California Home Cooking Michele Jordan, 2011-10-11 Regional recipes include appetizers salsas soups breads egg dishes meat seafood desserts and beverages *The Food Section* Kimberly Wilmot Voss, 2014-04-24 Food blogs are everywhere today but for generations information and opinions about food were found in the food sections of newspapers in communities large and small Until the early 1970s these sections were housed in the women's pages of newspapers where women could hold an authoritative voice The food editors often a mix of trained journalist and home economist reported on everything from nutrition news to features on the new chef in town They wrote recipes and solicited ideas from readers The sections reflected the trends of the time and the cooks of the community The editors were local celebrities judging cooking contests and getting calls at home about how to prepare a Thanksgiving turkey They were consumer advocates and reporters for food safety and nutrition They helped make James Beard and Julia Child household names as the editors wrote about their television appearances and reviewed their cookbooks These food editors laid the foundation for the food community that Nora Ephron described in her classic 1968 essay *The Food Establishment* and eventually led to the food communities of today Included in the chapters are profiles of such food editors as Jane Nickerson Jeanne Voltz and Ruth Ellen Church who were unheralded pioneers in the field as well as Cecily Brownstone Poppy Cannon and Clementine Paddleford who are well known today an analysis of their work demonstrates changes in the country's culinary history The book concludes with a look at how the women's pages folded at the same time that home economics saw its field transformed and with thoughts about the foundation that these women laid for the food journalism of today *Savoring San Francisco* Carolyn Miller, Sharon Smith, 2005 San Francisco is a city of neighborhoods where fine restaurants are a part of everyday life *Savoring San Francisco* gathers recipes from 100 of the city's favorite eating places which range from boutique hotel dining rooms to tiny storefronts One third of the restaurants in this second edition are new to *Savoring San Francisco* as are over half of the recipes which come from nationally acclaimed chefs as well as strictly local culinary heroes The recipes range from simple ethnic offerings Mango Chicken to San Francisco classics Hangtown Fry and from elegant company dishes King Salmon with Dungeness Crab Fondue to Asian fusion cuisine Wok Roasted Mussels with Asian Aromatics and everything in between With photos and essays on the neighborhoods and special sections on artisan breads and cheeses favorite local prepared foods farmers markets and northern California ingredients like artichokes salmon and Dungeness crab this stylish cookbook brings to life one of the world's most exciting food cities Book jacket *Regional American Food Culture* Lucy M. Long, 2009-10-13 Regional American food culture still exists and is strongest in more rural homogenous areas of the country Regional foods are a major component of regional identities and Americans make a big deal about their home grown favorites The current food cultures of the major American regions northeast New England the Mid Atlantic the South the West the Midwest and subregions are illuminated here like never before Everyone knows something about the iconic fare of a region such as Soul

Food in the South and New England clam bakes but with this resource readers are able to delve wider and deeper into how Americans from Alaska to Hawaii to the Amish country of the Midwest to the Eastern Seaboard sustain themselves and what their food lifestyles are today The unique regional food cultures that have developed according to natural resources and population are increasingly affected by social and economic trends Increasingly mobile Americans generally have access to the same fast food and supermarket chain offerings read the same mass market food magazines and watch the cable food shows and younger generations may have less time to continue family food traditions such as baking the ethnic breads and desserts that their mothers did Regional American Food Culture discusses the various traditions within the context of a new millennium Narrative chapters describe the background of the regional food culture what the primary foods are how the food is cooked and by whom what the typical meals are how food is used in special occasions and diet and health issues in the regions A chronology resource guide selected bibliography and illustrations complement the text **The Oxford**

about the concept of terroir as it relates to wine this book expands the concept into cuisine and culture more broadly Bringing together stories of people farming cooking and eating the author focuses on a series of examples ranging from shagbark hickory nuts in Wisconsin to wines from northern California **Borders in East and West** Stefan Berger, Nobuya

