

A woman with blonde hair, wearing a light-colored, off-the-shoulder dress with puffed sleeves and a full, dark red skirt. She is also wearing a matching red bonnet with a large flower and a pearl necklace. She is standing on a cobblestone street in front of a row of brick buildings with white window frames. The scene is set in a historical, Victorian-style environment.

Reason And Romance:

Reason and Romance (The Jane Austen Series) Debra White Smith, 2018-06-05 Smith shows her expertise with Jane Austen's work. A fun and well-crafted romance through and through. RT Book Reviews on Reason and Romance. Reason and Romance: A Contemporary Retelling of Sense and Sensibility. Sisters Elaina and Anna Woods find themselves caught up in whirlwind romances. But when both are confronted with heartbreaking revelations, can their bond withstand the strain as they hold out for happily ever after. *Reason and Romance* Terrance Layhew, 2022-05-03 A serious author George Austen believes romance is a worthless genre until he's challenged to write one of his own by a rival author. Reason and Romance follows George along his way as he faces the questions of what love means and the people it's meant to be shared with. Enjoy wit, humor, and discover the true meaning of romance. Join George as he is challenged with the question: Is romance more than just a genre? Reason and Romance is for anyone looking for a romance novel that transcends the stereotypical title. George's pursuit to outdo his rival brings a refreshing take to the very genre George thinks is worthless. This contemporary tale finds a way to weave love, determination, and wit into one great package promising you an experience that will feel new and special.

Reason and Romance Jenn Young, 2015-02-20 Being stuck in the godforsaken desert is Adrian Blake's worst nightmare come true. Senior year is all about making fun memories. It's not about starting over at a new school and navigating a new Brady Bunch family. It's really not about living with a sexy arrogant would-be stepbrother who knows how to push her buttons. Alex Montgomery is the very definition of a player. The only thing he commits to is a one-night stand. He's exactly the kind of guy she hates. When she sleeps with him, it's the biggest mistake of her life. Now she can't stop thinking about him. Not at school. Not at home. Sometimes the best mistakes are the ones that you make over and over again.

Philosophy of Sex and Love Patricia Marino, 2019-03-13 Writing for non-specialists and students as well as for fellow philosophers, this book explores some basic issues surrounding sex and love in today's world: among them, consent, objectification, non-monogamy, racial stereotyping, and the need to reconcile contemporary expectations about gender equality with our beliefs about how love works. Author Patricia Marino argues that we cannot fully understand these issues by focusing only on individual desires and choices. Instead, we need to examine the social contexts within which choices are made and acquire their meanings. That perspective she argues is especially needed today when the values of individualism, self-expression, and self-interest permeate our lives. Marino asks how we can fit these values, which govern so many areas of contemporary life, with the generosity, caring, and selflessness we expect in love and sex. **Key Features of Philosophy of Sex and Love** An Opinionated Introduction Offers a contemporary, problems-based approach to the subject, helping readers better understand and address current issues and controversial questions. Includes coverage of sex and love as they intersect with topics like disability, race, medicine, and economics. Considers not only the ethical but also the broadly social and political dimensions of sex and love. Includes a helpful introduction and conclusion in each chapter and is written throughout in a

