Regionalism And The South Selected Papers Of Rupert Vance:

Regionalism and the South Rupert Bayless Vance, 1982 Regionalism and the South Selected Papers of Rupert Vance

From Cotton Belt to Sunbelt Bruce J. Schulman, 1994 From Cotton Belt to Sunbelt investigates the effects of federal policy on the American South from 1938 until 1980 and charts the close relationship between federal efforts to reform the South and the evolution of activist government in the modern United States Decrying the South's economic backwardness and political conservatism the Roosevelt Administration launched a series of programs to reorder the Southern economy in the 1930s After 1950 however the social welfare state had been replaced by the national security state as the South's principal benefactor Bruce J Schulman contrasts the diminished role of national welfare initiatives in the postwar South with the expansion of military and defense related programs He analyzes the contributions of these growth oriented programs to the South's remarkable economic expansion to the development of American liberalism and to the excruciating limits of Sunbelt prosperity ultimately relating these developments to southern politics and race relations By linking the history of the South with the history of national public policy Schulman unites two issues that dominate the domestic history of postwar America the emergence of the Sunbelt and the expansion of federal power over the nation's economic and social life A forcefully argued work From Cotton Belt to Sunbelt originally published in 1991 Oxford University Press will be an important guide to students and scholars of federal policy and modern Southern history **Poverty Knowledge** Alice

O'Connor, 2024-11-01 Progressive era poverty warriors cast poverty in America as a problem of unemployment low wages labor exploitation and political disfranchisement In the 1990s policy specialists made dependency the issue and crafted incentives to get people off welfare Poverty Knowledge gives the first comprehensive historical account of the thinking behind these very different views of the poverty problem in a century spanning inquiry into the politics institutions ideologies and social science that shaped poverty research and policy Alice O Connor chronicles a transformation in the study of poverty from a reform minded inquiry into the political economy of industrial capitalism to a detached highly technical analysis of the demographic and behavioral characteristics of the poor Along the way she uncovers the origins of several controversial concepts including the culture of poverty and the underclass She shows how such notions emerged not only from trends within the social sciences but from the central preoccupations of twentieth century American liberalism economic growth the Cold War against communism the changing fortunes of the welfare state and the enduring racial divide The book details important changes in the politics and organization as well as the substance of poverty knowledge Tracing the genesis of a still thriving poverty research industry from its roots in the War on Poverty it demonstrates how research agendas were subsequently influenced by an emerging obsession with welfare reform Over the course of the twentieth century O Connor shows the study of poverty became more about altering individual behavior and less about addressing structural inequality The consequences of this steady narrowing of focus came to the fore in the 1990s when the nation's leading poverty experts

helped to end welfare as we know it O Connor shows just how far they had traveled from their field s original aims

