Phelan, 2009-02-26 This book concerns the loving care that churches should exercise toward their pastors and elders The financial support of the ministry is a recurring theme in every congregation just as salaries and wages are recurring themes in every household Churches are to love and care for their God called men According to the Bible it is the pattern that the Lord ordained for His church In this book you are going to meet some very interesting people You are going to meet the soldier the vinedresser the shepherd the farmer some priestseven a cow an ox in that day All of these biblical characters will be used by the Apostle in a most powerful way to describe Gods men who serve His church so faithfully You will even meet the hireling I have had church members ask me what kind of lifestyle a church should provide for their pastor This book will hopefully answer that question as well as many others that deal with the relationship of churches and pastors This book will present a challenge to many Those who desire to follow this God ordained pattern will find this book very informative

Thompson, 2006-02-01 What is the ultimate purpose of pastoral ministry What emphases and priorities should take precedence In the day to day emphasis on various pastoral roles and pragmatic concerns what can sometimes get lost is the theological foundation for understanding pastoral ministry James Thompson is a New Testament scholar with a concern for relating biblical studies to practical ministry Here he does a careful study of several of Paul's epistles in order to see what Paul's vision and purpose were for his own ministry He finds that Paul's aim was an ethical transformation of the communities not just individuals with which he worked so that they would live lives worthy of the gospel until Christ's return Using this as a framework Thompson offers suggestions for practical application to contemporary ministry **Introducing Christian Ministry Leadership** William D.
