## **Reinvention Of The World English Writing 1650 175:**

*Early Modern Tales of Orient* Kenneth Parker, 2013-10-28 *Early Modern Tales of Orient* is the first volume to collect together these travellers tales and make them available to today's students and scholars. By introducing a fascinating array of accounts of exploration, diplomatic and commercial ventures, Kenneth Parker challenges widely held assumptions about Early Modern encounters in the Orient. The documents assembled in *Early Modern Tales of Orient* have extraordinary resonance for us today. Many of the discourses which in part emerged from those early encounters, such as Islamophobia, English Nationalism and the Catholic-Protestant divide, are still active in contemporary society. This volume sheds a unique light on the development of a very English interest in the exotic. [Current Contents](#) Institute for Scientific Information (Philadelphia), 1998
