Suspects Thomas Berger, 2024-12-20 Little Big Man author Thomas Berger takes the murder mystery and runs with it in this trip around a quiet suburb with a dark secret A cutting ironic wit and a precision of detail so deadly it hurts when you laugh Ms Mary Jane Jones doesn't like to meddle She's content to stay out of the admittedly tame gossip of her suburban

neighborhood even in the fresh loneliness of widowhood In fact if it wasn't for the daily invites to dinner she receives from her sweet neighbor Donna she would be content to just stay home alone Never one to risk being rude Mary slowly finds herself not just a frequent guest in Donna's spotless house but enjoying her company and that of her three year old daughter So when Donna doesn't pick up the phone during their usual dining hours something's too amiss for Mary to stay put Unable to depend on slow moving cops Mary doesn't just come over she breaks in What she finds is almost beyond comprehension Donna and her little girl have been brutally slaughtered in their beds The innocent facade of the town shattered two world weary detectives must find the murderer before he strikes again But as officers Nick Moody and Dennis LeBeau grill their two primary suspects Larry Howland the late Donna Howland's husband and Lloyd Howland Larry's half brother the harder it is for them to piece together the motive Lloyd who had been in love with Donna for as long as he can remember forges a bond with one of the detectives but can't seem to keep away from oddball scenarios that put him at odds with the law Between his misadventures and the mystery brewing in town Suspects is a story that entertains on every single page

Killing Time Thomas Berger, 2016-06-14 Thomas Berger breaks all the rules in this detective story that's less who done it and more why done it An original and powerful tale of a saintly murderer Arthur Koestler Detweiler is one of the most complex characters in modern fiction the eeriest thing about him is that he is wholly believable which is to say of course that Thomas Berger is a magnificent novelist National Review Meet Joseph Detweiler a polite sincere and thoughtful murderer He believes in living in the moment it's just that every moment comes at a price So when he murders Billie Bayson her mother and a boarder in their home on Christmas Eve he really means no harm He's also not the first suspect As the police delve into the sordid private lives of the Bayson family in the aftermath of this horrific event seeking the real killer Detweiler befriends Tierney a detective assigned to the case But as details of the case unravel so does the chilling truth about Detweiler He has not just committed the murder at hand He believes he's performed a kindness to Billie and to himself In his mind has freed her from life and himself from the flow of time Can Detective Tierney live with knowing the killer was right under his nose

Meeting Evil Thomas Berger, 2016-08-16 The author of the Pulitzer Prize finalist *The Feud* blurs reality in this breakneck thriller following one man's encounter with pure evil in high tops John Felton is a creature of habit His job in real estate comes with no surprises it's respectable work he can be proud of Routine has been kind to him but when a normal Monday of looking after the kids gets interrupted by a ringing of his doorbell John may have to kiss his uneventful life goodbye Richie's car is stalled just at the bottom of the hill and he needs a push start John agrees to help and then accepts a ride though he's not entirely sure why After stepping into Richie's car John is driven far away from the reality he once knew and dragged into Richie's frightening world one event at a time To make matters worse the longer he spends in Richie's company the harder it is for the people around him to distinguish John from this curly haired devil in a baseball cap John must put an end to Richie's mad and murderous adventure before it reaches the most terrifying place of all John's very own home The plot gets nicely

Afterlives of Modernism John Carlos Rowe, 2015-02-05 In times of liberal despair it helps to have someone like John Carlos Rowe put things into perspective in this case with a collection of essays that asks the question Must we throw out liberalism's successes with the neoliberal bathwater Rowe first lays out a genealogy of early twentieth century modernists such as Gertrude Stein John Dos Passos William Faulkner and Ralph Ellison with an eye toward stressing their transnationally engaged liberalism and their efforts to introduce into the literary avant garde the concerns of politically marginalized groups whether defined by race class or gender The second part of the volume includes essays on the works of Harper Lee Thomas Berger Louise Erdrich and Philip Roth emphasizing the continuity of efforts to represent domestic political and social concerns While critical of the increasingly conservative tone of the neoliberalism of the past quarter century Rowe rescues the value of liberalism's sympathetic and socially engaged intent even as he criticizes modern liberalism's inability to work transnationally
