Realife II Albert Peebles,2004-07 The book REALIFE II is the second part of the three book series This book covers many new stories about real people and real life There are great adventure stories included and as in REALIFE I a few science fiction stories There are many life application stories in this second book as well as a focus on the work place I have been studying the world of work a long time If you work for a living you ll need this book I like to variety on a great variety of things and this means that there is something in my book for everyone This book includes the true story of John Henry The man that beat the steam engine I have included an extra bonus for the readers of the REALIFE series THE REALIFE PHRASE DICTIONARY

Real Life In London, Volumes I. and II Pierce Egan,Active 1816-1830 John Badcock,2022-08-15 In Real Life In London Volumes I and II Pierce Egan presents a vivid portrayal of the teeming urban life in the early 19th century s capital Crafted with a cocktail of wit and observation Egan s work delves into the variegated tapestry of London society from the glittering opulence of its upper echelons to the grimy underbelly of its impoverished districts The engaging narrative spiced with an array of cant terms and lively characters invites the reader into a Regency London pulsating with life and energy Within its literary context this work stands as a prime example of early 19th century urban ethnography providing an immersive slice of life experience with a style typically more associated with novelistic works than with sociological studies Pierce Egan a sports journalist and chronicler of urban manners was adept at capturing the spirit of his era His expertise in detailing the extravagant and often rowdy sporting life of the time is reflected in his colorful depictions of the city The fruit of immersive observation and a keen eye for the intricacies of social interaction Egan s volumes are born from the atmospheric heart of Regency London offering authentic insights and amusement in equal measure The milieu that influenced Egan is palpable throughout his work making it as much an artifact of historical curiosity as a literary endeavour Real Life In London Volumes I and II is a must read for aficionados of literary history and those interested in the social fabric of past eras It not only enchants with its historical authenticity and linguistic flair but also serves as a portal to the Georgian age inviting contemporary readers to a richly detailed world Egan s work is recommended for its vibrant storytelling and the unparalleled window it offers into the life and character of early 19th century London making it an essential addition to the collection of any scholar or enthusiast of the period

Real Life Cryptology Benedek Láng,2025-10-01 A large number of enciphered documents survived from early modern Hungary This area was a particularly fertile territory where cryptographic methods proliferated because a large portion of the population was living in the frontier zone and participated or was forced to participate in the network of the information flow A quantitative analysis of sixteenth century to seventeenth century Hungarian ciphers 300 cipher keys and 1 600 partly or entirely enciphered letters reveals that besides the dominance of diplomatic use of cryptography there were many examples of private applications too This book reconstructs the main reasons and goals why historical actors chose to use ciphers in a diplomatic letter a military order a diary or a private letter

what they decided to encrypt and how they perceived the dangers threatening their messages
