THE HOPE OF GLORY

The chapters in this book contain character studies of Spirit-led men whose passion was for the glory of God. A bold challenge, therefore, to every lesser version of Christian life, and a powerful inspiration for those who will not settle for less than the true meaning of life as a disciple of Christ.

Reality The Hope Of Glory:

Reality, 1990 **Reality - the Hope of Glory** Art Katz, 2009-01-01 Reality Arthur Katz, Philip Chomak, 1977 At the Heart of the Gospel L. Ann Jervis, 2007-05-10

Suffering while part of the human condition is a state of being we would rather ignore L Ann Jervis here presents a convincing argument that human suffering is worth considering and she offers the words of Paul as proof Paul's insights into the predicament and significance of suffering provide the foundation for some of Christianity's most profound and unique contributions to understanding human life Examination of three of his letters Thessalonians Philippians and Romans reveals his important reflections on accepting the suffering of believers with the conviction that even as we suffer God's plan for creation does not include suffering and God will ultimately banish it As a result believing sufferers are not victims of suffering Jervis hopes that hearing Paul's words on suffering in a fresh light may allow readers to be deeply marked like the saints and shapers of Christianity by the power of a gospel of which it is not necessary to be ashamed precisely because it is not easy but transformative

From Misery to Hope Joe Egan, 2010

How can one believe in a God of love amid all the evil and suffering found in the world How does one do theology after Auschwitz while vast numbers of people still have to endure violent oppression every day This book seeks to address such questions from a standpoint informed by life in Africa which in the face of extraordinary difficulties bears witness to Gospel hope by demonstrating forgiveness in action and promoting reconciliation The work unfolds in two parts In the first part a description of the misery that characterises much of life in Africa in the recent past opens up to a theological consideration of the underlying causes and of God's response to them In the second part the joy which is so characteristic of life in Africa even in places of immense suffering sets the scene for detailed reflections on liturgy memory forgiveness and hope

In Christ, in Colossae Derek Tidball, 2014-08-08

In this book Derek Tidball takes the reader through a number of sociological models and engages with Paul's Letter to the Colossians He examines such topics as conversion identity the social construction of belief and institution and Christian ethics Finally he discerns the church as a reading community The purpose of the book is to apply major sociological discussions of the New Testament to the letter of Colossians with the objectives of a introducing those who do not know the rich literature on the sociology of the New Testament to some concrete examples of it and the illumination it provides b providing a systematic sociological approach to Colossians and c engaging with and evaluating the scattered discussion that has been held with regard to Colossians The result is a rich engagement with the Letter to the Colossians and an encouragement to look again at our own Christian communities

Exploring Colossians: Living the New Reality Roy R. Jeal, 2024-11-22

In this comprehensive sociorhetorical interpretation of Colossians Roy R Jeal explores the letter's portrayal of the grand vision that extends from the realm of God before the creation of the cosmos to the new reality and new culture of the life of fullness in Christ The commentary analyzes the pictures the text evokes in the human visual imagination identifies the persuasive modes of discourse in the letter and evaluates the range of textures that

interweave to produce the dynamic rhetorical argument of Colossians Demands to conform to empty deceitful philosophy human tradition and the elements of the world rather than to Christ are irrelevant for believers who have been transferred from darkness to the light of the Son of God s kingdom The rhetoric of the letter moves believers to ideologies of living in the body of Christ where orderly behavior guided by love contrasts with the chaotic self indulgent divisive uncertainties of Mediterranean existence

Reality, Grief, Hope Walter Brueggemann,2014-02-21 Walter Brueggemann is one of the most highly regarded Old Testament scholars of our time talk show host Krista Tippett has even called him a kind of theological rock star In this new book Brueggemann incisively probes our society in crisis from the ground up Pointing out striking correlations between the catastrophe of 9 11 and the destruction of ancient Jerusalem Brueggemann shows how the prophetic biblical response to that crisis was truth telling in the face of ideology grief in the face of denial and hope in the face of despair He argues that the same prophetic responses are urgently required from us now if we are to escape the deathliness of denial and despair Brueggemann s Reality Grief Hope boldly confronts the dominant forces of our time taking on principalities and powers that vie for our souls and calls the church to courageous action

The Reality of KGE DNA and Word DNA Rev. Dr. Stephen Ireri,2019-11-22 In this short passage I will try to briefly reveal my personal revelation which is not new It is open in the Bible but it has never been made simple and clear because it does not open the New Testament the way the first creation story at the beginning of Genesis in the Old Testament does The second creation story found in John 1 1 is hidden because it appears in the fourth Gospel of the New Testament In fact if the gospel of John was the first in the list of the books of New Testament it would have been clear and open to introduce the second creation story This kind of introduction would have opened the dark mind of human beings to make the connection that the New Testament was ushering in a new paradigm shift with the second creation story But because time will not allow me to go to into very much detail and because it is known where the second creation is hidden let

us see how we can connect with it and come to see how it fits as the second creation story
