Reality Of The Kingdom:

The Holy Word for Morning Revival - Living in the Reality of the Kingdom of God Witness Lee, Watchman Nee, 2024-12-06

This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word. At the same time it provides a limited review of the International Training for Elders and Responsible Ones held in Warsaw Poland on October 4-6, 2024. The general subject of the training was Living in the Reality of the Kingdom of God Through intimate contact with the Lord in His word; the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ.

The Reality of the Kingdom Paul Rowntree Clifford, 1996. This is a print on demand book and is therefore non-returnable. Jesus came proclaiming the advent of the kingdom of God. New Testament scholars however are by no means agreed about Jesus' meaning or intention or about whether we have any way of penetrating through the testimony of the early Christians to what Jesus actually said or meant. This study by Paul Rowntree Clifford presses to a scholarly conclusion two key questions: What did Jesus mean by his proclamation of the kingdom? And in what sense has his promise been fulfilled? Following an insightful evaluation of the Gospel evidence, Clifford concludes that the kingdom of God as proclaimed by Jesus is a reality in the light of which we have come to terms with the modern world, a world where natural catastrophes and humanly created disasters are common occurrences. By focusing on matters of fact, Clifford shows that we end up with a startlingly challenging proclamation of the kingdom of God that is profoundly relevant to the difficult world in which we live.

The Reality of the Kingdom of Demons Dr. H. Clifton Black, 2014-07-07. Spiritual warfare is not a game and the devil is not an innocent puppy. He is the master deceiver, thief, and murderer and the force behind nearly all evil. He is full of all kinds of cruelty, pain, curses, and blight known to the human family. To survive his attacks, you must realize that the devil is a real enemy, hell-bent on destroying you. I challenge you to get serious today about determining methods to rebuke him and keep him from hindering your service to the Lord. Where did Satan come from? Did God create the Devil? Is God responsible for evil? Such questions plague the individual who wrestles with the existence of our adversary in the light of the Bible's revelation of the holiness of God. Philosophy can never give a satisfactory answer to these questions. The only satisfying answer is God's answer found in His Word. If we are going to combat this enemy known as Satan, then we must know his motives and his methods. Our goal in this book is to resolve this and answer many other questions as we talk about every believer's responsibility in spiritual warfare.

The Kingdom Reality Felix Ifezue, 2020-02-22. God said to me: There are many sitting on the pews listening and many standing on the pulpits preaching. They do not have a good understanding of the reality of the kingdom of God. Go to the churches and make my people understand the kingdom reality. He told me that this message is not new. It is the same message the church has been preaching for many years, but the understanding is the problem. Just like in Daniel 10:12-14, where the angel said to Daniel: Do not be afraid, Daniel. He said for from the first day that you purposed to understand and to

humble yourself before your God your words got to us and I have come in response to them However the prince of the kingdom of Persia opposed me for twenty one days Michael one of the chief princes came to help me for I had been left there with the kings of Persia Now I have come to explain to you what will happen to your people in the latter days for the vision concerns those days I was opposed for 27 years and couldn't do anything until now I am grateful to God that I am alive today to publish this message of the kingdom for the church as instructed The knowledge of the person of Jesus his nature as a child of God by genealogy and his work of personal salvation made many people live the religious life of self pity and sin consciousness One of the most challenging things many in the church are struggling to understand is the reality of their existence in trinity The body of man came as the born child while the soul and the person proper are gifts God gave to the world to fulfil specific purpose The understanding of Christ and the person of Jesus has eluded many even those in the church Many are conscious of the kingdom of Heaven but are confused about the kingdom of God Many also think that the church is the same as the kingdom of God They are quite different from each other and the Kingdom of God is much more critical Others do not think or talk about it When Jesus started his ministry he warned the people that the Kingdom of heaven is near and should repent and believe the good news In Mark 1:15 the gospels tell us that Jesus was regularly teaching about the Kingdom of God The good news Jesus proclaimed was the gospel of the Kingdom or the operation of the Government of God on the earth Jesus did not preach the gospel of personal salvation as it is today In Matthew 5 He thought extensively on the blessings of good nature that only Christ will bring and the powers of faith in the kingdom of God in different verses of the bible Most people that benefited from his ministry heard him say go your faith has made you whole Most miracles he performed were by the faith and expectations of the recipients To those that would have operated in the power of the kingdom but did not he called them people of little faith and encouraged them to build their faith There are many things that Jesus did not teach in everyday language but parables But he said in John 16:12-13 NIV I have much more to say to you more than you can now bear But when the Spirit of truth comes will guide you into all the truth He will not speak on his own he will speak what I tell him and he will tell you what is yet to come Jesus came and spoke all these things to the crowds in parables He did not tell them anything without using a parable So was fulfilled the words through the prophets I will open my mouth in parables and I will utter things hidden since the foundation of the world However he said in Matthew 25:34 Then the King will say to those on his right Come you who are blessed by my Father take your inheritance the kingdom prepared for you since the creation of the world The kingdom of God was ready for the man before creation It is still available for you if you are interested in taking yours and reign here on the earth Take time to go through this book and discover some secret truth that will enlighten your life

