

REBEL BISHOP

AUGUSTIN VEROT
FLORIDA'S CIVIL WAR PRELATE

MICHAEL GANNON

Rebel Bishop Augustin Verot Floridas Civil War Prelate

Y Pai

Rebel Bishop Augustin Verot Floridas Civil War Prelate:

Rebel Bishop Michael Gannon, 1997 Definitive sprightly well written and scholarly The author has succeeded in bringing the most famous Catholic cleric of the Confederacy to life Florida Historical Quarterly Here is a vibrant and unconventional bishop with arresting things to say on issues that are still alive in the American Church He has had the good fortune to have as his biographer a man who is at the same time a careful scholar and a writer with a keen sensitivity for the English language Commonweal Rebel Bishop is a welcome contribution to the history of Catholicism in the South Journal of Southern History First published in 1964 Rebel Bishop by award winning historian Michael Gannon is the biography of a passionately outspoken and controversial figure a man who found himself at the intersection of three fascinating histories that of a nation torn by Civil War that of the Catholic Church during the First Vatican Council and that of Florida in the mid 1800s Augustin Verot was the Church s enfant terrible a man as contradictory as he was controversial As the Church s first prelate in Florida 1858 1876 he preached vehemently against the abuse of individual slaves and on behalf of slave rights but was nevertheless determined to use Church teachings and his pulpit to defend slavery as an institution A vocal champion of the Rebels cause against the Yankees he nevertheless took his priests in the winter of 1863 to the notorious prison camp at Andersonville Georgia to treat the tens of thousands of Union soldiers held there In this lively biography Gannon also explores Verot s memorable participation in debates of the First Vatican Council where he was known for his trenchant interventions Singularly Verot argued in vain for the vindication of Galileo who was condemned by the Church in the 17th century and for more liberal attitudes toward scientific progress generally He was moreover staunchly opposed to the newly proposed doctrine of papal infallibility and urged ecumenical reconciliations with Protestant Christians Now available for the first time in paperback Rebel Bishop is the clear eyed and compelling story of Augustin Verot and his impact at a critical juncture of the histories of Florida the Catholic Church and the Civil War Michael Gannon is Distinguished Service Professor of History at the University of Florida He is author of The Cross in the Sand The Early Catholic Church in Florida 1513 1870 UPF 1965 1983 Operation Drumbeat 1990 the novel Secret Missions 1994 and the best selling Florida A Short History UPF 1993 and The New History of Florida UPF 1996

St. Augustine and the Civil War Robert Redd, 2014-02-11 When Florida seceded from the Union in 1861 St Augustine followed much of the South and widely supported the Confederacy Many residents rushed to join the Confederate army Union forces however quickly seized the lightly protected town and used it as a rest area for battle weary troops Seven Union regiments called the city home during the war While no major engagement took place in St Augustine the city is filled with Civil War history from supporting the Confederacy to accepting Union generals as respected residents Join author Robert Redd as he details St Augustine s rich history during the Civil War and in the postwar years

American Religious Leaders Timothy L. Hall, 2014-05-14 Profiles the lives and achievements of more than 270 spiritual leaders arranged alphabetically who made major contributions to the history of American religious life

Fathers

on the Frontier Michael Pasquier,2010-01-29 In the late eighteenth century French migr priests fled the religious turmoil of the French Revolution and found themselves leading a new wave of Roman Catholic missionaries in the United States Fathers on the Frontier explores the diverse ways these missionary priests guided the development of the early American church in Maryland Kentucky Louisiana and other pockets of Catholic settlement throughout much of the trans Appalachian West Over the course of their evangelistic endeavor this relatively small group of priests introduced Gallican ultramontane and missionary principles to a nascent institutional church prior to the immigration of millions of European Catholics in the nineteenth century As author Michael Pasquier shows this transformation of American Catholicism did not come easily Several generations of French priests struggled to reconcile their romantic expectations of missionary life with their actual experiences as servants of a foreign church scattered throughout a frontier region with limited access to friends and family members still in France As they became more accustomed to the lifeways of the American South and West French missionaries expressed anxiety about apparent discrepancies between how they were taught to practice the priesthood in French seminaries and what the Holy See expected them to achieve as representatives of a universal missionary church At no point did French missionaries engage more directly in distinctively American affairs than in the religious debates surrounding slavery secession and civil war These issues Pasquier argues compelled even the most politically aloof missionaries to step out of the shadow of Rome and stake their church on the side of the Confederacy In so doing they set in motion a strain of Catholicism more amenable to Southern concepts of social conservatism paternalism and white supremacy and strikingly different from the liberal progressive strain that historians have usually highlighted Focusing on the collective thoughts feelings and actions of priests who found themselves caught between the formal canonical standards of the church and the informal experiences of missionaries in American culture Fathers on the Frontier illuminates the historical intersection of American French and Roman interests in the United States Historical Dictionary of the Civil War Terry L. Jones,2011-07-15 The Civil War was the most traumatic event in American history pitting Americans against one another rending the national fabric leaving death and devastation in its wake and instilling an anger that has not entirely dissipated even to this day 150 years later This updated and expanded two volume second edition of the Historical Dictionary of the Civil War relates the history of this war through a chronology an introductory essay an extensive bibliography and hundreds of cross referenced dictionary entries on persons places events institutions battles and campaigns This book is an excellent access point for students researchers and anyone wanting to know more about the Civil War **Heaven's Soldiers** Frank Marotti,2013-02-04 This book examines the community of free African Americans who lived in East Florida in the four decades leading up to the Civil War *The Cana Sanctuary* Frank Marotti,2012-04-05 Uses the collective testimony from more than two hundred Patriot War claims previously believed to have been destroyed to offer insight into the lesser known Patriot War of 1812 and to constitute an intellectual history of everyday people caught in the path of an expanding American

