Plautine Comedy Kathleen McCarthy, 2009-01-10 What pleasures did Plautus heroic tricksters provide their original audience How should we understand the compelling mix of rebellion and social conservatism that Plautus offers Through a close reading of four plays representing the full range of his work *Menaechmi* *Casina* *Persa* and *Captivi* Kathleen McCarthy develops an innovative model of Plautine comedy and its social effects She concentrates on how the plays are shaped by the interaction of two comic modes the socially conservative mode of naturalism and the potentially subversive mode of farce It is precisely this balance of the naturalistic and the farcical that allows everyone in the audience especially those well placed in the social hierarchy to identify both with and against the rebel to feel both the thrill of being a clever underdog and the complacency of being a securely ensconced authority figure Basing her interpretation on the workings of farce and

naturalism in Plautine comedy McCarthy finds a way to understand the plays patchwork literary style as well as their protean social effects Beyond this she raises important questions about popular literature and performance not only on ancient Roman stages but in cultures far from Plautus Rome How and why do people identify with the fictional figures of social subordinates How do stock characters happy endings and other conventions operate How does comedy simultaneously upset and uphold social hierarchies Scholars interested in Plautine theater will be rewarded by the detailed analyses of the plays while those more broadly interested in social and cultural history will find much that is useful in McCarthy s new way of grasping the elusive ideological effects of comedy The Huainanzi and Liu An's Claim to Moral Authority Griet

Bertland,2022-10-01 Living in a province dominated by powerful oligarchs Giambattista Vico 1668 1744 concluded that political philosophy should work to undermine aristocratic authority and prevent political devolution into feudalism Rejecting the possibility that the free market could successfully instill civil behavior he advocated for a strong central judicial system to work closely with citizens to promote stability and justice This study puts Vico in conversation with other Enlightenment thinkers such as Locke Rousseau and Mandeville to show how his alternative warrants serious consideration In contrast to scholars who read Vico s New Science as a defense of the imagination this study casts his account of poetic wisdom politically as an epistemological critique of the aristocratic mentality *Myth and Authority* argues that Vico s depiction of pagan religion is a refined attempt to explain how oligarchy maintains its stranglehold on power While Western civilization did not follow the path Vico suggested it may now be more relevant as concerns grow about the increasing influence of the wealthy on civil institutions **Full Spiritual Authority** Jefferson Netto,2005-12 I have been waiting for the day when someone I know who believes and submits to authority would write a book on Spiritual Authority Jefferson Netto has the unique ability to communicate the most complex principle of all Spiritual Authority in a very simple way I was inspired when I read Full Spiritual Authority I know that this book will inspire you also to live a life of excellence and fulfill the call of God upon your life In these last days God is looking for Christians men and women who will submit to His full Spiritual Authority and will be used to open the eyes of many who think submission to authority is another form of slavery The enemy submits to Jesus authority because Jesus submitted to the full authority of His Father The only time the enemy will submit to the Christ in us is when we come to the full knowledge of Spiritual Authority Jefferson Netto has given us sufficient information we need to come to the full knowledge of this important principle It is my prayer that every child of God who desires to be used by Him will have the opportunity to read this wonderful book Dr George Gunn Ghana Africa **A/AS Level History for AQA Royal Authority and the Angevin Kings, 1154-1216 Student Book** Martin Evans,2016-04-28 A new series of bespoke full coverage resources developed for the AQA 2015 A AS Level History Written for the AQA A AS Level History specifications for first teaching from 2015 this print Student Book covers the Royal Authority and the Angevin Kings 1154 1216 Depth component Completely matched to the new AQA specification this full colour Student Book provides valuable background information to contextualise the period of study Supporting students in developing their critical thinking research and written communication skills it also encourages them to make links between different time periods topics and historical themes *Official Report of Debates, House of Commons* Canada.
