Real Life Christianity:

Christianity and Real Life William E. Diehl, 1976 **Our Real Life in Christ** M. Alberto Zelaya Aragon, 2013-11-21 Its essential to uncover the current malady affecting the organized Christian Church today not its structuring and not necessarily its organizational approach but present to it His solution which has never been hidden or even veiled in His Word which is that we must return to the true roots of Christianity which is founded on the individual discipleship of each member of His body just as Jesus designed it and modeled it for us while He ministered on this earth It passed the acid test of resiliency when it was mercilessly persecuted as its disciples applied the principles as instituted and instructed by our Lord for all of us to display and to do I encourage anyone to do a Bible search for the word disciple and believer and see firsthand that these words are not interchangeable or used in the same context when referring to a specific person whos known to be committed to our Lord versus referring to a generalization in the third person to someone or a group whos aware about the existence of the real living God Gods remedy its still available today to anyone who truly desires to attain it and can decipher that its only through discipleship that a true believer is infected with the enthusiasm zeal and eagerness in the commitment to fulfill John 8 31 and Matthew 28 19 reaching to those around them who thirst and hunger for the things of God and in that process experience the life He promises we can live now Its time to abandon once and for all the current practices of mass producing supporters and inscribe it into our minds that the Great Commission was not to make believers but to make disciples The early church didn t churn out cheerleaders and advocates but bona fide disciples taught and equipped according to Ephesians 6 10-17 who then as members of the body of Christ led by example transforming them into a formidable most powerful and effective force the Roman Empire had ever seen Again I want to reiterate that I am not against the church as organized by the apostles but want to revolutionize it where discipleship is the top priority and purpose for its existence I am critical of the current organized version that has taken the place of the real church that nowadays is wasting vast resources and investing them in huge entertainment amphitheaters and often dilute distort and obscure the true message and method to attain this new life established by our Lord Unless this change happens we cant truly reach and change a lost world Our Real Life in Christ seeks to help those who are experiencing that gnawing sensation that there is much more to Gods Word than what is being offered by those weekly sermons in churches today *Real Life Christianity* Alan Kelly, 2009-10 So many in Christianity are confused about their beliefs it s no wonder that those new to the faith have trouble knowing where to start In *Real Life Christianity 7 Basic Principles for Successful Christian Living* author Alan Kelly helps both kinds of readers see that with the right guide it is not hard to bring our faith into our daily lives Beginning with a solid foundation of who God is and who we are *Real Life Christianity* then demonstrates what went wrong in our relationship with God and what God has done to redeem us With these principles in place Alan moves on to show in simple terms how God has planned for us to live a successful life by changing the way we think This daily process of applying what we learn in the

Bible to the routines and events of our real lives helps us to go from just surviving to flourishing from living a hectic and harried life to living the abundant and prosperous life God promised in his word

The Real Church Harald Hegstad, 2013-02-15 What does it mean to believe in the church What is the relationship between the church we believe in and the church we experience Is there an invisible church that is different from the visible This book is an argument for an ecclesiology of the visible The only church the real church is a concrete reality made up of people just like any other fellowship What distinguishes it as church is the presence of the triune God among those who gather in the name of Jesus making it a sign and anticipation of the fellowship of the kingdom of God From this premise Dr Hegstad analyzes such issues as the relationship between church and world mission and diakonia church as fellowship and organization ministries in the church worship and the unity of the church as well as discussing the relationship between a sociological and a theological understanding of the church

More Than a Sunday Faith Chris Suitt, 2014-08-01 Today's Christianity is broken and ineffective as seen by the fact that generations of people don't want anything to do with the Jesus they see in Christians The reality is that a Christian worldview simply doesn't work in the real everyday world in which they live Jesus however not only came to give people eternal life but also to radically change and give them life today How this happens was the question posed by the author who had a personal challenge that was destroying his family and his career as a pastor The Christian solutions were not working forcing him to ask Jesus outside of a miracle how do You change a life The answer he discovered was the SET FREE NOWWW principles the

basis of a Biblical worldview When believers in Jesus meet their needs in their own or society's way follow unbiblical ways of processing daily life or rely upon Christian clichés they'll experience disappointment disillusionment and disaster Processing daily life through a Biblical worldview will change their life from the inside out bringing with it peace love significance and security each day not just on Sunday More Than a Sunday Faith is not more what's but the how to's of living with a Biblical worldview It is not a book just to be read but principles to be lived each day The author gives a number of practical tools to have and practice real faith throughout the week As this happens not only will Christians experience the life Jesus offers but the generations who don't want anything to do with Him just might want the Jesus they see in them The Essential Works of Christianity Johann Wolfgang von Goethe, Martin Luther, Henryk Sienkiewicz, Dante Alighieri, Henry Van Dyke, David Hume, James Allen, Ralph Waldo Emerson, Andrew Murray, John Bunyan, Grace Livingston Hill, Thomas Paine, Voltaire, Lew Wallace, John Milton, Charles M. Tabony, 2007-12 Christianity s Source is the result of a quest that started almost eighty years ago After reading the Catholic recommended writers like Augustine and Aquinas the author went through the Greeks and many other well respected philosophers coupled with a great deal of painful thinking As each topic is developed questions are posed that ask the readers to make logical personal appraisals It is proposed that any individual given the facts and information on each topic can use his her own intellect to reach logical conclusions The initial area of inquiry is where did Judeo Christianity come from This book is based on the works of highly respected Egyptologists Anthropologists Historians and Biblical scholars A few that were included are Cheikh Anta Diop 1923 1986 Godfrey Higgins 1771 1834 Gerald Massey 1828 1907 Alvin Boyd Kuhn 1880 1963 Elaine Pagels Bart Ehrman Karen L King Paul Johnson and Tom Harpur You will see a list of over fifty specific basic beliefs that were copied and are backed up with irrefutable proof going back to at least 3000 BC and perhaps to 10 000 BC The proof is in the Egyptian Book of the Dead the Pyramid Texts Amduat and the Book of Troth
