Politics Of Divination:

Politics of Divination Joshua Ramey, 2016-09-26 Since the 2008 financial crisis the neoliberal ideas that arguably caused the damage have been triumphant in presenting themselves as the only possible solution for it How can we account for the persistence of neoliberal hegemony in spite of its obviously disastrous effects upon labor capital ecology and society The argument pursued in this book is that part of the persistence of neoliberalism has to do with the archaic and obscure political theology upon which of much of its discourse trades This is a political theology of chance that both underwrites and obscures sacrificial devotion to market outcomes Joshua Ramey structures this political theology around hidden homologies between modern markets as non rational randomizing meta information processors and archaic divination tools which are used in public acts of tradition bound attempts to interpret the deliverances of chance Ramey argues that only by recognizing the persistently sacred character of chance within putatively secularized discourses of risk and randomness can the investments of neoliberal power be exposed at their sacred source and an alternative political theology be constructed

Politics of Divination Joshua Ramey, 2016-09-26 Since the 2008 financial crisis the neoliberal ideas that arguably caused the damage have been triumphant in presenting themselves as the only possible solution for it How can we account for the persistence of neoliberal hegemony in spite of its obviously disastrous effects upon labor capital ecology and society The argument pursued in this book is that part of the persistence of neoliberalism has to do with the archaic and obscure political theology upon which of much of its discourse trades This is a political theology of chance that both underwrites and obscures sacrificial devotion to market outcomes Joshua Ramey structures this political theology around hidden homologies between modern markets as non rational randomizing meta information processors and archaic divination tools which are used in public acts of tradition bound attempts to interpret the deliverances of chance Ramey argues that only by recognizing the persistently sacred character of chance within putatively secularized discourses of risk and randomness can the investments of neoliberal power be exposed at their sacred source and an alternative political theology be constructed

The Politics of Divination Eugene L. Mendonsa, 2000-09 The Politics of Divination first published in 1982 was a ground breaking work in the political economy of an African culture the Sisala of Northern Ghana The author shows how elders use divination as a political tool to control the behavior of women and young men Gerontocratic control through ritual means is an attempt by elders to dominate the economic activities of youthful men and the production and reproduction of women Yet the elders are not entirely successful in such attempts and their efforts at social control sometimes have less than altruistic motives as the many cases in the book show The author presents divination and ancestral sacrifice in a processual view Within the context of the divinatory process strategizing elders work and rework the rules of their society to deal with real life situations illness misfortune and death Like many other Africans the Sisala believe that such misfortunes are ultimately caused by ancestral anger which can be seen as a reflection of social tension and conflict among the living Divination points out deviants in the

family who are poised as the cause of such misfortunes and this conflict is rectified through ancestral propitiation via blood sacrifice on family shrines

Piety and Politics Dale Launderville, 2003 Ancient kings who did not honor the gods overlooked an indispensable means for ruling effectively in their communities In many traditional societies royal authority was regarded as a divine gift bestowed according to the quality of the relationship of the king both to God or the gods and to the people The tension and the harmony within these human and divine relationships demanded that the king repeatedly strive to integrate the community's piety with his political strategies This fascinating study explores the relationship between religion and royal authority in three of history's most influential civilizations Homeric Greece biblical Israel and Old Babylonian Mesopotamia Dale Launderville identifies similar contrasting and analogous ways that piety functioned in these distinct cultures to legitimate the rule of particular kings and promote community well being Key to this religiopolitical dynamic was the use of royal rhetoric which necessarily took the form of political theology By examining a host of ancient texts and drawing on the insights of philosophers poets historians anthropologists social theorists and theologians Launderville shows how kings increased their status the more they demonstrated through their speech and actions that they ruled on behalf of God or the gods Launderville's work also sheds light on a number of perennial questions about ancient political life How could the people call the king to account Did the people forfeit too much of their freedom and initiative by giving obedience to a king who symbolized their unity as a community How did the religious traditions serve as a check on the king's power and keep alive the voice of the people This study in comparative political theology elucidates these engaging concerns from multiple perspectives making *Piety and Politics* of interest to readers in fields ranging from biblical studies and theology to ancient history and political science

