Lassiter nothing is what it seems *Valmouth. The Princess Zoubaroff* Ronald Firbank,1929 Let Me Be the One Lori Foster,2025-04-01 She s more than the girl next door She s the one who got away When Callie McCallahan left Hoker Kentucky she thought it was for good Her parents moved the family away to pursue financial success Since then she s had some bumps in the road most recently the humiliation of a failed engagement When she inherits her uncle s farm in her old neighborhood it s the perfect do over With her social media skills she ll attract a whole new following and restart her career The only thing is she knows nothing about farming For Tanner Patrick Callie was the one who got away He crushed on her in high school but she barely knew he existed Ten years later she s back and now she lives next door Tanner keeps his head down and focuses on his family s tree farm But when he sees that Callie is in way over her head and looking pretty down to earth and happy Tanner finds her impossible to ignore When Callie stumbles through the woods and encounters her sexy chain saw wielding neighbor Callie definitely notices Tanner Could this be the do over each of them didn t know they needed Family Ties Book 1 Let Me Be the One **Heart in the Game** Lily Cahill,2016-10-03 Reggie Davis has already achieved everything he wants in life he s a Mountain State Mustang and that s as far as his dreams go It s best not to dream of much since he knows he s got one year left on campus before he returns to his mother s trailer in Texas That means he s got one year to party his hardest and play his best football But when an injury leaves him on the sidelines he turns to the smart sexy physical therapist who knows how to heal his body and his heart Megan Noble isn t looking for a relationship She s way too busy maintaining her GPA and applying for grad school in physical therapy Even if she were looking for love the hard partying Reggie Davis would be her last choice He s a football player and she s his physical therapist It goes against everything she s been taught She just wishes he wasn t so damn hot Luckily she can dampen the temptation by staying far far away from wise cracking fun loving Reggie But when she s assigned to help him recover from an injury Megan doesn t know how long she can deny the attraction between them With her future on the line Megan has to make a choice between what her head wants and what her heart needs Complete Plays Ronald Firbank,1994 Complementing Dalkey Archive s edition of Firbank s Complete Short Stories published in 1990 Complete Plays makes available for the first time in one volume this inimitable British writer s three excursions into drama The Mauve Tower 1904 a dream play reminiscent in language and setting of Oscar Wilde s Salome and the writings of the French symbolists A Disciple from the Country 1907 a one act comedy about a debutante who flirts with religion and sainthood in order to catch a husband and The Princess Zoubaroff 1920 a three act comedy about marriage religion and homosexual separatism The latter which has been produced in England occasionally since the 1950s is considered to be among Firbank s major works and yet it like the other two plays has not been generally available in this country until now The plays are filled with the wit and satire for which Firbank s novels are relished indeed Firbank s novels relied so heavily on dialogue that the distinction between them and his plays is minimal Consequently those who enjoy his novels and stories as well as those who enjoy the comic British theater tradition of Pinero

Wilde and Coward should welcome this collection Steven Moore who edited the Complete Short Stories has written an introduction placing the plays in the context of Firbank's life

AIDS in the Shadow of Biomedicine Isak Niehaus, 2018-12-15 The Bushbuckridge region of South Africa has one of the highest rates of HIV infection in the world Having first arrived in the area in the early 1990s the disease spread rapidly and by 2008 life expectancies had fallen by 12 years for men and 14 years for women Since 2005 public health facilities have increasingly offered free HAART highly active antiretroviral therapy treatment offering a degree of hope but uptake and adherence to the therapy has been sporadic and uneven Drawing on his extensive ethnographic research carried out in Bushbuckridge over the course of 25 years Isak Niehaus reveals how the AIDS pandemic has been experienced at the village level Most significantly he shows how local cultural practices and values have shaped responses to the epidemic For example while local attitudes towards death and misfortune have contributed to the stigma around AIDS kinship structures have also facilitated the adoption and care of AIDS orphans Such practices challenge us to rethink the role played by culture in understanding and treating sickness with Niehaus showing how an appreciation of local beliefs and customs is essential to any effective strategy of AIDS treatment Overturning many of our assumptions on disease prevention the book is essential reading for practitioners as well as researchers in global health anthropology sociology epidemiology and scholars interested in public health and administration in sub Saharan Africa
