Reincarnation And The Soul In The Parables Of Jesus:

Reincarnation and the Soul in the Parables of Jesus William David, Margaret Gibson, 1980-10-01 **Miracles, Parables and Commandments of Jesus** Koshy Mathew Thachireth, 2019-05-15 This book is a collection of the miracles parables and commandments of Jesus presented by way of comparative study of the four gospels Jesus is presented here as a human being homeless and itinerant who became son of God through renunciation meditation which led to self realization He through the miracles taught us to restrain from self glorification the root cause of sin but give glory to God for all your achievements because it is not your body but the spirit of God in you that enables you to do miracles or the works of God Through the Parables he taught us to what is the kingdom of God and how to seek it The Commandments conveyed to us through the Sermon on the Mount teach us how to purify our hearts lead a righteous life and become perfect or sons of God who is perfect One who realize the truth of the Sermon and live accordingly would become God on earth It is the sum total of all ancient great religions in the world This book is divided into three parts the first part dealing with miracles performed by Jesus the second with parables told by Jesus in the course of his public ministry that form part of his teachings and the third commandments as contained in the Sermon on the Mount **The Killers Within US** Scott Carroll, M.C., 2014-12-14 The Killers Within US are those individuals who are in such pain that they tragically kill others and or themselves These individuals often leave a wake of confusion anger and hurt among their survivors This book explores the most common disorder linked to suicide homicide and several other disorders that kill millions of people annually A mental disorder known as Borderline Personality Disorder BPD or its traits frequently influence these individuals in particular to the point of killing Several BPD traits span thousands of years and are mentioned within the Holy Bible This book explores the truth about and the origin of BPD and offers both Biblical and Clinical ways to recover from it God said Let my people go and the Truth will set you free This book is full of truth and by applying these truths within it it is hoped that you too can be set free from the Killers Within you *The Parables* Gary Inrig, 2011-11-15 Join Gary Inrig at the feet of Jesus and experience His parables as though for the first time In The Parables you ll feel as though you can smell the odors of Jewish villages feel the dust of Galilean roads and hear the voice of the Savior putting you into His stories You ll be encouraged by what you learn about yourself and God **The Secret Door** J A. Warrick, 2012-05 When Jesus said Seek and you will find ask and the door will be opened he was literally pointing the way for each and every one of us to find the secret door within Find out why doing this is so important why the scriptures which spoke of the need for this were banned and hidden so many centuries ago and why seeking understanding of everything Jesus said is more important now than ever before Find out who the fallen angels were and are when they are likely to return and why in the words of the apostle Paul its imperative to take unto you the whole armor of God that ye may be able to withstand in the evil day and having done all to stand Ephesians 6 13 That evil day is much nearer than most people realize It is in fact nearly upon us *The Discovery of the Soul and the Law of Its*

Development Duncan J. Frew, 1921 *Books in Print*, 1991 **On Christianity, New Age and Reincarnation** Jaime T. Licaucó, 2017-12-02 Reading this book requires an open and questioning mind not a mind that has already accepted just one answer I for one have benefited greatly by reading his words and listening to his lectures From the foreword by Sir Jason Winters KGSJ Licaucó in this book boldly discourses topics that might be unconventional for most people but very thought provoking Such topics might be disturbing but they will satiate the intellectually curious and those who don't settle only in a single point of view **A New Jesus** William H. Kautz, 2011-08-11 The life and deeds of the man Jesus triggered off the immense Christian religion nearly two millennia ago but his most sublime and profound teachings were largely disregarded or reshaped by the practical needs of the early Christian Church The old religious package no longer satisfies the needs of present day practicing Christians and others seeking clear answers to their pressing spiritual questions A NEW JESUS releases these original teachings of Jesus from the grasp of doctrinal and legendary religious tradition A powerful and proven method called intuitive inquiry distinct from the usual intellectual means for generating knowledge is utilized for this purpose It relies upon the skill of an expert intuitive Kevin Ryerson in this book whose past record for obtaining both lost and entirely new information has been outstanding In this book you will find perceptive answers to the main mysteries about Jesus life and teachings and the basic spiritual questions about man's origin identity and purpose It clears up several gaps distortions and contradictions in the New Testament Gospels and closes with a modern restatement of Jesus spiritual philosophy It also describes how to apply this new knowledge to enhance your personal understanding and daily life **The Judas kiss** Gerry Smyth, 2015-05-01 This book argues that modern Irish history encompasses a deep seated fear of betrayal and that this fear has been especially prevalent since the revolutionary period at the outset of the twentieth century The author goes on to argue that the novel is the literary form most apt for the exploration of betrayal in its social political and psychological dimensions The significance of this thesis comes into focus in terms of a number of recent developments most notably the economic downturn and the political and civic betrayals implicated therein and revelations of the Catholic Church's failure in its pastoral mission As many observers note such developments have brought the language of betrayal to the forefront of contemporary Irish life This book offers a powerful analysis of modern Irish history as regarded from the perspective of some of its most incisive minds including James Joyce Liam O'Flaherty Elizabeth Bowen Francis Stuart Eugene McCabe and Anne Enright Reincarnation in the New Testament James Morgan Pryse, 1904 The Soul's Long Journey Edward Reaugh Smith, 2003-11 Here are amazing insights showing reincarnation to be deeply and powerfully revealed in the Bible's most fundamental aspects How and why have these insights escaped attention for so long At last they are uncovered here by a confluence of conventional Bible study and the epochal spiritual discoveries of Rudolf Steiner With particular emphasis on the organic provisions of the Old Testament Smith shows both what the assumptions of the Master's hearers were and how the New Testament confirms the ancient heritage Arising from the fullness of the canon is an exciting story of

the long journey of humanity and every human soul each a beloved sheep whom the Creator is unwilling to lose Combining a lifetime of biblical study and teaching fifteen years investigating and contemplating Rudolf Steiner's vast works and almost three decades of applying the analytical skill required in an intense law practice Smith has produced a potential classic the serious Bible student can ill afford to ignore

The Soul Mario Kertscher, 2024-03-06 The soul a reflection based on my own experiences and conversations with the souls of the deceased with mediumistic people and a great deal of research No religions are discussed here and no beliefs are explained or treated but messages and transmissions are quoted verbatim For example the soul's view of our earthly life and what may await us after life Anyone with an open mind and a desire for new ideas will find much inspiration here The soul says From our point of view life on Earth is very different to how you see it So be curious