Perspectives on the American South Merle Black, John S. Reed, 1984 Permeable Border John J. Bukowczyk, This text examines the history of the Great Lakes Basin in relation to its importance as a place of social economic and political interaction between the United States and Canada *Revolt of the Provinces* Robert L. Dorman, 2003-04-30 Regionalism emerged across America during the 1920s and 1930s as an artistic and intellectual revolt against postwar urban industrialization Robert Dorman tells the story of this movement through the works and careers of the writers artists historians **The Southern Way of Life** Charles Reagan Wilson, 2022-11-30 How does one begin to understand the idea of a distinctive southern way of life a concept as enduring as it is disputed In this examination of the American South in national and global contexts celebrated historian Charles Reagan Wilson assesses how diverse communities of southerners have sought to define the region s identity Surveying three centuries of southern regional consciousness across many genres disciplines and cultural strains Wilson considers and challenges prior presentations of the region advancing a vision of southern culture that has always been plural dynamic and complicated by race and class Structured in three parts The Southern Way of Life takes readers on a journey from the colonial era to the present from when complex ideas of southern civilization rooted in slaveholding and agrarianism dominated to the twenty first century rise of a modern multicultural southern living As Wilson shows there is no singular or essential South but rather a rich tapestry woven with contestations contingencies and change **They Live on The Land** Paul W. Terry, Verner M. Sims, 1993-02-28 Published originally in 1940 but never widely distributed this book provides an extraordinary detailed portrait of the social nuances of rural life in Gorgas Alabama The book is a snapshot of a way of life doomed to rapid extinction in the wake of World War II **One South** John Shelton Reed, 1982-05-01 If it can be said that there are many Souths wrote W J Cash in *The Mind of the South* the fact remains that there is also one South In the informal engaging essays brought together in *One South* John Shelton Reed focuses on the South s strong regional identity and on the persistence well into the last decades if the twentieth century of Southern cultural distinctiveness Reed argues that Southerners are similar in much the same way that members if an ethnic group are similar He discusses the South s shared cultural values ranging from serious examinations of Southern violence and regional identity to considerations of Southern humor country music and the emergence of a new Southern middle class epitomized by the family of former president Jimmy Carter Reed opens his volume with three essays dealing with the discipline of sociology and its relation to the South The first essay proposes ways that sociology can contribute to the mainstream of regional studies the second traces the history of sociological attention to the South in our century and the this suggests that the sociological way of thinking may be somewhat alien to well bred Southerners In the next section Reed looks at the question of group identity arguing in one essay *The Heart of Dixie* that the South is best defined by locating Southerners rather than by isolating a particular geographic region Reed then turns his attention to minority and fringe

groups within the South including in Shalom Y All Southern Jews A final section looks at some of the particular advantages and disadvantages of life in the New South today Reed s explorations into the region s culture reveal that Southerners are identifiable as a group less by obvious background characteristics education occupation rural or urban residence than by shared attitudes toward family and community religious beliefs and practices and violence and the private use of force the kind of things that customarily identify ethnic groups In this way One South demonstrates how history and the heritage of Southernness have for now triumphed over the disintegrating forces of geography and economics *Cultural Change and Persistence* W. Ascher, J. Heffron, 2010-12-12 This book is about the ways that traditional cultural practices either change or persist in the face of social and economic development whether the latter proceeds primarily from internal or external forces

Global America, 1915-2000 D. W. Meinig, 2006-09-01 This landmark book the concluding volume in a magisterial series presents the story of America s interwoven history and geography from 1915 to 2000 Discussing such developments as the automotive neotechnic and communications revolutions the world wars urban migration and regionalism D W Meinig offers unprecedented insights into the reshaping of the United States Meinig at his best he presents a masterly synthesis of the cultural complexity of America a compelling account of the dramatic but immensely complicated restructuring of its human geography during the twentieth century Graeme Wynn Journal of Historical Geography This work will shape the way many people view the United States for a long time to come Essential Choice This splendid work concludes the most ambitious writing project of any American geographer ever Global America meets and even exceeds the high standards set by the previous three volumes John C Hudson Northwestern University [The Shaping of America: A Geographical Perspective on 500 Years of History](#) D. W. Meinig, 2010-01-01 This landmark book the concluding volume of D W Meinig s magisterial series The Shaping of America presents the story of America s interwoven history and geography from 1915 to 2000 The author describes decades of enormous national growth and change in his characteristic engaging style and through more than seventy original maps he ingeniously depicts diverse twentieth century trends and developments The book addresses the expanding nation s progress in terms of the automotive revolution neotechnic evolution access to air travel growth of instantaneous forms of communication including telephones television and the Internet and such political events as World War II Meinig relates these developments to social and geographic trends among them patterns of urban migration regionalism metropolitanization the beginnings of the urban megalopolis shifts in ethnic and religious populations and on a more global scale transformations in America s connections with Europe Asia and Latin America A masterful synthesis of twentieth century history and geography this book offers unprecedented insights into the shaping and reshaping of the United States over the past century **Southern Heritage on Display** Celeste Ray, 2003-01-22 How ritualized public ceremonies affirm or challenge cultural identities associated with the American South W J Cash s 1941 observation that there are many Souths and many cultural traditions among them is certainly validated by this book Although the Civil War and its

