Polynesian Family System In Ka U Hawaii:

The Polynesian Family System in Ka-'U, Hawai'i Edward Smith Craighill Handy, Mary Kawena Pukui, 1958 **The Polynesian Family System in Ka-'u, Hawaii** Edward Smith Craighill Handy, Mary Kawena Pukui, 1958 **Polynesian Family System in Ka-U Hawaii** E.S. Craighill Handy, Mary Kawena Pukui, 2012-01-31 This classic book on Hawaiian families and culture is an essential text for anyone interested in pre American Hawaii The Polynesian Family System in Ka U Hawai i is a collaboration of the distinguished scholars Dr Mary Puku and Dr E S Craighill Handy It provides us with this fascinating review of traditional Hawaiian life Manners and customs relating to birth death marriage sexual practices religious beliefs and family relationship are all clearly described The main sources of information were elderly Hawaiian informants of then remote Kacu district of the island of Hawaii This Hawaiian history and culture book provides professional scholars and laymen a like with an unrivaled picture of traditional Hawaiian society Based on original work in the field with living Hawaiians it combines research into the literature by two authors of unusual qualifications with field work conducted under unique circumstances This edition will be welcomed by librarians anthropologists and indeed all who have a serious interest in Polynesian life **The Polynesian Family System in Ka-'u, Hawai'i** Edward Smith Craighill Handy, Mary Kawena Pukui, 1950 **The Polynesian Family System in Ka-'u, Hawai'i** E. S. Craighill Handy, Mary Kawena Pukui, 1972

Mark Twain's Hawaii Mark Twain, 2022-05-01 Mark Twain s wit and wisdom is timeless Mark Twain s Hawaii A Humorous Romp through History combines Twain s own writings on Hawaii with personal reminiscences by others who met him at that time and traces Twain s journey through the region just as he experienced it in 1866 The book highlights Twain s humor travel in the 19th century history social commentary and the exotic locale in an authoritative and entertaining volume for Twain fans and Hawaii enthusiasts **Hawaiian Legends in English** A. Grove Day, Amos P. Leib, 2021-05-25 Over the past two centuries a considerable number of Hawaiian legends have been translated into English Although this material has been the subject of studies in anthropology ethnology and comparative mythology no study has been made made of the translations and the translators themselves Nor has a definitive bibliography of published translations been compiled The purpose of this volume is to provide an extensive annotated bibliography of both primary translations and secondary retellings in English together with a historical and critical study of the more important translations **Nā Kua'āina** Davianna Pōmaika'i McGregor, 2007-04-30 The word kua ina translates literally as back land or back country Davianna P maika i McGregor grew up hearing it as a reference to an awkward or unsophisticated person from the country However in the context of the Native Hawaiian cultural renaissance of the late twentieth century kua ina came to refer to those who actively lived Hawaiian culture and kept the spirit of the land alive The mo olelo oral traditions recounted in this book reveal how kua ina have enabled Native Hawaiians to endure as a unique and dignified people after more than a century of American subjugation and control The stories are set in rural communities or cultural k puka oases from which traditional

Native Hawaiian culture can be regenerated and revitalized By focusing in turn on an island Moloka i moku the districts of Hana Maui and Puna Hawai i and an ahupua a Waipi io Hawai i McGregor examines kua ina life ways within distinct traditional land use regimes The lelo no eau descriptive proverbs and poetical sayings for which each area is famous are interpreted offering valuable insights into the place and its overall role in the cultural practices of Native Hawaiians Discussion of the landscape and its settlement the deities who dwelt there and its rulers is followed by a review of the effects of westernization on kua ina in the nineteenth century McGregor then provides an overview of social and economic changes through the end of the twentieth century and of the elements of continuity still evident in the lives of kua ina The final chapter on Kaho olawe demonstrates how kua ina from the cultural k puka under study have been instrumental in restoring the natural and cultural resources of the island

Hawai'i's Russian Adventure Peter R. Mills, 2002-02-28 In the early 1800s thousands of American and European traders arrived in Hawai i to lay in supplies for the long trip east or to take on Hawaiian sandalwood which commanded a high price in China In response to this developing global economy in the Pacific Russia expanded its trading outposts as far as western Kaua i and together with Kaua i chiefs began planning the construction of Fort Elisabeth in Waimea in 1816 A year later the structure was abandoned by the Russians but as Peter Mills argues convincingly a long and significant history of the fort remains to be told even after its Russian one had ended Seeking to redress the imbalance that exists between the colonized and the colonizers in Pacific historiography Mills examines the fort and its place in the history of Kaua i under paramount chief Kaumuali i and in relation to the expanding kingdom of Kamehameha and his successors His work exposes how Hawaiians have been ignored in their own history and challenges commonly held assumptions such as Kamehameha s unification of the Islands in 1810 and the victimization of Kaumuali i by representatives of the Russian American Company Using hundreds of firsthand accounts in combination with field archaeology Mills shows that the fort was originally built and used by Hawaiians as a heiau ritual temple After the Russians departure Hawaiians continued to use the fort but in ways that reflected an ongoing transformation of cultural values provoked by contact with outsiders and the development of multiethnic communities in Waimea and other port settlements throughout the Hawaiian chain Hawai i s *Russian Adventure* is an original look at a significant chapter in the history of Hawai i It overturns many popular myths and perceptions about the fort at Waimea and about European and Hawaiian interaction in the first half of the nineteenth century while delving into some of the central issues in historical anthropology colonialism and the development of global networks