Hashimoto,2022-09-13 How we define border studies is transforming from focussing on a line in the sand to the more complex notions of how constituting a border is practiced sustained and modified In the expansion of borders studies the areas explored across Europe and Asia have been numerous but the specific themes that arise through comparative case studies are novel when approach Europe and Asian borderlands Comparing the border experiences in East Asia and Europe in a number of thematic clusters ranging from economics tourism and food production to ethnicity migration and conquest Borders in East and West aims to decenter border studies from its current focus on the Americas and Europe **Making Slow Food Fast in California Cuisine** Victor W. Geraci,2017-03-02 This book follows the development of industrial agriculture in California and its influence on both regional and national eating habits Early California politicians and entrepreneurs envisioned agriculture as a solution to the food needs of the expanding industrial nation The state s climate geography vast expanses of land water and immigrant workforce when coupled with university research and governmental assistance provided a model for agribusiness In a short time the San Francisco Bay Area became a hub for guaranteeing Americans access to a consistent quantity of quality foods To this end California agribusiness played a major role in national food policies and subsequently produced a bifurcated California Cuisine that sustained both Slow and Fast Food proponents Problems arose as mid twentieth century social activists battled the unresponsiveness of government agencies to corporate greed food safety and environmental sustainability By utilizing multidisciplinary literature and oral histories the book illuminates a more balanced look at how a California Cuisine embraced Slow Food Made Fast **The SAGE International Encyclopedia of Travel and Tourism** Linda L. Lowry,2016-09 Taking a global and multidisciplinary approach The SAGE International Encyclopedia of Travel and Tourism examines the world travel and tourism industry which is expected to grow at an annual rate of four percent for the next decade **Cooking Lessons** Sherrie A. Inness,2001-08-07 Meatloaf fried chicken Jell O cake because foods are so very common we rarely think about them much in depth The authors of Cooking Lessons however believe that food is deserving of our critical scrutiny and that such analysis yields many important lessons about American society and its values This book explores the relationship between food and gender Contributors draw from diverse sources both contemporary and historical and look at women from various cultural backgrounds including Hispanic traditional southern White and African American Each chapter focuses on a certain food teasing out its cultural meanings and showing its effect on women s identity and lives For example food has often offered women a traditional way to gain power and influence in their households and larger communities For women without access to other forms of creative expression preparing a superior cake or batch of fried chicken was a traditional way to display their talent in an acceptable venue On the other hand foods and the stereotypes attached to them have also been used to keep women and men too from different races ethnicities and social classes in their place **The Oxford Companion to American Food and Drink** Andrew F. Smith,2007-05-01 Offering a panoramic view of the history and culture of food and drink in America with

fascinating entries on everything from the smell of asparagus to the history of White Castle and the origin of Bloody Marys to jambalaya the Oxford Companion to American Food and Drink provides a concise authoritative and exuberant look at this modern American obsession Ideal for the food scholar and food enthusiast alike it is equally appetizing for anyone fascinated by Americana capturing our culture and history through what we love most food Building on the highly praised and deliciously browseable two volume compendium the Oxford Encyclopedia of Food and Drink in America this new work serves up everything you could ever want to know about American consumables and their impact on popular culture and the culinary world Within its pages for example we learn that Lifesavers candy owes its success to the canny marketing idea of placing the original flavor mint next to cash registers at bars Patrons who bought them to mask the smell of alcohol on their breath before heading home soon found they were just as tasty sober and the company began producing other flavors Edited by Andrew Smith a writer and lecturer on culinary history the Companion serves up more than just trivia however including hundreds of entries on fast food celebrity chefs fish sandwiches regional and ethnic cuisine food science and historical food traditions It also dispels a few commonly held myths Veganism isn't simply the practice of a few hippies but is in fact wide spread among elite athletic circles Many of the top competitors in the Ironman and Ultramarathon events go even further avoiding all animal products by following a strictly vegan diet Anyone hungering to know what our nation has been cooking and eating for the last three centuries should own the Oxford Companion to American Food and Drink *Vegetarian Times*, 1994-11 To do what no other magazine does Deliver simple delicious food plus expert health and lifestyle information that's exclusively vegetarian but wrapped in a fresh stylish mainstream package that's inviting to all Because while vegetarians are a great vital passionate niche their healthy way of eating and the earth friendly values it inspires appeals to an increasingly large group of Americans VT's goal To embrace both Asian American Chronology Xiaojian Zhao, 2009-06-30 Key moments in Asian American history come alive in this concise and accessible chronology Understanding the history of Asians in America is key to understanding the development of America itself Asian American Chronology Chronologies of the American Mosaic presents the most influential events in Asian American history as well as key moments that have remained under the historical radar This in depth record covers events from the 18th century to the present day including the 2008 Olympic Games in Beijing Entries organized chronologically by category allow readers to trace the development of Asian peoples and culture in the United States over time including the role of Chinese labor in building railroads the importation of Filipino slaves labor strikes and civil rights issues Japanese American internment women's roles literature music politics and increased immigration in the mid 20th century In addition to these broad topics the book also treats individual events from the Rock Springs Massacre to the Gold Rush to the current prevalence of Japanese players in Major League Baseball Reel Food Anne L. Bower, 2012-08-06 Reel Food is the first book devoted to food as a vibrant and evocative element of film featuring original essays by major food studies scholars among them Carole Counihan and Michael Ashkenazi This collection