African Spirituality, Politics, and Knowledge Systems Toyin Falola, 2022-03-10

Focusing on the three leading religious traditions in Africa African Traditional Religion Islam and Christianity this book shows how belief in the supremacy of sacred words compels actions and influences practices in contemporary Africa Sacred words are taken to mean holy texts as in divination the Quran and the Bible Toyin Falola evaluates how religious leaders engage with sacred words both orally and in texts engendering practices that reveal the expression of religious beliefs the impact of those beliefs and the knowledge contained in them Attention is given to the key ideas in the words chosen by religious leaders and how they form a continuous knowledge system impacting the politics of managing society and people

Power, Politics, and Prophecy Roy Heller, 2006-09-01 *Power Politics and Prophecy* is an examination of the view of prophetic experience and prophetic institutions by the writers of Deuteronomy and the Deuteronomistic History Joshua 2 Kings The thesis of the book is that the Deuteronomistic writers consistently hold two different and competing views on prophecy in tension Prophecy is a valid and true means by which God communicates the divine will and intention to people Prophecy is a highly ambiguous and dangerous phenomenon and because of its essential subjective nature should be treated with a high degree of suspicion in all cases These views are meticulously intertwined in the narratives about the character of

Samuel and both are absolutely central for the meaning of the narrative and of its portrayal of the prophet. From beginning to end Samuel is clearly understood by the writers as fulfilling the promise of Deuteronomy 18 as the Mosaic prophet one who serves as the primary intermediary between the divine and human realms. Yet unlike the sympathetic readings offered by some commentators Samuel is obviously not an unambiguously positive character.

The Politics and Philosophy of Chinese Power R. James Ferguson, Rosita Dellios, 2016-12-12 This book provides a timely analysis of the politics, philosophy and history of Chinese power focusing on social, strategic and diplomatic trends that have shaped China for over three thousand years. Chinese elites have used the past to inform the present but have also mobilized new ideas to address the country's rapid transition to global power. China's intellectual world can draw on a surprisingly pluralist legacy. When Chinese thinkers assess power they bring to bear their classical legacy: the military classics, Chinese socialism and Western political thought. There are also a number of intriguing formulations that give shape to the exercise of Chinese power. Among these are comprehensive national strength, stability, preservation, soft power, asymmetric conflict and counter intervention strategies. This book looks at key periods in Chinese history when attitudes to power evolved and at their current expressions. These include China's expanded use of think tanks to chart the future, efforts at creating an eco-civilization to balance growth and an extended set of security and information capabilities. From observing the centrality of power in today's international affairs the book moves to the foundational concepts of Chinese governance: its belief in a strategic configuration of power as understood in military contexts as well as its growing diplomatic and maritime engagement abroad. This analysis culminates in new ideas of functional multipolarity. Power is also deployed internally. China's use of nationalism as a major tool for state building and cohesion, the ongoing role of socialism and the People's Liberation Army are all examined in this light. China's current strategic culture has shaped President Xi Jinping's search for a new model of power for China in the twenty-first century, an endeavor that will have serious implications for the future global order. This book provides an alternative perspective on China's trajectory towards a revised international system.

Writing the Politics of Difference Hugh J. Silverman, 1991-06-04 This book addresses various phases of continental philosophy both in the context of its multiple traditions and in relation to the alternatives that mark the understanding of its present and future. Divided into two parts, the authors first focus on the diversity of traditions in continental philosophy in connection with the texts of Hegel, Marx, Kierkegaard, Sartre and De Beauvoir. Second, they explore the reality of social, political, sexual and philosophical differences in connection with the writings of Merleau-Ponty, Arendt, Habermas, Heidegger, Foucault, Irigaray, Kristeva, Derrida and Vattimo. They also stress the various theoretical foundations that manifest these differences. Issues surrounding the role of philosophical systems, language, ethical choice, relations with others, the gendered body, socialization and the status of philosophy today constitute the fabric of this book. The authors place these ideas in the context of current thought and current debates in continental philosophy and evaluate their significance for the future.

