Rebels At Rock Island The Story Of A Civ:

The Complete Story of Civilization Will Durant,2014-01-21 The Complete Story of Civilization by Will Durant represents the most comprehensive attempt in our times to embrace the vast panorama of man s history and culture This eleven volume set includes Volume One Our Oriental Heritage Volume Two The Life of Greece Volume Three Caesar and Christ Volume Four The Age of Faith Volume Five The Renaissance Volume Six The Reformation Volume Seven The Age of Reason Begins Volume Eight The Age of Louis XIV Volume Nine The Age of Voltaire Volume Ten Rousseau and Revolution Volume Eleven The Age of Napoleon **Military Record of Civilian Appointments in the United States Army** Guy Vernor Henry,1869 **Andersonvilles of the North** James Massie Gillispie,2008 Andersonvilles of the North by James M Gillispie represents the first broad study to argue that the image of Union prison officials as negligent and cruel to Confederate prisoners is severely flawed This study is not an attempt to whitewash Union prison policies or make light of Confederate prisoner mortality But once the careful reader disregards unreliable postwar polemics and focuses exclusively on the more reliable wartime records and documents from both Northern and Southern sources then a much different less negative picture of Northern prison life emerges While life in Northern prisons was difficult and potentially deadly no evidence exists of a conspiracy to neglect or mistreat Southern captives Confederate prisoners suffering and death were due to a number of factors but it would seem that Yankee apathy and malice were rarely among them **BOOK JACKET**

Hunt,2022-06-29 The fifth and final volume in the Colonels in Blue series this book covers Civil War Union colonels who commanded regiments of the U S Colored Troops the U S Regular Army the U S Marine Corps and the U S Sharpshooters Colonels who served as staff officers or with special units such as the U S Veteran Volunteer Infantry the U S Volunteer Infantry the Veteran Reserve Corps and various organizations previously undocumented are also included Brief biographical sketches cover each officer s Civil War service followed by pertinent details of their lives Photographs are provided for most many published for the first time Rosters of the colonels in each category include those promoted to higher ranks whose lives are documented in other works **Veterans North and South** Paul A. Cimballa,2015-07-14 Based largely on Civil War veterans own words this book documents how many of these men survived the extraordinary horrors and hardships of war with surprising resilience and went on to become productive members of their communities in their post war lives Nothing transforms dry boring history into fascinating and engaging stories like learning about long ago events through the words of those who lived them What was it like to witness and participate in the horrors of a war that lasted four years and claimed over half a million lives and then emerge as a survivor into a drastically changed world **Veterans North and South** The Transition from Soldier to Civilian after the American Civil War takes readers back to this unimaginable time through the words of Civil War soldiers who fought on both sides illuminating their profound life changing experiences during the war

and in the postbellum period The book covers the period from the surrender of the armies of the Confederacy to the return of the veterans to their homes It follows them through their readjustment to civilian life and to family life while addressing their ability and in some cases inability to become productive members of society By surveying Civil War veterans individual stories readers will gain an in depth understanding of these soldiers sacrifices and comprehend how these discrete experiences coalesced to form America s memory of this war as a nation The Fellers Called Him Bill (Book Iii) P. J.

Kearns,2012-10-22 The Fellers Called Him Bill is a story of the American Civil War by P J Kearns It is a thoroughly engaging account of the Great Rebellion following one young mans incredible journey through it The generously illustrated narrative is presented as a three volume set Book 1 Secession and the Outbreak of War Book 2 The Rebellion Intensifies Book 3 The Final Desperate Fighting and the Aftermath of War The story touches on the military social political and economic realities of the era while introducing the larger than life Americans who shaped history in the mid 19th century Loaded with fascinating anecdotes photos drawings and maps The Fellers Called Him Bill offers the reader a compelling narrative covering the most incredible period in American history For a student of American History the set of books would serve as an excellent source of material Portrait and Biographical Album of Rock Island County, Illinois ,1885 The Story of Civilization William

Tremmel,2013-12-03 This book presents the little studied story of the history and documents of the pardons passes paroles and promises of loyalty used by both North and South The words of the loyalty oaths required for passes paroles and pardons grew over time from a few simple lines to several paragraphs Conditions were added and pre qualifications modified This history provides insights into the politics culture and battlefield realities present during the conduct of the war History of the 33d Iowa Infantry Volunteer Regiment, 1863-6 Andrew F. Sperry,1999-01-01 As the regiment s fife and drum major responsible for sounding the duty calls that regulated a soldier s day Sperry was well situated to observe the inner workings of his unit His perceptive narrative of army life on the march and in camp captures the courage humor and sufferings of the rank and file Although he took pride in his regiment s accomplishments he unflinchingly reveals the hard side of war with vivid depictions of looting resistance to orders and extermination of Confederate guerrillas Sperry s memoir is made more valuable by the new introduction and detailed notes from the editors Their meticulous annotations include quotes from the diaries letters and reminiscences of other soldiers adding depth and detail to the account Jacket **Bibliographic Index** ,2002 **Dictionary of American History: Native to pyramid** ,2003