empire In the late seventeenth century a group of about a dozen escaped African slaves from the English colony of Carolina reached the Spanish settlement of St Augustine In a diplomatic bid for sanctuary to avoid extradition and punishment they requested the sacrament of Catholic baptism from the Spanish Catholic Church Their negotiations brought about their baptism and with it their liberation The Cana Sanctuary focuses on what author Frank Marotti terms folk diplomacy political actions conducted by marginalized non state sectors of society in this instance by formerly enslaved African Americans in antebellum East Florida The book explores the unexpected transformations that occurred in seventeenth and eighteenth century St Augustine as more and more ex slaves arrived to find their previously disregarded civil rights upheld under sacred codes by an international nongovernmental authoritative organization With the Catholic Church acting as an equalizing empowering force for escaped African slaves the Spanish religious sanctuary policy became part of popular historical consciousness in East Florida As such it allowed for continual confrontations between the law of the Church and the law of the South Tensions like these survived ultimately lending themselves to an Afro Catholicism sentiment that offered support for antislavery arguments

American Civil War Spencer C. Tucker, 2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction The Civil War was undoubtedly the most important and seminal event in 19th century American history Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative states rights versus federalism freedom versus slavery the role of the military establishment the extent of presidential powers and individual rights versus collective rights Many of these dilemmas continue to shape modern society and politics This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes important figures both civilian and military weapons government relations with Native Americans and a plethora of social political cultural military and economic developments The entries also address the many events that led to the conflict the international diplomacy of the war the rise of the Republican Party and the growing crisis and stalemate in American politics slavery and its impact on the nation as a whole the secession crisis the emergence of the total war concept and the complex challenges of the aftermath of the conflict

Jefferson Davis, Napoleonic France, and the Nature of Confederate Ideology, 1815-1870 Jeffrey Zengrowski, 2020-01-06 In this highly original study of Confederate ideology and politics Jeffrey Zengrowski suggests that Confederate president Jefferson Davis and his supporters saw Bonapartist France as a model for the Confederate States of America They viewed themselves as struggling not so much for the preservation of slavery but for antebellum Democratic ideals of equality and white supremacy The faction dominated the Confederate government and deemed Republicans a coalition controlled by pro British abolitionists championing inequality among whites Like Napoleon I and Napoleon III pro Davis Confederates desired

to build an industrial nation state capable of waging Napoleonic style warfare with large conscripted armies States rights they believed should not preclude the national government from exercising power Anglophile anti Davis Confederates in contrast advocated inequality among whites favored radical states rights and supported slavery in the abstract theories that were dismissive of white supremacy Having opposed pro Davis Democrats before the war they preferred decentralized guerrilla warfare to Napoleonic campaigns and hoped for support from Britain The Confederacy they avowed would willingly become a de facto British agricultural colony upon achieving independence Pro Davis Confederates wanted the Confederacy to become an ally of France and protector of sympathetic northern states Zvengrowski traces the origins of the pro Davis Confederate ideology to Jeffersonian Democrats and their faction of War Hawks who lost power on the national level in the 1820s but regained it during Davis term as secretary of war Davis used this position to cultivate friendly relations with France and later warned northerners that the South would secede if Republicans captured the White House When Lincoln won the 1860 election Davis endorsed secession The ideological heirs of the pro British faction soon came to loathe Davis for antagonizing Britain and for offering to accept gradual emancipation in exchange for direct assistance from French soldiers in Mexico Zvengrowski's important new interpretation of Confederate ideology situates the Civil War in a global context of imperial competition It also shows how anti Davis ex Confederates came to dominate the postwar South and obscure the true nature of Confederate ideology Furthermore it updates the biographies of familiar characters John C Calhoun who befriended Bonapartist officers Davis who was as much a Francophile as his namesake Thomas Jefferson and Robert E Lee who as West Point's superintendent mentored a grand nephew of Napoleon I

Irish Catholic Writers and the Invention of the American South Bryan Giemza, 2013-07-08 In this comprehensive study Bryan Giemza retrieves a missing chapter of Irish Catholic heritage by canvassing the literature of American Irish writers from the U S South Beginning with the first Irish American novel published in Winchester Virginia in 1817 Giemza investigates nineteenth century writers contending with the turbulence of their time writers influenced by both American and Irish revolutions dramatists and propagandists of the Civil War and memoirists of the Lost Cause Some familiar names arise in an Irish context including Joel Chandler Harris and Kate O Flaherty Chopin Giemza then turns to the works of twentieth century writers such as Margaret Mitchell John Kennedy Toole and Pat Conroy For each author Giemza traces the impact of Catholicism on their ethnic identity and their work Giemza draws on many never before seen documents including the correspondence of Cormac McCarthy interviews with members of the Irish community in Flannery O Connor's native Savannah Georgia and Giemza's own correspondence with writers such as Valerie Sayers and Anne Rice This lively history prompts a new understanding of how the Catholic Irish in the South helped invent a regional myth an enduring literature and a national image

