Southern and Central Africa: Vol 1 Amanze, James N.,Masango, Maake,2019-12-09 This book is a result of a joint conference which was held from 18th 22nd July 2017 under the theme Religion Citizenship and Development Southern African Perspectives The theme of the conference was adopted in order to underline the importance and significance of religion in the socio economic development of people in the world generally and in Southern and Central Africa in particular The papers in the book are divided into two volumes Volume one consists of papers which directly discuss religion and development in one form or another The second volume contains papers that discuss religion and other pertinent issues related to development The papers are grouped into sub themes for ease of reference These include Citizenship and Development Migration and Development Disability and Development Pentecostal Churches and Development and Religion and Society All in all despite a divergence of sub themes in volume two all point to issues to do with the role of religion in development in Southern and Central Africa today Another More Excellent Way Juan Sutton,2009-04 My report Another More Excellent Way reveals biblical truths never been told about God's specific instructions This they shall give This book explains what's discussed all throughout the Holy Bible in both Old and New Testaments but has never been taught in the

common Protestant Catholic or Jewish assembly in the Church Age I have reasoned with the Lord and am proposing that Another More Excellent Way will provide over 100 000 a month to every Church for all of the building repairs services and administration All of these things that be of God will be possible under the mission of 1 John 5 7 11 and the auspice of Exodus 30 15 The rich shall not give more and the poor shall not give less than half a shekel when they give an offering unto the LORD to make an atonement for your souls My purpose is to restore the truth concerning all of the financial support that God so required for His house This Half a Shekel Ministry Program Act will be distributed nationally administered and managed by the Church in a cooperative agreement under the guidelines that God established for His nation and for His people the chosen and the highly favored Hello I m Juan I have no bestsellers nor have I ever authored or even had published a single book I am not a senior pastor with a congregation of 10 000 plus Notwithstanding I am a member of the Body of Christ and I offer my report to the Church and State in this great nation I guarantee that you have never heard any teaching or preaching given at any church mass or synagogue on television or on radio about this they shall give as an offering unto the Lord in this unprecedented way **The Mighty Hand of God for Times Like These** Matt Buckles,Kendra Buckles Watson,2023-04-05

Do you ever wonder what the Bible means when referring to the mighty hand of God or how His hand would apply to your own life Matt Buckles and his daughter Kendra Watson both devoted believers weave biblical references to the hand of God with real life stories to ignite the faith of believers and to inspire nonbelievers to find the Lord They reveal how the hand of God is still at work showing the truth of what is in God s heart and how He keeps His promises to those who believe They also answer questions such as How can we make a spiritual connection between the biblical account of God s hand at work to His hand upon us today What can we learn from examples that seem to suggest we are trapped in a downward spiral of humanity How can we defend the historical Christian faith and oppose the progressive deadly version of it Fellow believers must unite to trust love and serve our Heavenly Father who seeks to work in each one of you as He has done in us By spreading the gospel of Jesus Christ and extending His kingdom through discipleship you ll be carrying out what God wants you to know and do *Faithfulness and Restoration* Timothy R. Escott,2023-12-06

The books of Ezra and Nehemiah are rarely taken seriously in Christian theological reflection To many modern readers the community restored after the Babylonian exile appears diminished legalistic and xenophobic What place do these books have in theology and practice today Timothy Escott charts a way forward for reading Ezra Nehemiah fruitfully as Christian Scripture By locating Ezra Nehemiah in the context of the canon and Christian theology and in conversation with interpreters old and new he argues that these books are best understood through a variety of Christian reading strategies Approaching the books figurally prophetically ethically and as part of a biblical story offers a mix of distinctive yet complementary perspectives Ezra Nehemiah portrays God s restorative work and God s people seeking to participate with him and live faithfully in the face of opposition and difficulty In this way Ezra Nehemiah is a rich resource for Christian life and faith today *Wiersbe Bible*