Yorùbá Performance, Theatre

and Politics Glenn Odom, 2015-06-23 This book explains the connections between traditional performance e.g. masked dances, prophecy, praise recitations, contemporary theatre. Wole Soyinka, Ola Rotimi, Tess Onwueme, Femi Osofisan and Stella Oyedepo and the political sphere in the context of the Yoruba people in Nigeria

Appearance Politics Lex Lu, 2024-11-15 Lex Lu argues in *Appearance Politics* that crafting an appealing and powerful outward image has long been an essential political instrument in China. Its traces may be found in historical records, imperial portraits, physiognomic prognostications, photographs, posters, statues, and digital images. Employing rare archival materials from Beijing, Shanghai, and Nanjing, Lu tells the story of these political maneuverings. We learn the ways in which political actors and their agents designed their images and we observe the shifting standards of male beauty that guided their decisions. *Appearance Politics* examines five case studies: the usurpation of Ming Prince Zhu Di, the rise of Manchu masculinity and its mixed standards of Han Chinese and Manchu beauty at the Yongzheng court, the use of modern photography and Western male beauty standards at the turn of the twentieth century, the making of the Republican founding father Sun Yat-sen, and the creation of visual templates of Mao Zedong. Lu's rich empirical study counters systematic stereotypical descriptions of Chinese male leadership embedded in Western media and scholarship.

Eloquence in Trouble : The Poetics and Politics of Complaint in Rural Bangladesh James M. Wilce, Assistant Professor of Anthropology, Northern Arizona University, 1998-10-29 *Eloquence in Trouble* captures the articulation of several troubled lives in Bangladesh as well as the threats to the very genres of their expression. Lament, in particular, is the first ethnography of one of the most spoken mother tongues on earth, Bangla. This study represents a new approach to troubles talk, combining the rigor of discourse analysis with the interpretive depth of psychological anthropology. Its careful transcriptions of Bangladeshi troubles talk will disturb some readers and move others beyond past academic discussion of personhood in South Asia.

Politics, Law and Ritual in Tribal Society Max Gluckman, 2017-09-04 What can we learn from tribal societies about the ways in which, in a variety of social settings, groups of men resolve their conflicts with other men? In order to answer this question, *Politics, Law and Ritual in Tribal Society* compares nearly forty case study societies, most of them in Africa, in their reconstructed pre-colonial tribal condition, comparing their small-scale social relations to their large-scale social context. At the outset, Gluckman explains to the reader that custom is the focus of interest of all types of anthropology. Yet his approach manifests a strong interest in economy, politics, and social relationships. In the volume, Max Gluckman offers a succinct version of a lifetime of opinionated analysis. This material is organized by theme, and the ethnographic examples appear as brief illustrations of theoretical questions. Discussed here also is the relation between disputes and struggles for power within the context of mechanisms of social control and stability. In addition, Gluckman presents a step-by-step survey of the cumulative development of the anthropological analysis of tribal institutions from the nineteenth century to the present and supports the argument that anthropology is a science rather than an art. The new masterful introduction by Sally Falk Moore, along with a new postscript of Gluckman's professional activities and publications,

provides newcomers to the work of Gluckman with deep insights into the contents as well as contexts within which the great anthropologist worked