lost cause tradition continues to serve as a cultural root paradigm in celebrations both uniting and dividing loyalties southerners also embrace a panoply of public rituals parades cook offs kinship homecomings church assemblies music spectacles and material culture exhibitions that affirm other identities From the Appalachian uplands to the Mississippi Delta from Kentucky bluegrass to Carolina piedmont southerners celebrate in festivals that showcase their diverse cultural backgrounds and their mythic beliefs about themselves The ten essays of this cohesive interdisciplinary collection present event centered research from various fields of study anthropology geography history and literature to establish a rich complex picture of the stereotypically Solid South Topics include the Mardi Gras Indian song cycle as a means of expressing African American identity in New Orleans powwow performances and Native American traditions in southeast North Carolina religious healings in southern Appalachian communities Mexican Independence Day festivals in central Florida and in eastern Tennessee bonding ceremonies of melungeons who share Indian Scots Irish Mediterranean and African ancestry Seen together these public heritage displays reveal a rich creole of cultures that have always been a part of southern life and that continue to affirm a flourishing regionalism This book will be valuable to students and scholars of cultural anthropology American studies and southern history academic and public libraries and general readers interested in the American South It contributes a vibrant colorful layer of understanding to the continuously emerging picture of complexity in this region historically depicted by simple stereotypes

Sense Of Place Barbara Allen, Thomas J. Schlereth, 2014-10-17 Despite the homogenization of American life areas of strong regional consciousness still persist in the United States and there is a growing interest in regionalism among the public and among academics In response to that interest ten folklorists here describe and interpret a variety of American regional cultures in the twentieth century Their book is the first to deal specifically with regional culture and the first to employ the perspective of folklore in the study of regional identity and consciousness The authors range widely over the United States from the Eastern Shore to the Pacific Northwest from the Southern Mountains to the Great Plains They look at a variety of cultural expressions and practices legends anecdotes songs foodways architecture and crafts Tying their work together is a common consideration of how regional culture shapes and is shaped by the consciousness of living in a special place In exploring this dimension of regional culture the authors consider the influence of natural environment and historical experience on the development of regional culture the role of ethnicity in regional consciousness the tensions between insiders and outsiders that stem from a sense of regional identity and the changes in culture in response to social and economic change With its focus on cultural manifestations and its folkloristic perspective this book provides a fresh and needed contribution to regional studies Written in a clear readable style it will appeal to general readers interested in American regions and their cultures At the same time the research and analytical approach make it useful not only to folklorists but to cultural geographers anthropologists and other scholars of regional studies

The Disappearing South? Robert P. Steed, Laurence W. Moreland, Tod A. Baker, 2012-10-09 There is widespread

agreement that the South has changed dramatically since the end of World War II the essays in *The Disappearing South* address the ongoing debate There is widespread agreement that the South has changed dramatically since the end of World War II Social demographic economic and political changes have altered significantly the region long considered the nation's most distinctive There is less agreement however about the extent to which the forces of nationalization have eroded the major elements of Southern distinctiveness Although this volume does not purport to settle the debate on Southern political change it does present a variety of recent evidence that helps put this important debate into perspective In the process it helps clarify the contemporary politics of the South for readers ranging from the scholar to the more casual observer The essays in *The Disappearing South* address the ongoing debate Contributors in addition to the editors include E Lee Bernick Earl Black Merle Black Lewis Bowman Edward G Carmines Patrick Cotter Thomas Eamon Douglas G Feig John C Green James L Guth William E Hulbary Anne E Kelley Lyman A Kellstedt David M Olson John Shelton Reed Harold Stanley James G Stovall John Theilmann Stephen H Wainscott and Allen Wilhite