reads various films through their uses of food from major food films like Babette's Feast and Big Night to less obvious choices including The Godfather trilogy and The Matrix. The contributors draw attention to the various ways in which food is employed to make meaning in film. In some cases such as Soul Food and Tortilla Soup for example food is used to represent racial and ethnic identities. In other cases such as Chocolat and Like Water for Chocolate food plays a role in gender and sexual politics. And of course there is also discussion of the centrality of popcorn to the movie going experience. This book is a feast for scholars, foodies and cinema buffs. It will be of major interest to anyone working in popular culture, film studies and food studies at both the undergraduate and graduate level.

Cuisine and Culture Linda Civitello, 2011-03-29. *Cuisine and Culture* presents a multicultural and multiethnic approach that draws connections between major historical events and how and why these events affected and defined the culinary traditions of different societies. Witty and engaging, Civitello shows how history has shaped our diet and how food has affected history. Prehistoric societies are explored all the way to present day issues such as genetically modified foods and the rise of celebrity chefs. Civitello's humorous tone and deep knowledge are the perfect antidote to the usual scholarly and academic treatment of this universally important subject.

Inside the California Food Revolution Joyce Goldstein, 2013-09-06. In this authoritative and immensely readable insider's account, celebrated cookbook author and former chef Joyce Goldstein traces the development of California cuisine from its formative years in the 1970s to 2000 when farm to table foraging and fusion cooking had become part of the national vocabulary. Interviews with almost two hundred chefs, purveyors, artisans, winemakers and food writers bring to life an approach to cooking grounded in passion, bold innovation and a dedication to flavor first. Goldstein explains how the counterculture movement in the West gave rise to a restaurant culture characterized by open kitchens, women in leadership positions and a surprising number of chefs and artisanal food producers who lacked formal training. The new cuisine challenged the conventional kitchen hierarchy and French dominance in fine dining, leading to a more egalitarian and informal food scene. In weaving Goldstein's views on California food culture with profiles of those who played a part in its development from Alice Waters to Bill Niman to Wolfgang Puck, *Inside the California Food Revolution* demonstrates that while fresh produce and locally sourced ingredients are iconic in California, what transforms these elements into a unique cuisine is a distinctly Western culture of openness, creativity and collaboration. Engagingly written and full of captivating anecdotes, this book shows how the inspirations that emerged in California went on to transform the experience of eating throughout the United States and the world.

Edible Identities: Food as Cultural Heritage Ronda L. Brulotte, Michael A. Di Giovine, 2016-04-29. Food, its cultivation, preparation and communal consumption has long been considered a form of cultural heritage. A dynamic living product, food creates social bonds as it simultaneously marks off and maintains cultural difference. In bringing together anthropologists, historians and other scholars of food and heritage, this volume closely examines the ways in which the cultivation, preparation and consumption of food is used to create identity claims of cultural heritage on local, regional

national and international scales Contributors explore a range of themes including how food is used to mark insiders and outsiders within an ethnic group how the same food s meanings change within a particular society based on class gender or taste and how traditions are invented for the revitalization of a community during periods of cultural pressure Featuring case studies from Europe Asia and the Americas this timely volume also addresses the complex processes of classifying designating and valorizing food as terroir slow food or as intangible cultural heritage through UNESCO By effectively analyzing food and foodways through the perspectives of critical heritage studies this collection productively brings two overlapping but frequently separate theoretical frameworks into conversation **The Guide to Cooking Schools** ,2000