Fact and Theory in Social Science Earl W. Count, Gordon Townsend Bowles, 1964-05

Sex, the World History John R. Gregg, 2019-07-26 *Sex The World History Through Time* Religion and Culture is a daring exploration of human sexuality from the ancient to the modern world *Sex The World History* traces sexual attitudes from the transcendent to the bizarre throughout world cultures Unmasked are sexual practices and beliefs previously omitted or obscured from all historical telling In a scathing condemnation of religion and its control of sex

the book explores the intricate dance between spirituality and sexuality Revealed for the first time is a history of bisexuality in the majority of human cultures Prior to Christianity bisexual orientation was common in Asia the Pacific Africa the Americas and Europe Religions have controlled sex and gender orientation throughout time The history of LGBTQ across the globe is illuminated here How have women been exploited in sexual and cultural roles from prehistory to present day How does religion affect women s sexuality throughout time The supremacy of the Mother Earth Goddess throughout most of human existence and her relatively recent fall have had drastic consequences for women s sexual expression and identity Other topics included are sex slavery and human trafficking child brides forced marriages Roman Catholic abuses war time sexual crimes Victorian licentiousness the evolution of sexual attitudes in North and South America the sexual revolution of the counter culture Offered here is an encyclopedic tour of the sexuality of humankind

The Mid-net Zipper Ridge a Possible Cause of Unobserved Porpoise Mortality D. B. Holts,1980

Ethnicity and Family Therapy Monica McGoldrick,Joe Giordano,Nydia Garcia Preto,2005-08-18 This widely used clinical reference and text provides a wealth of knowledge on culturally sensitive practice with families and individuals from over 40 different ethnic groups Each chapter demonstrates how ethnocultural factors may influence the assumptions of both clients and therapists the issues people bring to the clinical context and their resources for coping and problem solving

Voices of Fire ku'ualoha ho'omanawanui,2014-05-01 Stories of the volcano goddess Pele and her youngest sister Hi iaka patron of hula are most familiar as a form of literary colonialism first translated by missionary descendants and others then co opted by Hollywood and the tourist industry But far from quaint tales for amusement the Pele and Hi iaka literature published between the 1860s and 1930 carried coded political meaning for the Hawaiian people at a time of great upheaval Voices of Fire recovers the lost and often suppressed significance of this literature restoring it to its primary place in Hawaiian culture Ku ualoha ho omanawanui takes up mo olelo histories stories narratives mele poetry songs oli chants and hula dances as they were conveyed by dozens of authors over a tumultuous sixty eight year period characterized by population collapse land alienation economic exploitation and military occupation Her examination shows how the Pele and Hi iaka legends acted as a framework for a Native sense of community Freeing the mo olelo and mele from colonial stereotypes and misappropriations Voices of Fire establishes a literary mo ok auhau or genealogy that provides a view of the ancestral literature in its indigenous contexts The first book length analysis of Pele and Hi iaka literature written by a Native Hawaiian scholar Voices of Fire compellingly lays the groundwork for a larger conversation of Native American literary nationalism

Pono Malcolm Nāea Chun,2006

A Cultural History of Three Traditional Hawaiian Sites on the West Coast of Hawai'i Island

Linda W. Greene,1993 Historic resource study for three Hawaiian units of the National Park System including Pu ukohol Heiau National Historic Site and Kaloko Honok hau and Pu uhonua o H naunau National Historical Parks locate on the west coast of the Island of Hawai i with the focus on the Pu ukohol Heiau

Hawaii History 1778-1910 John A. Hussey,1962

Pele, Volcano Goddess of Hawai'i H. Arlo Nimmo, 2011-10-14 When the first Europeans arrived in the Hawaiian Islands in 1778 the volcano goddess Pele was the central deity of a complex religion in the volcano districts of Hawai'i Island. While native Hawaiians were quickly converted to Christianity Pele remained remarkably relevant as a deity. This book is a critical biography of the volcano goddess as well as a history of her religion. Topics covered include the ongoing belief in Pele, her popular manifestations, her ceremonies, her new cultural roles, and her current status in Hawai'i. Ewa Beach, Proposed Ewa Marina, Oahu, 1993

Family Relations Timothy H. Brubaker, 1992-10-26 As the social world of American families feverishly changes, single parent families, dual career couples, and blended families have quickly become the norm rather than the exception. In *Family Relations*, a distinguished group of leading family researchers, including Joan Huber, David Olson, Hamilton McCubbin, and Marilyn Coleman, examines the social changes that have gripped society and explains their impact on family relationships and functioning. Initial chapters address principal theories of change; the remainder of the volume addresses the predominant challenges facing contemporary families, such as work-family interface, violence, family dysfunction, family crisis, divorce, and the transition to marriage and parenthood. The contributors make suggestions for change in family policy, family therapy, and family life education, and conclude with an overview of the current state of families and future directions. This comprehensive and interesting volume is for students, family researchers, sociologists, psychologists, counselors, family life educators, and policy analysts. True to its aim, it informs about the latest understandings and tools of intervention to help overcome the formidable challenges to the family; there is some worthy scholarship to be found in this volume. Chapter 3 on gender and role change is a lively and readable summary. *British Journal of Social Work*. This volume has much to offer. For example, the volume contains demographic information often needed by practitioners and policymakers at a moment's notice. Literature reviews not only summarize research on a particular topic but also are organized around a theoretical framework. Well-known authors have contributed scholarly, insightful commentaries on current family issues and challenges for the future. In short, this book provides information that practitioners and policymakers could use to do the following: establish the need and rationale for programming; and applied research; justify the expenditure of funds for children and families; ground their work in theory and research; conduct in-service education; and consider program evaluation strategies. This book is well written and provides a valuable resource for the intended readership. I look forward to the second volume. *Journal of Marriage and the Family*.

This Captivating World of E-book Books: A Thorough Guide Unveiling the Benefits of Kindle Books: A Realm of Ease and Flexibility E-book books, with their inherent portability and ease of availability, have freed readers from the limitations of physical books.