clear and straightforward style with examples and signposts to help guide the student and general reader A comprehensive and up to date bibliography provides a valuable tool for anyone s further research **Women and Romance** Susan Ostrov Weisser,2001-07 Weisser English Adelphi U writes that her anthology is for anyone who is interested in understanding the conflicted but powerful female urge to experience the pleasure and endure the pain of romantic love In particular she explores the collision of pervasive media images of romance with feminist values of independence and self assertion Several dozen historic and contemporary works of criticism personal essays and letters by feminist and anti feminist thinkers consider changing images of romantic love and whether romance fundamentally weakens or empowers women Contributors include Jean Jacques Rousseau Charlotte Bronte Karen Horney Simone de Beauvoir Rita Mae Brown bell hooks Vivian Gornick and Carolyn Heilbrun c Book News Inc **The Annotated Arch** Carol Strickland,Amy Handy,2001-04-11 A crash course in the history of architecture **Love, Reason and Morality** Katrien Schaubroeck,Esther Kroeker,2016-07-28 This book brings together new essays that explore the connection between love and reasons The observation that considerations of love carry significant weight in the deliberative process opens up new perspectives in the classic discussion about practical reasons and gives rise to many interesting questions about the nature of love s reasons about their source and legitimacy about their relation to moral and epistemic reasons and about the extent to which love is sensitive to reasons The contributors to this volume orient questions related to love within the broader context of the contemporary discussion on practical reasons and move forward the conversation about the normative dimensions of love Love Reason and Morality will be of interest to philosophers working on issues of normativity meta ethics and moral psychology and especially those interested in the source of practical reasons and the role of attachments in practical deliberation **Sex, Love, and Romance in the Mass Media** Mary-Lou Galician,2013-11-05 Volume offers a critical examination of the portrayals of relationships in the various media and debunks the myths perpetuated there For courses in media criticism media literacy mass communication interpersonal communication **Kingship and Love in Scottish Poetry, 1424-1540** Joanna Martin,2016-04-22 Looking at late medieval Scottish poetic narratives which incorporate exploration of the amorousness of kings this study places these poems in the context of Scotland s repeated experience of minority kings and a consequent instability in governance The focus of this study is the presence of amatory discourses in poetry of a political or advisory nature written in Scotland between the early fifteenth and the mid sixteenth century Joanna Martin offers new readings of the works of major figures in the Scottish literature of the period including Robert Henryson William Dunbar and Sir David Lyndsay At the same time she provides new perspectives on anonymous texts among them The Thre Prestis of Peblis and King Hart and on the works of less well known writers such as John Bellenden and William Stewart which are crucial to our understanding of the literary culture north of the Border during the period under discussion **Novel and Romance 1700-1800 (Routledge Revivals)** Ioan Williams,2010-11-30 The documents collected in this volume first published in 1970 trace the development of novel criticism

during one of the most formative periods in the history of fiction from 1700 1800 The material includes prefaces to collections translations and original novels essays written for journals modelled on the Spectator passages taken from miscellanies and from books written primarily for some purpose unconnected with the novel reviews from the monthly reviews and introductions to the collected works of certain authors This volume covers 100 years of criticism and creative writing and the materials are arranged chronologically Each of the documents is headed by an Introductory Note and the Editor has provided an important historical introduction Novel and Romance Hubert McDermott,1989-06-18 McDermott argues that the novels of the 18th century should be seen as part of an age old European tradition going back to Homer rather than as a unique English event He examines European fictional narratives and romance and their influence on authors such as Richardson and Fielding Yes, I Love You: Expressions of Emotion, Attachment, Love, and Romance Ranjot Singh Chahal,2023-07-26 In Yes I Love You Expressions of Emotion Attachment Love and Romance embark on a profound journey through the intricacies of love and human connection From the enchanting inception of love s spark and the exhilaration of first glances to the profound vulnerability that opens hearts and cements trust this captivating book delves into the depths of romance and attachment As love blossoms readers will explore the symphony of emotions that come with falling in love and navigating the highs and lows of a shared journey With a focus on cherishing the little things and weathering life s storms together the book highlights the power of forgiveness and the beauty of creating lasting memories Love Knows No Bounds celebrates the everlasting nature of love and its enduring legacy transcending distance and time Through heartfelt anecdotes and timeless wisdom this book is a heartfelt tribute to the immeasurable power of love and the profound joy of building a future together **Passion and Criminality** Louis Proal,1905 **Stand Firm** Paul Gould,Travis Dickinson,Keith Loftin,2018-11-01 Stand Firm Apologetics and the Brilliance of the Gospel argues that the gospel satisfies both of these needs It is true and rational but it is also inherently attractive and provides meaning and purpose In short the gospel is brilliant **Ideologies of History in the Spanish Golden Age** Anthony J. Cascardi,2010-11-01 Fortune's Faces Daniel Heller-Roazen,2004-12-01 Arguably the single most influential literary work of the European Middle Ages the Roman de la Rose of Guillaume de Lorris and Jean de Meun has traditionally posed a number of difficulties to modern critics who have viewed its many interruptions and philosophical discussions as signs of a lack of formal organization and a characteristically medieval predilection for encyclopedic summation In Fortune s Faces Daniel Heller Roazen calls into question these assessments offering a new and compelling interpretation of the romance as a carefully constructed and far reaching exploration of the place of fortune chance and contingency in literary writing Situating the Romance of the Rose at the intersection of medieval literature and philosophy Heller Roazen shows how the thirteenth century work invokes and radicalizes two classical and medieval traditions of reflection on language and contingency that of the Proven al French and Italian love poets who sought to compose their verses of pure nothing in a language Dante defined as without grammar and