The Kingdom Witness Lee, 1980-12-01 Although the kingdom occupies a very crucial position in the Bible many Christians have not understood it properly accurately or adequately The messages in this book given in a conference in 1972 in Los Angeles present mainly the life side of the kingdom While some chapters touch the

doctrinal and objective side the primary burden is the life side May these chapters cause the Lord s children to soberly consider their responsibility toward the kingdom and to aspire to live today in the reality of the kingdom by the divine life so that they may enter into the enjoyment of the kingdom in its manifestation with the Lord in the coming age Independence - A Kingdom Composed By Reality Sheldon Artwell,2018-01-08 In a world once controlled by kings and lords freedom is seen as a pilgrim child It may appear as a mystery thought in our minds but our will to liberty out lives infinite lies Independence is not a privilege Independence is our right Independence is the treasure for which our ancestors gave their lives They were beaten hang and burnt alive until death But the fate they accepted should birth us no regret Their era is long gone And the fight for freedom is not over The batten is bold in our hands but it is our responsibility to allow independence dominance in our lives Kingdom of Shiva SIVKISHEN,2014-07-17 This helps to share knowledge on the Vedic Science Philosophy and Spiritual Wisdom that are hard to decode embedded in Vedas This is a perfect blend of dharma karma divinity belief philosophy literature science mathematics technology social sciences morals etc with many scientific theories explained unfolding myths and mysteries A must for everyone to share Elixir of Truth Sivkishen Author I recommend this book to everyone It is believed that a mere glance at Sri Chakra gives the result of performing hundred Vedic rituals then what if the goddess is Meditated upon Praised and Glorified as purest form of Consciousness This book does exactly that Karuna Gopal President Futuristic Cities HYDERABAD INDIA A must read for anyone who wants to learn about the true way of life this book provides right orientation and knowledge to face the challenges of life by aligning them of valuable life Prof S P Garg on selection panel of IBPS Banks Financial Institutions and Faculty for Management Institutes Jaipur India Kingdom of Shiva is book on authentic Mythological classic epic stories is Amazing Vedic Epic the one This is Eastern Wisdom a must to have at least one Prof Surendera Kala Ex ICLS Ex Director ICSI Presently Visiting Professor Strategic Management at Delhi School of Economics New Delhi India Kingdom of Shiva illustrates that only a clear mind and heart may spark bright ideas It motivates the reader not to just dream but believe in the self and face every challenge of life with courage and unshaken faith in oneself A must read for all of us Shanti Singh B Com LLB Director Vidyadayani Junior and Degree College for Women Hyderabad India Kingdom of Shiva is an Excellent Creative Work of Kishenji I will term it Eastern Law of Attraction A must to have at least one Rachel Lander Entrepreneur Management Consulting UK **The Kingdom-Focused Leader** Michael Miller,Michael D. A Biblical Hebrew/Christian Psychology Harold Jenkerson, Ph.D.,2011-12-12 This is an introductory Christian textbook on a biblical psychology of the individual The American Theosophist ,1912 Christian Ethical Implications of the Presence of the Kingdom as God's Performative Action in the Light of Speech Act Theory Anna Cho ,2019 This book presents a novel Biblical ethical hermeneutic approach that emerges from an understanding of the presence of the kingdom of God in the

Biblical text The approach is predicated upon the use of speech act theory abbreviated as SAT in relation to kingdom language in the Biblical text The approach shows how the notion of kingdom language as God s divine activity is elicited in the contemporary Christian s life by allowing it to operate beyond the world of the Biblical text In other words this approach establishes a Biblical ethical hermeneutic bridge between the text and its context and the context of contemporary readers of the text The alternative linguistic epistemology in SAT considers the principle of the kingdom of God in the past locution level the present illocutionary level and the future perlocutionary level The dynamic equivalences of the past present and future of the kingdom of God based on an SAT approach to the Biblical text can inform Christian ethical theory and moral action in the present world It can also provide a new moral sensibility in relation to God s sovereignty and the responsibility of Christians in contemporary society

The Future Kingdom of God Fr. Steven Scherrer,2010-12-01 The kingdom of God is not explained anywhere in the New Testament yet it seems to be everywhere understood No explanation was ever needed and so none was given In *The Future Kingdom of God A Present Reality and Our Blessed Hope* author Father Steven Scherrer presents an in depth study of the kingdom of God as it appears in the scriptures Based on an edited collection of original sermons and essays revolving around the New Testament doctrine of the kingdom of God this thorough discussion provides a guide for those seeking insight into various aspects about the second coming of Jesus Christ Some of the topics on which the essays reflect include the splendor of the kingdom of God now present as seen in the Churchs Advent and Christmas liturgies the millennial hope as the fulfillment of Old Testament prophecy the enchanted expectation of the Parousia as seen in the Churchs autumn liturgies the longing to be found innocent in holiness at the coming of the Lord Using the scriptures and examples from the Bible *The Future Kingdom of God* demonstrates how Christians can by faith now live in the splendor of Gods kingdom present in their midst
