Regional Economic Development The River Basin Approach In Mexico:

Regional Economic Development David Barkin,1970 **Regional Economic Development** David Barkin,Timothy King,1970-10-02 Economic research into regional planning in Mexico and the promotion of the economic development of developing areas by integrated river basin investment projects examines political aspects industrialization annual growth rate of gross national product population trends covers agricultural production and animal production the development of natural resources and includes an evaluation of government policies and a case study of the tepalcatepec project Maps references and statistical tables Selected Water Resources Abstracts ,1974 Selected Water Resources Abstracts ,1974 **Mexico** ,1975 **Process Management** Maria Pomffyova,2010-04-01 The content of the book has been structured into four technical research sections with total of 18 chapters written by well recognized researchers worldwide These sections are 1 process and performance management and their measurement methods 2 management of manufacturing processes with the aim to be quickly adaptable after real situation demands and their control 3 quality management information and communication systems their integration and risk management 4 management processes of healthcare and water construction and demolition waste problems and integration of environmental processes into management decisions **The Lords of Tetzco** Bradley Benton,2017-05-02 The book examines how the indigenous nobility of Tetzco navigated the tumult of Spanish conquest and early colonialism The Street Is Ours Shawn William Miller,2018-08-02 The streets of Rio de Janeiro have long been characterized as exuberant and exotic places for social commerce political expression and the production and dissemination of culture The Street is Ours examines the changing uses and meanings of Rio de Janeiro s streets and argues that the automobile by literally occupying much of the street s space and by introducing death and injury on a new scale significantly transformed the public commons Once viewed as a natural resource and a place of equitable access deep meaning and diverse functions the street has changed into a space of exclusion that prioritizes automotive movement Taking an environmental approach Shawn William Miller surveys the costs and failures of this spatial transformation and demonstrates how Rio s citizens have resisted the automobile s intrusions and in some cases even reversed the long trend of closing the street against its potential utilities **Letters and People of the Spanish Indies** James Lockhart,Enrique Otte,1976-03-26 This volume presents a selection of translated public and private letters written by Spanish officials merchants and ordinary settlers aiming to illuminate the panorama of sixteenth century Spanish American settler society and its genres of correspondence Letters written by Native Americans a few of whom at this time were beginning to practice European style letter writing are also included It is hoped that readers will feel the colorful humanity of the letter writers and also see the wide array of social types and functions during this era in the United States Southwest **Peopling for Profit in Imperial Brazil** José Juan Pérez Meléndez,2024-02-02 Peopling for Profit provides a comprehensive history of migration to nineteenth century imperial Brazil Rather than focus on Brazilian slavery or the mass

immigration of the end of the century Jos Juan Perez Melendez examines the orchestrated efforts of migrant recruitment transport to and settlement in post independence Brazil The book explores Brazil's connections to global colonization drives and migratory movements unveiling how the Brazilian Empire's engagement with privately run colonization models from overseas crucially informed the domestic sphere It further reveals that the rise of a for profit colonization model indelibly shaped Brazilian peopling processes and governance by creating a feedback loop between migration management and government formation Perez Melendez sheds new light on how directed migrations and the business of colonization shaped Brazilian demography as well as enduring social racial and class inequalities This title is part of the Flip it Open programme and may also be available Open Access Check our website Cambridge Core for details **A History of Chile 1808-2018**

William F. Sater, Simon Collier, 2022-10-27 As Chile has continued to grow and prosper in the twenty first century this new edition of the definitive history of the country brings the story of its political social and cultural development up to date It describes how Ricardo Lagos and Michelle Bachelet both highly educated Socialists modernized the country and integrated new interests into Chilean political life and how the billionaire Harvard trained economist Sebastian Piñera who succeeded Bachelet addressed the problems caused by the 2010 tsunami In the last twenty years Chile diversified its economy replaced a number of Pinochet's organizations with more inclusive institutions cultivated Chilean culture modernized its constitution and fomented reconciliation of the various political factions until economic crisis in early 2018 caused political chaos and occasionally violent public protest Based on new statistics to measure Chile's economic and social development this volume celebrates Chile's achievements and dissects its failures [Being the Heart of the World](#) Nino Vallen, 2023-09-30 Being the Heart of the World offers a timely reflection on the relationship between mobility and identity making in the Spanish colonial world It will be of value to historians of colonial Mexico and the Spanish empire **The Cristero Rebellion** Jean A.