that of Aristotle's discussion of future contingents as it was received and refined in the logic physics theology and epistemology of Boethius Abelard Albert the Great and Thomas Aquinas Through a close analysis of the poetic text and a detailed reconstruction of the logical and metaphysical concept of contingency Fortune's Faces charts the transformations that literary structures such as subjectivity autobiography prosopopoeia allegory and self reference undergo in a work that defines itself as radically contingent Considered in its full poetic and philosophical dimensions the Romance of the Rose thus acquires an altogether new significance in the history of literature it appears as a work that incessantly explores its own capacity to be other than it is

Mediation and Love: A Study of the Medieval Go-Between in Key Romance and Near-Eastern Texts Leyla Rouhi, 1999-02-23 This study offers a typology of the go between across key texts from antiquity and several medieval literary traditions analyzing the role of the third party in the poetics of love The work provides the indispensable context for the study of the significant transformations undergone by the go between Legal and scientific sources are taken into account alongside Latin French and English literary works and literature of the medieval Islamic period for the critique of differences and intertextual links which inform the conception of the go between The case of the Medieval Spanish go between is given a special attention due to the figure's complex relationship with diverse traditions The range covered in the work provides a comprehensive view of the figure's trajectory and representation in each text The

Ladies' Cabinet of Fashion, Music, and Romance Margaret De Courcy, Beatrice De Courcy, 1832 An illustrated women's magazine includes extracts from novels short stories reviews aphorisms songs philosophical discussions and detailed descriptions of the latest clothing fashions from London and Paris

A Female Poetics of Empire Julia Kuehn, 2013-10-30 Many well known male writers produced fictions about colonial spaces and discussed the advantages of realism over romance and vice versa in the art of fiction debate of the 1880s but how did female writers contribute to colonial fiction This volume links fictional non fictional and pictorial representations of a colonial otherness with the late nineteenth century artistic concerns about representational conventions and possibilities The author explores these texts and images through the postcolonial framework of exoticism arguing that the epistemological dilemma of a self encountering an other results in the interrelated predicament to find poetic modalities mimetic realistic and documentary on the one hand romantic fantastic and picturesque on the other that befit an exotic representation Thus women writers did not only participate in the making of colonial fictions but also in the late nineteenth century artistic debate about the nature of fiction This book maps the epistemological concerns of exoticism and of difference self and other home and away familiarity and strangeness onto the representational modes of realism and romance The author focuses exclusively on female novelists travel writers and painters of the turn of the century exotic and especially on neglected authors of academically under researched genres such as the bestselling novel and the travelogue

Discourse Processes between Reason and Emotion Patrizia Anesa, Aurora Fragonara, 2021-05-08 This book addresses different forms of discourse by analysing the emergence of power dynamics in

communication and their importance in shaping the production and reception of messages The chapters focus on specific cognitive aspects such as the verbal expression of reasoning or emotions as well as on linguistic and discursive processes The interaction between reasoning feelings and emotions is described in relation to several fields of discourse where power dynamics may emerge and includes among others political media and academic discourse This volume aims to include representative instances of this heterogeneity and is deeply rooted both theoretically and methodologically in the acknowledgment that the investigation of the complex interaction between reason and emotion in discursive productions cannot be exempt from the adoption of a multi disciplinary perspective By providing a critical reflection of their methodological decisions and describing the implications of their research projects the contributors offer insights which are relevant for students researchers and practitioners operating in the broad field of discourse studies
