Studying Urban Youth Culture Primer Greg Dimitriadis, 2008 This book provides a concise introduction to the practical and theoretical complexities of studying urban youth culture today Looking across disciplines such as anthropology sociology and education Dimitriadis explores the ways urban youth have been framed in often limiting and problematic ways in the popular and academic imagination Moving beyond critique alone this highly accessible primer opens a discussion about what a truly powerful emergent field of critical youth studies might look like Looking toward the future of this field this book discusses the most important methodological and substantive trends and issues scholars will be addressing now and in the years to come The Studying Urban Youth Culture Primer is an indispensable text for students in a range of qualitative methods and urban education courses *Moving Teacher Education into Urban Schools and Communities* Jana

Noel, 2013-05-07 Winner of the 2013 American Educational Studies Association's Critics Choice Award When teacher education is located on a university campus set apart from urban schools and communities it is easy to overlook the realities and challenges communities face as they struggle toward social economic cultural and racial justice This book describes how teacher education can become a meaningful part of this work by re positioning programs directly into urban schools and communities Situating their work within the theoretical framework of prioritizing community strengths each set of authors provides a detailed and nuanced description of a teacher education program re positioned within an urban school or community Authors describe the process of developing such a relationship how the university school and community became integrated partners in the program and the impact on participants As university based teacher education has come under increased scrutiny for lack of real world relevance this book showcases programs that have successfully navigated the travails of shifting their base directly into urban schools and communities with evidence of positive outcomes for all involved