Meyer, 2008-12-18 The Cristero movement is an essential part of the Mexican Revolution When in 1926 relations between Church and state old enemies and old partners eventually broke down when the churches closed and the liturgy was suspended Rome Washington and Mexico without ever losing their heads embarked upon a long game of chess These years were crucial because they saw the setting up of the contemporary political system The state established its omnipotence supported by a bureaucratic apparatus and a strong privileged class Just at the moment when the state thought that it was finally supreme at the moment at which it decided to take control of the Church the Cristero movement arose a spontaneous mass movement particularly of peasants unique in its spread its duration and its popular character For obvious reasons the existing literature has both denied its reality and slandered it **Latin America's Radical Left** Aldo Marchesi, 2018 This

book examines a generation of leftist militants who in the 1960s advocated revolutionary violence for social change in South America **Indian and Slave Royalists in the Age of Revolution** Marcela Echeverri, 2016-04-25 Royalist Indians and slaves in the northern Andes engaged with the ideas of the Age of Revolution 1780 1825 such as citizenship and freedom

Although generally ignored in recent revolution centered versions of the Latin American independence processes their story is an essential part of the history of the period In *Indian and Slave Royalists in the Age of Revolution* Marcela Echeverri draws a picture of the royalist region of Popayán modern day Colombia that reveals deep chronological layers and multiple social and spatial textures She uses royalism as a lens to rethink the temporal spatial and conceptual boundaries that conventionally structure historical narratives about the Age of Revolution Looking at royalism and liberal reform in the northern Andes she suggests that profound changes took place within the royalist territories These emerged as a result of the negotiation of the rights of local people Indians and slaves with the changing monarchical regime **The Struggle for**

Land Joe Foweraker, J. Foweraker, 2002-08-15 A regional political economy which makes its own contribution to the theory of the state **Black Saint of the Americas** Celia Cussen, 2014-10-13 In May 1962 as the struggle for civil rights heated up

in the United States and leaders of the Catholic Church prepared to meet for Vatican Council II Pope John XXIII named the first black saint of the Americas the Peruvian Martín de Porres 1579-1639 and designated him the patron of racial justice The son of a Spanish father and a former slave woman from Panamá Martín served a lifetime as the barber and nurse at the great Dominican monastery in Lima This book draws on visual representations of Martín and the testimony of his contemporaries to produce the first biography of this pious and industrious black man from the cosmopolitan capital of the Viceroyalty of Peru The book vividly chronicles the evolving interpretations of his legend and his miracles and traces the centuries long campaign to formally proclaim Martín de Porres a hero of universal Catholicism *Water In A Developing World* Albert

Utton, 2019-09-18 This book focuses on the questions of how best to manage water resources in the face of growing demand It explores various water management problems encountered by developing countries with an emphasis on institutional and human factors that affect economic growth Warfare and Shamanism in Amazonia Carlos Fausto, 2012-03-19 Warfare and

Shamanism in Amazonia is an ethnographic study of the Parakaná a little known indigenous people of Amazonia who inhabit the interfluvial region in the state of Pará Brazil This book analyzes the relationship between warfare and shamanism in Parakaná society from the late nineteenth century until the end of the twentieth century Based on the author's extensive fieldwork the book presents first hand ethnographic data collected among a generation still deeply involved in conflicts The result is an innovative work with a broad thematic and comparative scope **The Mexican Revolution's Wake** Sarah

Osten, 2018-02-22 A social and political history of Mexico's first political system after the Revolution that demonstrates the critical influence of regional socialist parties