Surveying the South John Shelton Reed, 1993 Ten previously published essays by sociologist Reed well known for his studies of the South He talks about sociology itself continuity and change in the region stereotypes race relations and other topics He calls on sociologists to follow his lead in writing in a clear jargon free style accessible to some besides themselves Paper edition unseen 14 95 Annotation copyright by Book News Inc Portland OR

Competitive Manufacturing Stuart A. Rosenfeld, 2012-06-01 Originally published in 1992 by the Center for Urban Policy Research New Brunswick NJ

The Edible South Marcie Cohen Ferris, 2014-09-22 In *The Edible South* Marcie Cohen Ferris presents food as a new way to chronicle the American South's larger history Ferris tells a richly illustrated story of southern food and the struggles of whites blacks Native Americans and other people of the region to control the nourishment of their bodies and minds livelihoods lands and citizenship The experience of food serves as an evocative lens onto colonial settlements and antebellum plantations New South cities and civil rights era lunch counters chronic hunger and agricultural reform counterculture communes and iconic restaurants as Ferris reveals how food as cuisine and as commodity has expressed and shaped southern identity to the present day The region in which European settlers were greeted with unimaginable natural abundance was simultaneously the place where enslaved Africans vigilantly preserved cultural memory in cuisine and Native Americans held tight to kinship and food traditions despite mass expulsions Southern food Ferris argues is intimately connected to the politics of power The contradiction between the realities of fulsomeness and deprivation privilege and poverty in southern history resonates in the region's food traditions both beloved and maligned

The War Within Daniel Joseph Singal, 1982 The years after World War I saw a different sort of war in the American South as Modernism began to contest the New South Creed for the allegiance of Southern intellectuals In *The War Within* Daniel Joseph Singal examines the struggle between t

This Land, This Nation Sarah T. Phillips, 2007-03-05 This 2007 book combines political with environmental history to present conservation policy as a critical arm of New Deal reform

one that embodied the promises and limits of midcentury American liberalism. It interprets the natural resource programs of the 1930s and 1940s as a set of federal strategies aimed at rehabilitating the economies of agricultural areas. The New Dealers believed that the country as a whole would remain mired in depression as long as its farmers remained poorer than its urban residents, and these politicians and policymakers set out to rebuild rural life and raise rural incomes with measures tied directly to conservation objectives: land retirement, soil restoration, flood control, and affordable electricity for homes and industries. In building new constituencies for the environmental initiatives, resource administrators and their liberal allies established the political justification for an enlarged federal government and created the institutions that shaped the contemporary rural landscape.

Regionalism And The South Selected Papers Of Rupert Vance Introduction

In today's digital age, the availability of Regionalism And The South Selected Papers Of Rupert Vance books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Regionalism And The South Selected Papers Of Rupert Vance books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Regionalism And The South Selected Papers Of Rupert Vance books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Regionalism And The South Selected Papers Of Rupert Vance versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Regionalism And The South Selected Papers Of Rupert Vance books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Regionalism And The South Selected Papers Of Rupert Vance books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Regionalism And The South Selected Papers Of Rupert Vance books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of

Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Regionalism And The South Selected Papers Of Rupert Vance books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Regionalism And The South Selected Papers Of Rupert Vance books and manuals for download and embark on your journey of knowledge?

FAQs About Regionalism And The South Selected Papers Of Rupert Vance Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Regionalism And The South Selected Papers Of Rupert Vance is one of the best book in our library for free trial. We provide copy of Regionalism And The South Selected Papers Of Rupert Vance in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Regionalism And The South Selected Papers Of Rupert Vance. Where to download Regionalism And The South Selected Papers Of Rupert Vance online for free? Are you looking for Regionalism And The South Selected Papers Of Rupert Vance PDF? This is definitely going to save you time and cash in something you should think about.
