From the Hebrew of Immanuel Ben Solomon Romi, Dante's Contemporary. Tr. Into English, with Introduction and Notes Immanuel ben Solomon,1921 **Musical Scores and the Eternal Present** Chiara Bertoglio,2021-08-31 Music is played and heard in time yet it is also embodied in space by musical scores The observation of a musical score turns time into space and allows musicians to embrace the flow of time in a single glance This experience constitutes a symbol for the Eternal Present the simultaneous knowledge of all time outside time This book analyzes the implications of this view through a variety of interdisciplinary perspectives linking theology philosophy literature and music It also studies how this theme has been foreshadowed in the writings of Dante and J R R Tolkien demonstrating the connections between their masterpieces and the aesthetics of their times The result is a fascinating itinerary through the history of culture thought and music but also a deeply theological and spiritual experience **The Literary World** ,1886 Heaven on Earth L. S. Fauber,2019-12-03 Before the invention of the telescope people used nothing more than their naked eye to fathom what took place in the visible sky So how did four men in the 1500 s though of different nationality age religion and class collaborate to discover that the Earth revolved around the Sun With this radical discovery that went against the Catholic Church they created our contemporary world and with it the uneasy conditions of modern life Heaven on Earth is an intimate examination of a scientific family that of Nicolaus Copernicus Tycho Brahe Johannes Kepler and Galileo Galilei Fauber juxtaposes their work with insight into their personal lives and and political considerations which in turn shaped their pursuit of knowledge Uniquely he shows how their intergenerational collaboration was actually what made the scientific revolution possible Contrary to the competitive nature of research today collaboration was key to early discoveries These men related to one another via intellectual pursuit rather than blood calling each other brothers fathers and sons Filled with rich characters and sweeping history Heaven on Earth reveals how the connection between these pillars of intellectual history moved science forward and helped usherd the world into modernity Translation and Literature ,1996