Religious Discourse in Attic Oratory and Politics Andreas Serafim, 2020-10-29 The book offers a critical investigation of a wide range of features of religious discourse in the transmitted forensic symbouleutic and epideictic orations of the Ten Attic Orators a body of 151 speeches which represents the mature flourishing of the ancient art of public speaking and persuasion Serafim focuses on how the intersections between such religious discourse and the political legal and civic institutions of classical Athens help to shed new light on polis identity building and the construction of an imagined community in three institutional contexts the law court the Assembly and the Boul a community that unites its members and defines the ways in which they make decisions After a full scale survey of the persistently and recurrently used features of religious discourse in Attic oratory he contextualizes and explains the use of specific patterns of religious discourse in specific oratorical contexts examining the means or restrictions that these contexts generate for the speaker In doing so he explores the cognitive emotional and physical sensory reactions of the speaker and the audience when religious stimuli are provided in orations and how this contributes to the construction of civic and political identity in classical Athens Religious Discourse in Attic Oratory and Politics will be of interest to anyone working on classical Athens particularly its legal institutions on ancient rhetoric and ancient Greek religion and politics

Imperial Politics and Symbolics in Ancient Japan Herman Ooms, 2008-10-31 Imperial Politics and Symbolics in Ancient Japan is an ambitious and ground breaking study that offers a new understanding of a formative stage in the development of the Japanese state The late seventh and eighth centuries were a time of momentous change in Japan much of it brought about by the short lived Tenmu dynasty Two new capital cities a bureaucratic state led by an imperial ruler and Chinese style law codes were just a few of the innovations instituted by the new regime Herman Ooms presents both a wide ranging and fine grained examination of the power struggles symbolic manipulations new mythological constructs and historical revisions that both defined and propelled these changes In addition to a vast amount of research in Japanese sources the author draws on a wealth of sinological scholarship in English German and French to illuminate the politics and symbolics of the time An important feature of the book is the way it opens up early Japanese history to considerations of continental influences Rulers and ritual specialists drew on several religious and ritual idioms including Daoism Buddhism yin yang hermeneutics and kami worship to articulate and justify their innovations In looking at the religious symbols that were deployed in support of the state Ooms gives special attention to the Daoist dimensions of the new political symbolics as well as to the crucial contributions made by successive generations of immigrants from the Korean peninsula From the beginning a liturgical state sought to co opt factions and clans uji as participants in the new polity with the emperor acting as both a symbolic mediator and a silent partner In contrast to the traditional interpretation of the Kojiki mythology as providing a vertical legitimation of a Sun lineage of rulers an argument is presented for the importance of a lateral dimension of interdependency as a key structural element in the mythological

narrative An enlightening line of interpretation woven into the author's analysis centers on purity This eminently politico-ritual value central to Chinese Daoism and Buddhism was used by Tenmu as the emblematic expression of his regime and new political power The concept of purity was most fully realized in the world of the Sai princess in Ise and was later used by Ise ritualists to defend themselves against Buddhist rivals At the end of the Tenmu dynasty it was widely believed that avenging spirits were the principal source of danger and pollution notions understood here as statements about the bloody political battles that were waged in Tenmu court circles The Tenmu dynasty began and ended in bloodshed and was marked throughout by instability and upheaval Constant succession struggles between two branches of the royal line and a few outside lineages generated a host of plots uprisings murders and accusations of black magic This aspect of the period gets full treatment in fascinatingly detailed narratives which the author skillfully alternates with his trademark structural analysis Imperial Politics and Symbolics in Ancient Japan is a boldly imaginative carefully and extensively researched and richly textured history that will reward reading by Japan specialists and students in several disciplines as well as by scholars with an interest in the role of religious symbolism in state formation *Cicero on Politics and the Limits of Reason* Jed W. Atkins, 2013-10-17 This book rehabilitates Cicero's reputation as an important political thinker by providing a fresh interpretation of his central works of political philosophy *Ritual, Performance, and Politics in the Ancient Near East* Lauren Ristvet, 2015 In this book Lauren Ristvet rethinks the narratives of state formation by investigating the interconnections between ritual performance and politics in the ancient Near East She draws on a wide range of archaeological iconographic and cuneiform sources to show how ritual performance was not set apart from the real practice of politics it was politics Rituals provided an opportunity for elites and ordinary people to negotiate political authority Descriptions of rituals from three periods explore the networks of signification that informed different societies From circa 2600 to 2200 BC pilgrimage made kingdoms out of previously isolated villages Similarly from circa 1900 to 1700 BC commemorative ceremonies legitimated new political dynasties by connecting them to a shared past Finally in the Hellenistic period the traditional Babylonian Akitu festival was an occasion for Greek speaking kings to show that they were Babylonian and for Babylonian priests to gain significant power *Dao Companion to Japanese Confucian Philosophy* Chun-chieh Huang, John Allen Tucker, 2014-09-05 The Dao Companion to Japanese Confucian Philosophy will be part of the handbook series Dao Companion to Chinese Philosophy published by Springer This series is being edited by Professor Huang Yong Professor of Philosophy at Kutztown University and Editor of Dao A Journal of Comparative Philosophy This volume includes original essays by scholars from the U S Europe Japan and China discussing important philosophical writings by Japanese Confucian philosophers The main focus historically will be the early modern period 1600-1868 when much original Confucian philosophizing occurred and Confucianism in modern Japan The Dao Companion to Japanese Confucian Philosophy makes a significant contribution to the Dao handbook series and equally to the field of Japanese philosophy This new volume including

