Grades K 3 Illustrated Good Year Books 288 pages **What Your Second Grader Needs to Know** E.D. Hirsch,
Jr.,2009-07-29 From the Introduction What kind of knowledge and skills can your child be expected to learn in second grade
at school How can you help your child at home These are questions that we try to answer in this book It presents the sort of
knowledge and skills in literature reading and writing history and geography visual arts music mathematics and science that
should be at the core of a challenging second grade education Because children and localities differ greatly across this big
diverse country so do second grade classrooms But all communities including classrooms require some common ground for
communication and learning In this book we present the specific shared knowledge that hundreds of parents and teachers
across the nation have agreed upon for American second graders This core is not a comprehensive prescription for
everything that every second grader needs to know Such a complete prescription would be rigid and undesirable But the
book does offer a solid common ground that will enable young students to become active successful learners in their
classroom community and later in the larger communities we live in town state nation and world BONUS This edition
includes an excerpt from What Your Third Grader Needs to Know **The Publishers Weekly** ,1983
