Politics Of Social Work

Kenneth McLaughlin

Politics Of Social Work:

Politics for Social Workers Stephen Pimpare, 2021-11-23 The social work profession calls on its members to strive for social justice. It asks aspiring and practicing social workers to advocate for political change and take part in political action on behalf of marginalized people and groups. Yet this macro goal is often left on the back burner as the day to day struggles of working directly with clients take precedence. And while most social workers have firsthand knowledge of how public policy neglects or outright harms society's most vulnerable, too few have training in the political processes that created these policies. This book is a concise, accessible guide to help social workers understand how politics and policy making really work and what they can do to help their clients and their communities. Helping readers develop sustainable strategies at the micro, meso, and macro levels, this book is a hands-on manual to contemporary American politics, showing social workers and social work students how to engage in effective activism. Stephen Pimpare, a political scientist with extensive experience as a social work practitioner and instructor, offers informed practical grounding in the mechanics of policy making and the tools that activists and outsiders can use to take on an entrenched system. He distills key research and insights from political science and related disciplines into a practical resource for social work students, instructors, and practitioners looking to deepen their policy knowledge and capacity to achieve change. Practical Politics Maryann Mahaffey, John W. Hanks, National Association of Social Workers, 1982

Political Social Work Shannon R. Lane, Suzanne Pritzker, 2017-12-16 This social work book is the first of its kind, describing practical steps that social workers can take to shape and influence both policy and politics. It prepares social workers and social work students to impact political action and subsequent policy with a detailed, real-world framework for turning ideas into concrete goals and strategies for effecting change. Tracing the roots of social work in response to systemic social inequality, it clearly relates the tenets of social work to the challenges and opportunities of modern social change. The book identifies the core domains of political social work, including engaging individuals and communities in voting, influencing policy agendas, and seeking and holding elected office. Chapters elaborate on the necessary skills for political social work, featuring discussion examples and critical thinking exercises in such vital areas as Power, empowerment, and conflict; engaging effectively with power in political settings; Getting on the agenda; assessing the political context and developing political strategy; Planning the political intervention; advocacy and electoral campaigns; Empowering voters; Persuasive political communication; Budgeting and allocating resources; Evaluating political social work efforts; Making ethical decisions in political social work. *Political Social Work* is a potent reference for social work professionals, practitioners, and students seeking core political knowledge and skills to practically advance their work. For specialists and generalists alike, it solidifies political action as vital for the evolution of the field. *The Politics of Social Services* Jeffry H. Galper, 1975 A critical analysis of the political roles and impact of social services in the United States, assessing their influence on the values, structures, and human behaviors underlying the present social order. The New

Politics of Social Work Mel Gray, Stephen A. Webb, 2017-09-16 With contributions from those at the forefront of modern social work thought this edited volume reflects the growing eminence of critical social work in the 21st Century Taking a truly global outlook this text advocates the promotion of equality through a range of radical perspectives and provides a blueprint for the future of practice **Core Themes In Social Work: Power, Poverty, Politics And Values** Sheedy,

Martin, 2013-01-01 This book sheds a very bright light on poverty as a central experience of the people social workers work with Research and theories of power politics and values are thoroughly discussed and provide the basis for a sustained commitment to social justice The book is a supportive read as it skilfully appreciates the personal challenges that critical and assertive practice entails It is a book for students professionals and service leads to keep re read and savour Dr Tillie Curran Senior Lecturer in Social Work University of the West of England UK By identifying power poverty politics and values as core themes in social work this text offers us a refreshing perspective which will challenge students and practitioners alike to re evaluate their practice in the light of its wider social political and philosophical contexts Through an exploration of issues of power and an interrogation of the real meaning of social work ethics and values Sheedy motivates and encourages us to reflect on our practice and to ensure that it is truly person centred Dr Sue Taplin University of Nottingham UK This book offers a concise and coherent discussion of what should be core themes in thoughtful and careful social work practice It offers a journey towards rethinking and embracing effective critical practice which engages with human rights and social justice as much as with empowerment and with individual and interpersonal change Occasional student accounts coupled with use of key points and questions for discussion make for accessibility The book synthesises summarises and critiques ideas about how to understand and resolve social issues enabling readers to question how they might work creatively alongside service users It is a book which invites reflection on policy and practice Professor Michael Preston Shoot Dean Faculty of Health and Social Sciences University of Bedfordshire UK This excellent text is essential reading for all social workers and students and a key resource for academics It highlights with concern and conviction the importance of developing an effective critical practice that challenges enhances and broadens the task of conventional social work in ways that have the potential to improve outcomes for service users It calls for a social work practice based on an understanding of the issues of power politics and ideology and the values and world view held by the worker linked with concerns raised by the people that social workers regularly encounter and work with The issues of poverty and disadvantage and their structural causes run throughout this text issues that have been too long neglected in social work In this text Martin Sheedy corrects that neglect by outlining in some detail the impact of poverty on people s lives and life chances whilst at the same time describing how critical practice can be used by social workers to promote social justice and empowerment practices Dr Pamela Trevithick Visiting Professor in Social Work Buckinghamshire New University UK This engaging book introduces the core themes in social work and encourages students and practitioners to connect with the important debates surrounding

these themes and challenges them to revisit the direction social work is and should be going in The key contexts of social work are explored using knowledge from the disciplines of social theory politics sociology psychology and ethics The content is enlivened by The voices of students service users and practitioners Current and topical content on social work poverty politics power and values A discussion style format to help readers engage with the topics An extensive range of sources of knowledge and theory Key summary points at the end of each chapter Group discussion questions at the end of each chapter This book will contribute to social work students and practitioners thinking about the world in which they live and operate as professionals

The Oxford Handbook of Power, Politics, and Social Work Rajendra Baikady, Jaroslaw Przeperski, Sajid S.M., M. Rezaul Islam, 2024 This Handbook examines the impetus for the development growth and relevance of social work as a profession in different political social and cultural contexts Contributions align with overarching contemporary themes such as changing governance structures around the world digitalization and globalization and decolonization The book is also in line with the advancement of global agendas for social work and social development led by the IASSW ICSW IFSW This contemporary text engages comprehensively with diverse political systems across the world and explores the interactions with and implications for social work policy practice and education in these countries and globally

Affecting Change Karen S. Haynes, James S. Mickelson, 2010 Updated to reflect advances in a changing political arena of Obama's administration this revision shows students how to develop political action skills and to take advantage of the opportunity of change This practical step by step guide focuses on advocacy as the central mission of social work practice New material and 17 new personal scenarios involving social workers who have made a difference senators representatives and officials in the political arena serve to inspire students Revised chapters show how social work skills can be most effective whether by impacting the political arena as a social worker or running for office

Policy Analysis for Social Workers Richard K. Caputo, 2013-09-17 Policy Analysis for Social Workers offers a comprehensive step by step guide to understanding the process of policy development and analysis for effective advocacy This user friendly model helps students get excited about understanding policy as a product a process and as performance a unique 3 P approach to policy analysis as competing texts often just focus on one of these areas Author Richard K Caputo efficiently teaches the purpose of policy and its relation to social work values discusses the field of policy studies and the various kinds of analysis and highlights the necessary criteria effectiveness efficiency equity political feasibility social acceptability administrative and technical feasibility for evaluating public policy

Social Work, Politics and Society Kenneth McLaughlin, 2008-07 Kenneth McLaughlin highlights the need for a new approach to social work that has a more optimistic view of both individuals and society and of their capacity to overcome problems
