND CITIZENSHIP*. A. Vincent, **Idealism, Metaphysics and Community** William Sweet,2017-07-12 This title was first published in 2001 Idealism Metaphysics and Community examines the place of idealism in contemporary philosophy and its relation to problems of metaphysics political thought and the study of the history of philosophy Following an extensive introduction by the editor and drawing on the work of the Canadian idealist Leslie Armour the book is divided into three main parts Part 1 focuses on F H Bradley Part 2 examines metaphysical issues and idealism such as the realism anti realism debate the relation of classical and idealist metaphysics rational psychology time and eternity and the divine Part 3 draws on idealism to address contemporary concerns in ethical theory political philosophy social philosophy and culture and the history of philosophy Presenting new insights into the work of classical and contemporary authors this book provides a better understanding of classical idealism and addresses important areas of contemporary philosophical social and political concern

Western Political Thought Robert Eccleshall,Michael Kenny,1995 This is a guide to the vast amount of literature on the history of political thought which has appeared in English since 1945 The editors provide an annotation of the content of many entries and where appropriate indicate their significance controversial nature and readability *Studies on the Reception of Plato and Greek Political Thought in Victorian Britain* Kyriakos Demetriou,2023-04-14 This collection of essays focuses on the reception of Plato and Greek political thought in the work of some major pre Victorian classical scholars and expands on a remarkable range of hotly debated issues on the interpretation of Greek antiquity The central figure in this volume is the radical philosopher utilitarian and Platonist George Grote whose works on the history of Greece and Plato moved away from traditional models of classical interpretation His works and their background are critically explored in light of his philosophical commitment and political radicalism Article IV brings to light a forgotten manuscript by Grote On the Character of Socrates produced in the 1820s Grote sought to counter the current literature on ancient Greece and its predominant motifs which is here examined in its own right along with an independent study on Bishop Connop Thirlwall s influential History of Greece The second half of this volume is devoted to analyzing important aspects of the revival of Platonic studies in the ideological and discursive context of early and middle Victorian times This collection of essays presents comprehensive and illuminating contextual analyses of nineteenth century works on classical reception providing simultaneously a rich bibliographic guide to further research **The Varieties of British Political Thought, 1500-1800** J. G. A. Pocock,Gordon J. Schochet,Lois Schwoerer,1993 A history of political debate and theory in England later Britain

between the English Reformation and French Revolution

The Oxford Handbook of British Philosophy in the Nineteenth Century W. J. Mander, 2014-02 This is the first book to provide comprehensive coverage of the full range of philosophical writing in Britain in the nineteenth century

A team of experts provide new accounts of both major and lesser known thinkers and explores the diverse approaches in the period to logic and metaphysics the passions morality criticism and politics

The Greenian Moment Denys Leighton, 2004 This study of T H Green views his philosophical opus through his public life and political commitments and it uses biography as a lens through which to examine Victorian political culture and its moral climate The book deals with the political and religious history of Victorian Britain in examining the basis of Green's Liberal partisanship It demonstrates how his main ethical and political conceptions his idea of self realisation and his theory of individuality within community were informed by evangelical theology popular Protestantism and an idea of the English national consciousness as formed by religious conflict While the significance of Kantian and Hegelian elements in Green's thought is acknowledged it is argued that indigenous qualities of Green's teachings resonated with values shared alike by elite and rank and file Liberals during the mid and late Victorian era In examining Green's beliefs about the historical evolution of English liberty his championing of Liberal Nonconformity and Nonconformist causes and his approval of religious bases of community this study analyzes the ripening of a Greenian moment and traces Green's influence on Liberal quasi socialist and Conservative social reform down to the 1920s The lasting impact of Green's teachings on British and Western political philosophy apparent in the current vogue for communitarianism in liberal theory indicates limitations of the secularization thesis still tacitly accepted by historians of Western political thought

Thank you for reading **Political Philosophy Of The British Idealists**. As you may know, people have look hundreds times for their chosen novels like this Political Philosophy Of The British Idealists, but end up in harmful downloads. Rather than enjoying a good book with a cup of tea in the afternoon, instead they juggled with some malicious bugs inside their computer.