original philosophical studies will be a major contribution to the study of Confucianism generally and Japanese philosophy in particular

Divinations Daniel M. Bell, 2017-10-27 As modernity gives way to postmodernity we are witnessing the emergence of a post political age Concepts and realities that anchored modern politics like nation states community freedom and law find themselves under duress from a pluriform terror Simultaneously we are witnessing a turn to religion by continental philosophers who seek resources for re visioning a politics of resistance to this terror This work engages postmodern philosophers such as Agamben Badiou Derrida Deleuze Hardt Negri and Zizek seeking to divine both the promise and peril of this pagan plundering of Christianity on the way to articulating a Christian theopolitical vision that holds out the hope of resisting the terror that looms over us

Historiography, Ideology and Politics in the Ancient Near East and Israel Mario Liverani, 2021-07-15 In this volume Niels Peter Lemche and Emanuel Pfoh present an anthology of seminal studies by Mario Liverani a foremost scholar of the Ancient Near East This collection contains 18 essays 11 of which have originally been published in Italian and are now published in English for the first time It represents an important contribution to Ancient Near Eastern and Biblical Studies exposing the innovative interpretations of Liverani on many historical and ideological aspects of ancient society Topics range from the Amarna letters and the Ugaritic epic to the origins of Israel

Historiography Ideology and Politics in the Ancient Near East and Israel will be an invaluable resource for Ancient Near Eastern and Biblical scholars as well as graduate and post graduate students

Death Rituals and Politics in Northern Song China Mihwa Choi, 2017 This study examines how political and legal disputes regarding the performance of death rituals contributed to shape a revival of Confucianism in eleventh century Northern Song China

Politics Of Divination Introduction

In the digital age, access to information has become easier than ever before. The ability to download Politics Of Divination has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Politics Of Divination has opened up a world of possibilities. Downloading Politics Of Divination provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Politics Of Divination has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Politics Of Divination. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Politics Of Divination. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Politics Of Divination, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Politics Of Divination has transformed the way we access information. With the

convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Politics Of Divination Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Politics Of Divination is one of the best book in our library for free trial. We provide copy of Politics Of Divination in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Politics Of Divination. Where to download Politics Of Divination online for free? Are you looking for Politics Of Divination PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Politics Of Divination. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Politics Of Divination are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Politics Of Divination. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access

completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Politics Of Divination To get started finding Politics Of Divination, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Politics Of Divination So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Politics Of Divination. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Politics Of Divination, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Politics Of Divination is available in our book collection and online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Politics Of Divination is universally compatible with any devices to read.
