Hurrell,2005-01-01 ROSE COTTAGE is let at last How do you know The question was asked by three somewhat excited young people in chorus Because I saw a van load of furniture there this afternoon Kenneth Snowden aged twelve looked as he felt highly pleased with himself in being able to impart such interesting information to his brother and sisters I wonder who in the world has taken that little hole of a place This from Rupert Kenneth s twin brother I d as soon live in a rabbit hutch as there A rabbit hutch would just suit you with your long ears laughed Kenneth his eyes twinkling with fun Rupert was in no wise offended at his brother s personal remark nor at the giggles with which it was greeted by his sisters Gertie and Marcia I d rather have long ears said he than a freckly nose like yours old chap But now he went on what about Rose Cottage Did you see anything of the people who have taken it Yes was the prompt reply I saw an old woman and a little girl get out of a cab They were plainly dressed both of em but somehow I don t fancy they were common people Common people It was Nurse who here spoke She was sitting by the window at needlework doing her best to catch the receding winter daylight I should just think they are not indeed said she Mrs Russell the lady who has taken Rose Cottage used to be so rich that she could

have curled her hair in banknotes if she had chosen to do so If Nurse had wished to create a sensation she had succeeded Four pairs of eyes greeted hers with excited interest It was little seven year old Marcia however who first spoke Oh how funny she cried Fancy curling your hair in banknotes Do people ever do such things Nurse Of course not you little silly cried Gertie with the wisdom of ten years Be quiet and let your elders talk Little Marcia thus snubbed relapsed for a while into silence What made the old lady poor Nurse asked Kenneth She must be jolly hard up to take a place like Rose Cottage She lost her money in a big bank smash replied Nurse and since that time she s been so proud and unsociable she won t have anything to do with anybody My sister used to be her maid that s how I know I wonder if she ll let the little girl be friends with us said Marcia with a wistful note in her voice I don t suppose she will Poor little motherless Ella Here Nurse sighed and looked very sympathetic She has rather a hard time of it I should fancy What about her father questioned Rupert Oh he s away trying to make his fortune in Africa At this moment the tea bell rang and the conversation ended but Nurse had said enough to rouse a great interest in the hearts of her young charges concerning the new inmates of Rose Cottage As it happened Kenneth was the first of the Snowden family to make the acquaintance of little Ella Russell Their meeting was in this wise A day or two after the inmates of Rose Cottage had settled in their new abode Kenneth chanced to see Ella standing in the garden Rose Cottage was situated close to the large white gates which led to Berryland Hall the residence of the Snowden family hence the children s interest in the tiny abode It was a bleak January morning and little Ella with a dust pan in her hand was about to sprinkle cinder ashes on the garden path It was in an exceedingly slippery state owing to the frost Hullo Cinderella said Kenneth with a twinkle in his eye What are you doing that for Because it s so slippery replied the child with a certain little dignity and my name isn t Cinderella please No but that s what I m going to call you Your name is Ella isn t it Yes but how did you know Little Ella looked surprised A little bird told me said Kenneth mysteriously And as we are getting friendly over the cinders you see it s just the right name for you For a moment Ella looked doubtful as to whether to be cross or pleased at her new name but her natural sweet temper soon came to the fore If I m Cinderella she said I know who s the Prince Who questioned Kenneth with interest Father is she answered confidentially when he comes home Grannie and I are going to live in a big house again and we shan t be poor any more That ll be jolly for you won t it Kenneth was beginning to feel much interested in this little girl with the pretty blue eyes and brown curly hair Yes I should just think it will said Ella but I mustn t stop talking any more Grannie will be ever so cross if she The rest of the sentence was never finished for little Ella in turning round to fulfil her task suddenly slipped and fell to the ground A cry of unmistakable pain came from her lips and then she grew so dreadfully white that Kenneth was frightened I say you aren t hurt much are you he asked in anxious concern It s it s my arm sobbed out the child I m afraid afraid The little voice died away Poor Cinderella had well nigh fainted with the pain of a broken arm Kenneth now thoroughly alarmed rushed to the cottage door and shouted his loudest Gracious me Whatever is the matter It was old Mrs Russell who answered his call the one little maid which the

household boasted having gone into the town shopping It s Cinder the little girl I mean cried Kenneth agitatedly she s tumbled down and hurt her arm You pushed her I suppose you great rough boy was the old lady s harsh reply She was so upset that she felt she must scold somebody *Golden Hours* ,1875 *Mother Earth Bulletin* Emma Goldman,Alexander Berkman,1915 **Ringling In Murder** Kate Kingsbury,2008-11-04 Book a room at the Pennyfoot Hotel this holiday season for a charming mystery that combines the feel of an Agatha Christie whodunit with a taste of Upstairs Downstairs Cozy Library A merry hustle and bustle heralds the holidays at the Pennyfoot and this year is doubly busy Even as Cecily Sinclair Baxter prepares for the holidays she s also helping her friend Madeline plan her impending wedding This year Cecily has a cracking holiday surprise for her guests gorgeous Christmas crackers handmade for the Pennyfoot And once the crackers pop one lucky guest will discover a beautiful pearl brooch But things soon turn less than jolly A mysterious fire breaks out in an upstairs room killing the mood and two guests And at the bottom of it all a missing Christmas cracker Who would deliver such a murderous gift Cecily s dead set on solving this mystery before another deadly present turns up and Madeline s nuptials come unwound OF THE EMBERS Rita Williams Atkinson,2023-06-01 In 1883 one of the premier hotels in the country the Newhall House Hotel burns to the ground Guests included General Tom Thumb of sideshow fame popular stage performers and prosperous businessmen What brought those people to the Newhall House Hotel on that fateful night What caused the fire How did those who survived do it and how were they affected by the horror of that night **Godfrey Malden; or, The squire's grandsons** Elizabeth Firth,1884 **Pretty pictures for our little ones, by James Weston** Edward Step,1884 **Pit Bank Wench** Meg Hutchinson,2019-05-16 Emma Price has eyes like a summer sky and is as kind and generous as she is beautiful She is in love with Paul Felton and he with her but their love seems sure to fail as Emma s father works in the coal mine that Paul will inherit when he comes of age They are too in love to realise that their different classes mean they can never have a future Paul s brother and guardian Carver Felton is ambitious and revels in cruelty He razes the village of Plovers Croft pays subsistence wages to his workers and ruthlessly exploits the greed of his peers and his brother s good nature And one day Carver decides to get rid of Emma for good by taking the one thing of value she has her good reputation Left with nothing Emma looks destined for the workhouse but she has vowed to exact her own revenge on Carver Who will triumph the evil Carver or the humble pit bank wench Miss Seeton Undercover Hamilton Crane,Heron Carvic,2016-12-15 Ibbley obbley onker my first conker The ancient warcy of English conker battles heralds autumn in the Kentish countryside where Plummergen Miss Seeton s home village and its great rival Murreystone are holding their Produce Show and this year impromptu fisticuffs Plus it s Trafalgar Day and at Admiral Buzzard s gin pennant party for local ex officers there s another near punch up Altogether a riveting backdrop for the presenters of a popular TV cookery show visiting in search of rare heritage apples like the Plummergen Peculier Only the police have time to notice the worsening local crime wave antique shops ramraided homes robbed then a life lost until Miss Seeton is coaxed into playing a core role
