For the first time the true story is told of the colorful characters who peopled the Levee from the time of the Columbian Exposition to the Roaring Twenties clearly the most colorful period in Chicago's history. The product of five years of research through Chicago daily newspapers magazines and periodicals and books on the city's history it documents the story as it occurred with all of the sights sounds and smells of that lusty unruly era. *THE FIRST VICE LORD* is the story of an immigrant Italian lad who grew up in the tenements of Chicago where he worked first as a lowly street sweeper then as a brothel operator and vice lord and finally as the owner of the most famous restaurant of his day. His story is told against the backdrop of an open red light district so famous it was known to the crown heads of Europe.

The Encyclopedia of Best Films Jay Robert Nash, 2019-10-23 This all inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three to five star entries: three stars good, four stars excellent, five stars masterpiece and yes author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis each film's entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary and unacceptable. Backmatter includes a list of top films by genre i.e. animated, drama, sports, mystery, adventure etc as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.
