Regional Policy:

Regional Analysis and Regional Policy William H. Miernyk, 1982 *Regional Policy* Ugo Fratesi, 2023-11-08 Regional policy is an essential in any government's toolkit for promoting socioeconomic prosperity. It comes in many forms and can be used to target the development of weak and stronger regions. This textbook provides comprehensive and systematic coverage of regional policy, dealing with core theories and looking at contemporary challenges in practice, addressing regional policy across the world. Structured in four parts, the book opens with an exploration of regional policy's characterisation, aims, and rationale. The second part is devoted to issues of implementation and the instruments available to policymakers for intervention. The third part addresses regional policy evaluation as well as statistics and modelling in policymaking. Finally, the book discusses how regional policy is applied in different contexts. Each chapter contains real-life examples of a regional policy topic in action and highlights supplementary topics for advanced readers. With its broad coverage of the subject, *Regional Policy: Theory and Practice* will prove a valuable resource for advanced students, researchers, and practitioners in regional policy, regional economics, economic geography, planning, and public policy.

Regional Policy John Friedmann, William Alonso, 2003-02-01 Revised edition of *Regional Development and Planning: A Reader*. Since 1964, when *Regional Development and Planning: A Reader* was first published, the book has become established as perhaps the most useful collection of source material in its field, and it has served as the basis of numerous courses in regional studies and economic development. Encouraged by this reception, its editors have prepared this revised edition, meant to replace the earlier work. The editors have searched the literature with care and selected those contributions that will give the student a firm understanding of the fundamentals and the recent developments of the subject, broadly defined. The first four parts of the book present readings on the concepts of space and development, broken down into sections on location and spatial structure, spatial systems in economic development and growth in subnational regions, the role of cities in national development, issues in regional planning. Part V consists of a bibliographical essay detailing the progress of a decade in regional development planning.

Regional Policy and Planning in Europe Paul Balchin, Ludek Sykora, Gregory Bull, 2002-06-01 *Regional Policy and Planning in Europe* explores the ways regional policy and planning systems across Europe have been influenced by economic and monetary union, the impending enlargement of the European Union, the devolution of administrative power from central government to regional authorities, the increased importance of environmental and urban issues. Presenting a comprehensive overview of the economic basis of integration, this book examines the evolution of various systems of government, planning, and forms of devolution.

European Integration, Regional Policy, and Growth Bernard Funck, Lodovico Pizzati, 2003 This publication contains a number of papers presented by leading academics, policy makers, and practitioners from existing and new EU member countries at a conference in Barcelona in October 2002. These papers discuss key issues regarding the effectiveness of attempts to reduce regional disparities with the EU and the implications of

current enlargement including the trade offs between promoting national growth and reducing relative disparities the role of growth poles the investment climate and labour market flexibility the role of the EU and regional policy overall Dilemmas in Regional Policy Antoni Kuklinski, Jan G. Nordic Co-operation Programme for Regional Development and Planning 2017-2020 Nordic Council of Ministers, 2017-04-07 The Nordic ministers for regional affairs hereby present a joint Nordic co operation programme that aims to lay the foundation for the evolved exchange of knowledge to provide examples of successful initiatives within priority policy areas and to strengthen joint efforts relating to regional policy in the Nordic Region Nordic co operation on regional policy has a long history of creating good opportunities for learning understanding and joint action This co operation is based on the insight that joint learning and solutions are key to achieving results together that contribute to the sustainable development of the individual regions within the Nordic Region as a whole Industrial and Regional Policies in an Enlarging EU David Bailey, Lisa De Propriis, 2014-10-20 After years of near disrepute in official circles Industrial Policy has made something of a comeback over the last few years and is now very much back on the agenda at national and EU levels driven by concerns over globalisation deindustrialisation unemployment and perceived poor growth in the EU Simultaneously the European Commission's Fourth Report on Economic and Social Cohesion has kicked off the debate over challenges to cohesion the shape of EU Cohesion policy beyond 2013 and how resources should be managed This debate will find added momentum with the imminent mid term review being launched by the Commission Discussions over the success or not of the Lisbon Agenda on going debates over cluster policies and recent developments in policy evaluation have also contributed to a burgeoning academic literature over the last eighteen months This edited volume is especially pertinent given such developments and pulls together a diverse range of contributions from leading authorities in the field to add to these debates and to illustrate connections between them This book was published as a special issue of Policy Studies

Regional Disparities in Small Countries Daniel Felsenstein, Boris A. Portnov, 2005-12-28 1 2 Daniel Felsenstein and Boris A Portnov 1 Department of Geography Hebrew University of Jerusalem Israel 2 Department of Natural Resources and Environmental Management University of Haifa Israel During the Candiot War of 1645 1669 the Ottoman Sultan Ibrahim I ordered his chief admiral to attack Malta Fearing imminent defeat by the superior Venetian forces stationed on the island the admiral decided to trick the sultan out of the idea As the story goes he placed a candle on his naval map allowing the wax to drip on the tiny island until it was completely covered Then he exclaimed in false surprise Malta Yok There is no Malta and convinced the sultan to sail his fleet to the Island of Crete instead Although Malta is not featured in this volume most of the countries it covers are of wax drip size Intuitively it may be expected that everything in small countries is diminutive distances population economies and even regional inequalities Thus at a symposium on The Challenge of Development convened in Israel in 1957 to mark the inauguration of a new building for the Department of Economics at the Hebrew University of Jerusalem the

Europeanisation and new patterns of governance in Ireland Nicholas Rees, Bríd Quinn, Bernadette Connaughton, 2013-07-19 To what extent did Europeanisation contribute to Ireland's transformation from poor relation to peer idol This book examines how Europeanisation affected Irish policy making and implementation and how Ireland maximised the policy opportunities arising from membership of the EU while preserving embedded patterns of political behaviour It focuses on the complex interplay of European domestic and global factors as the explanation for the changing character of the Celtic Tiger The authors demonstrate that although Europeanisation spurred significant institutional and policy change domestic forces filtered those consequences while global factors induced further adaptation By identifying and assessing the adaptational pressures in a range of policy areas the book establishes that in tandem with the European dimension domestic features and global developments were key determinants of change and harbingers of new patterns of governance

Regional Policy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Regional Policy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Regional Policy has opened up a world of possibilities. Downloading Regional Policy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Regional Policy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Regional Policy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Regional Policy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Regional Policy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Regional Policy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
