Almost Yankees J. David Herman,2019-04-01 *Almost Yankees* is a poignant and nostalgic narrative of the lives and travails of Minor League Baseball focusing on the 1981 championship season of the New York Yankees Triple A farm club the Columbus Clippers That year was especially notable in the annals of baseball history as the year Major League Baseball went on strike in midseason When that happened the Clippers were suddenly the best team in baseball and found themselves the focus of national media attention Many of these Minor Leaguers sensed this was their last best chance to make an impression

and fulfill their dreams to one day reach the majors The Clippers raw recruits prospects and Minor League veterans responded to this opportunity by playing the greatest baseball of their lives on the greatest team most of them would ever belong to Then the strike ended leaving them to return to their ordinary aspirational lives and to be just as quickly forgotten Almost Yankees is the previously untold baseball story of a team and its players performing in the shadow of one of the sport's most famous teams and infamous owners Featuring interviews with more than thirty former players including Steve Balboni Dave Righetti Buck Showalter and Pat Tabler and dozens of other baseball and media figures this season's narrative chronicles success failure resilience and redemption as told by a special group of players with hopes and dreams of big league glory J David Herman who worshipped the team as an eleven year old tracked down his old heroes to learn their stories and to better understand his own The season proved to be a launching pad for some a final chance for others and the end of the dream for many others

then Reggie vowed to persevere his pride work ethic and talent would overcome Martin's nearly sociopathic hatred Gradually he would win over the fans then his teammates as the Yankees surged to the pennant And one magical autumn evening he became Mr October in a World Series performance for the ages He thought his travails were over until the next season when the insanity began again Becoming Mr October is a revelatory self portrait of a baseball icon at the height of his public fame and private anguish Filled with revealing anecdotes about the notorious Bronx Zoo Yankees of the late 1970s and bluntly honest portrayals of his teammates and competitors this is eye opening baseball history as can be told only by the man who lived it [Amazin'](#) Peter Golenbock,2016-04-05 An oral history of the New York Mets by the New York Times bestselling baseball writer of Bums and The Bronx Zoo From Tom Seaver to Gary Carter Ron Swoboda to Al Leiter from the team's inception to the current day the New York Mets road to success has been a rutted and furrowed path Now with the help of New York Times bestselling author Peter Golenbock the complete story of one of the most controversial teams in baseball history comes to life Told from the voices of the men who experienced it firsthand this compulsively readable account gives baseball fans the inside scoop on one of baseball's most popular teams This is the true story of a group of men who won the hearts and shattered the dreams of generations Utilizing dozens of personal interviews with players coaches fans and sportswriters Amazin takes readers on a journey from the Mets bumbling days as a new team in 1962 to their stunning World Championships in 1969 and 1986 right up through to today In time for the anniversary of the New York Mets Amazin is rich with unforgettable personalities and wondrous stories both funny and poignant **Jet**,1988-09-12 The weekly source of African American political and entertainment news **Jet**,1987-01-26 The weekly source of African American political and entertainment news **Jet**,1969-08-07 The weekly source of African American political and entertainment news
