Condition: The Sea Anna-Teresa Tymieniecka,2012-12-06 *Cézanne and the End of Impressionism* Richard Shiff,2014-12-15 Drawing on a broad foundation in the history of nineteenth century French art Richard Shiff offers an innovative interpretation of C zanne s painting He shows how C zanne s style met the emerging criteria of a technique of originality and how it satisfied critics sympathetic to symbolism as well as to impressionism Expanding his study of the interaction of C zanne and his critics Shiff considers the problem of modern art in general He locates the core of modernism in a dialectic of making technique and finding originality Ultimately Shiff provides not only clarifying accounts of impressionism and symbolism but of a modern classicism as well *Russian and Soviet Views of Modern Western Art, 1890s to Mid-1930s* Ilia Dorontchenkov,2009-06-10 From the first Modernist exhibitions in the late 1890s to the Soviet rupture with the West in the mid 1930s Russian artists and writers came into wide contact with modern European art and ideas Introducing a wealth of little known material set in an illuminating interpretive context this sourcebook presents Russian and Soviet views of Western art during this critical period of cultural transformation The writings document complex responses to these works and ideas before the Russians lost contact with them almost entirely Many of these writings have been unavailable to foreign readers and until recently were not widely known even to Russian scholars Both an important reference and a valuable resource for classrooms the book includes an introductory essay and shorter introductions to the individual sections *Literary Impressionism and Modernist Aesthetics* Jesse Matz,2001-08-02 Jesse Matz examines the writing of such modernists as Henry James Joseph Conrad and Virginia Woolf who used the word impression to describe what they wanted their fiction to present Matz redefines literary Impressionism focusing on the way that impressions destroy standard perceptual distinctions between thinking and sensing believing and suspecting He argues that these writers favoured not immediate subjective sense but rather a mode that would mediate perceptual distinctions Just as impressions fall somewhere between thought and sense Impressionist fiction occupies the middle ground between opposite ways of engaging with the world Matz also argues that the resulting confusion becomes a basic plot feature of modernist fiction This wide ranging 2001 study addresses the problems of perception and representation that occupied writers in the early decades of the twentieth century *Russian Impressionists and Post-Impressionists* Mikhail Guerman,2022-07-31 The 1860s were

marked by a strong realistic movement in Russian painting Artists became interested in depicting the lives and customs of their fellow countrymen This new art form was mostly the work of the Itinerants group who wanted to take art to the people and paint the outdoors Mikhail Guerman traces the converging lines of Russian and French art in the immensely fertile period of the late 19th and early 20th century [Art + Paris Impressionist Rise of the Impressionists](#) Museyon,2013-01-01 A complete background course on Impressionism covering the dramatic lives of the artists and the group s struggle to be recognized by the establishment in comprehensive biographies and engaging essays recounting their battle with the Salon