Teaching in Black and White Barbara E. Mattick, 2022-12-13 *Teaching in Black and White* The Sisters of St Joseph in the American South discusses the work of the Sisters of St Joseph of the city of St Augustine who came to Florida from France in 1866 to teach newly freed blacks after the

Civil War and remain to this day It also tells the story of the Sisters of St Joseph of Georgia who sprang from the motherhouse in St Augustine A significant part of the book is a comparison of the Sisters of St Josephs work against that of their major rivals missionaries from the Protestant American Missionary Association Using letters the Sisters wrote back to their motherhouse in France the book provides rare glimpses into the personal and professional lives of these women religious in St Augustine and other parts of Florida and Georgia from the mid nineteenth century through the era of anti Catholicism in the early twentieth century South It carries the story through 1922 the end of the pioneer years of the Sisters of St Josephs work in Florida and the end of Sisters of St Joseph of Georgia s existence as a distinct order Through the lenses of Catholicism Florida and Southern history gender and race the book addresses the Protestant concept of domesticity and how it was reinforced in Catholic terms by women who seemingly defied the ideal It also relates the Sisters contributions in shaping life in the South during Reconstruction as they established elite academies and free schools created orphanages ministered to all during severe yellow fever epidemics and fought the specter of anti Catholicism as it crept across the rural regions of the country To date little has been written about Catholics in the South much less the women religious who served there This book helps to fill that gap Teaching in Black and White provides rare glimpses into the personal and professional lives of women religious in Florida and Georgia from the mid nineteenth to early twentieth century **Prodigal Nation**

Andrew R. Murphy, 2011-01-05 Original and wide ranging Murphy s discerning and important study is another reminder that America is the nation with the soul of a church Journal of American History A wide ranging and thoughtful meditation on how the theopolitical stories we Americans tell ourselves resonate with and sometimes even create the communities we inhabit This book deserves an honored place among the oeuvre of work by political scientists and historians on the jeremiad Politics and Religion A significant contribution to the historical account of the role of religion in American politics Perspectives on Politics Prodigal Nation is a careful account of how theologies function politically and deserves attention from political scientists political theologians American historians and others interested in the interface of religion and culture Religious Studies Review This highly original and wonderfully written analysis will be invaluable to anyone interested in the meaning of America Harry S Stout author of The New England Soul and Upon the Altar of the Nation A brilliant analysis of the American jeremiad Elegant powerful hopeful and wise Prodigal Nation is required reading for anyone who wishes to understand the fitful history of the American spirit James A Morone author of Hellfire Nation and The Democratic Wish Secular

Conversions Damon Mayrl, 2016-08-30 This book reveals how taken for granted political structures have shaped the fate of religion in Australian and American public life **Encyclopedia of the American Civil War: R-Z** David Stephen Heidler, 2000 Review The editors have compiled a comprehensive source that provides a first stop reference on broad areas or specific topics on the Civil War The contemporary photographs and lithographs bring the human element into the encyclopedia a type of reference known more for facts and figures than emotions The primary source documents volume

brings obscure resources together which will further illumine the period for students Outstanding Reference Sources
American Libraries May 2001 *Florida Heritage* ,1997 **The Florida Historical Quarterly** Florida Historical
Society,1997 *Historical Dictionary of the Civil War: M-Z* Terry L. Jones,2002 An expert in world conflicts Jones brings the
sounds and sights of battle to life detailing each charge the evolution of battle tactics and the importance of diplomacy for
both sides In these two volumes Terry Jones provides impressively clear coverage of the underlying economic causes the
progressively divisive political developments the outbreak of the war itself and finally the military campaigns year by year
and battle by battle He clarifies complex issues as he explains the various factions their interests and their hidden agendas
From the hopelessly impotent Congressional votes to the spilling of blood on the battlefield Jones makes this period of
American history compelling reading Extensively cross referenced includes a substantial bibliography illustrated with maps
and photos Amazon com **Tennessee Historical Quarterly** ,1997 *The Library Journal* ,1997 Includes beginning Sept
15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior
libraries 1954 May 1961 Also issued separately *Program of the ... Annual Meeting* Organization of American Historians.
Meeting,1998

Rebel Bishop Augustin Verot Floridas Civil War Prelate Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rebel Bishop Augustin Verot Floridas Civil War Prelate PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge

promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rebel Bishop Augustin Verot Floridas Civil War Prelate PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rebel Bishop Augustin Verot Floridas Civil War Prelate free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Rebel Bishop Augustin Verot Floridas Civil War Prelate Books

1. Where can I buy Rebel Bishop Augustin Verot Floridas Civil War Prelate books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
