## **Rekindling The Flame Strategies For A Vital United Methodism:**

Rekindling the Flame William H. Willimon, Robert Leroy Wilson, 1987      Doctrinal Standards in the Wesleyan Tradition Thomas C. Oden, 2008 The history of Wesleyan family of churches doctrines What are our core beliefs Doctrinal Standards in the Wesleyan Tradition Revised Edition narrates the history of the formation of Wesleyan doctrines describing how they were transplanted from the British Isles to North American how they became constitutionally protected in Wesleyan rooted churches The first edition of this book affected the outcome of the 1988 General Conference of The United Methodist Church as the delegates decided many then disputed doctrinal issues This revised edition addresses the continuing hunger for more precise and useful information on the doctrinal traditions of mainline Protestantism Hence the arguments have been updated with more than 400 changes Included are doctrinal statements for the Evangelical United Brethren Free Methodist Methodist Protestant Wesleyan Nazarene African Methodist Episcopal Zion Christian Methodist Episcopal and African Methodist Episcopal Churches as well as an outline syllabus of a Course on the Articles of Religion      **Polity, Practice, and the Mission of The United Methodist Church** Thomas Edward Frank, 2006 Commissioned by the General Board of Higher Education and Ministry for use in United Methodist doctrine polity history courses This in depth analysis of the connection between United Methodist polity and theology addresses ways in which historical developments have shaped and continue to shape the organization of the church This revised edition incorporates the actions of The United Methodist General Conference 2004 The book discusses continuing reforms of the church s plan for baptism and church membership as well as the emergence of deacon s orders and other changes to ordained ministry procedures The text is now cross referenced to the Book of Discipline 2004 including the revised order of disciplinary chapters and paragraph numbering Denominational statistics are updated along with references to recent works on The United Methodist Church and American religious life

**The Remnant Spirit** Douglas E. Cowan, 2003-11-30 Over the past few decades mainline Protestant denominations in North America have been experiencing a significant decline in membership active participation and financial contributions In the midst of this decline these denominations have been caught up in a variety of controversial religious ecclesiastical and social issues a shift from neo orthodox to liberal theology the advent of inclusive liturgical and biblical language denominational support for often controversial social issues and heated debates around human sexuality particularly the place of homosexuals in the church To address these issues and concerns and to recapture the traditionalism many feel their churches have abandoned the remnant faithful those who choose to stay in their churches have formed a number of reform and renewal movements Cowan examines these emergent social movements providing anecdotal and lively examples of their activities their arguments their identities and their approaches to strengthening their churches Rather than leave denominations which they regard as increasingly hostile to theological and ecclesiastical traditionalism many mainline Protestants have chosen to stay and fight for their churches forming reform and renewal movements intended to address hot

button issues in the way their churches function and practice These conservative reform movements however are often vilified by their more liberal co religionists and not infrequently regarded as theologically immature doctrinally stagnant and ecclesiastically belligerent The Remnant Spirit demonstrates that these are simplistic and reductivist analyses that only serve to avoid the very issues around which reform movements emerge and evolve The author provides an in depth examination of four major North American denominations and the various conservative reform and renewal movements taking place in each while acknowledging that every mainline Protestant Church in the U S and Canada is contending with similar issues and addressing them in similar fashions Here the voices of the remnant faithful those that contribute to denominational discussions as they are experienced by ordinary church members and leaders alike are presented and discussed in a thoughtful and lively manner      *Generation Rising* Andrew C. Thompson,2011      *To Be Like Jesus* Daniel Mathano Mwailu PhD,2019-11-22 In his classic novel The Pilgrim s Progress John Bunyan wrote allegory of the progress of the Christian Pilgrimage from the City of Destruction this world to the Celestial City the world to come Written in 1678 and now translated into over 200 languages its message is still significant and relevant for Christians today As an allegory it pictures the struggles and challenges that confront Christians at all times This book relates the true story of a Christian journey that started over fifty years ago in Africa but extended to Europe England and America It is interspersed with personal stories encounters and reminiscences that point to the struggles hurdles and hindrances faced by Christians today in their journey anywhere in the world It suggests spiritual vitamins essential for spiritual stamina in the Christian journey in spiritual formation The book evaluates the vital characteristics of spiritual formation and suggests from a biblical and theological perspective the disciplines necessary for its development It affirms its validity with reference to the way in which class meetings played a major role in the Wesleyan tradition of spiritual formation It recommends that exploring modern forms of class meetings would address current church decline      *A Peculiar Prophet* Michael A. Turner,2010-09-01 There is no more trusted mentor of preachers in North American Christianity today than William H Willimon The author of over sixty books a frequent preacher and teacher in pastors schools and events Willimon has earned a following as one of the people to whom preachers turn more often than any other Turner and Malambri make Willimon s role as a mentor to preachers more available than ever Both former students of Willimon s they provide detailed and practical tools for learning from this peculiar prophet They offer samples of Willimon s sermons and commentary on them by other leading preachers and homilicians such as Tom Long and Peter Gomes The point of this examination of Willimon s work is not simply to praise it but to assess both its strengths and its weaknesses and to help readers learn in the process how Willimon can be a model of what to do and at times what not to do in the pulpit Written with the needs of practicing preachers in mind this book will make a significant contribution not only to understanding a great preacher but also to preaching itself      *Losing Church* Michael J. Gehring,2022-01-14 From Ft Smith Arkansas to Princeton New Jersey to Kernersville North Carolina with a stop

along the way in Asbury Park New Jersey to pay homage to The Boss Michael Gehring takes us on his journeys as a pastor at a pivot point in history for the church and the world Along the way we meet up with a fascinating array of characters Barbara Brown Taylor Albert Einstein Ernest Hemingway Dietrich Bonhoeffer and Jesus s forerunner John the Baptist to name just a few But it s the questions Gehring raises that make this book not only entertaining but compelling reading for individuals and small groups How might the decline of the church lead us into rediscovering the gospel Did clergy and all of us for that matter make a good choice investing in institutional Christianity How would you describe the emotional price of love What does living a soulful life look like With the humility and genuineness of someone who doesn t pretend to have it all figured out Gehring is the perfect travel companion Come along

**The Pluralistic Vision** Milton J. Coalter, John M. Mulder, Louis Weeks, 1992-01-01 Essays in this valuable book examine the results of research on theological education in the twentieth century spiritual formation among seminarians and the changing nature of Presbyterian related colleges Several essays review Christian education among Presbyterians focusing on the forming of curricula and publications from denominational presses Through its examination of American Presbyterianism the Presbyterian Presence series illuminates patterns of change in mainstream Protestantism and American religious and cultural life in the twentieth century

**The Church We Carry** William H. Willimon, 2025-08-05 Breaking faith finding grace wisdom for leading divided churches in divisive times Trusted and respected leader Will Willimon explores how failures in leadership and theological vision contributed to our current denominational crisis Through the lens of a South Carolina historic congregation this book offers a critical analysis that will enlighten today s congregational leaders on navigating the complexities of ministry in our uncertain future As a retired United Methodist bishop and expert in ordained leadership Willimon reflects on a simple to ask but complicated to answer question What has become of the church that shaped his faith Focusing on Buncombe Street Methodist Church he examines their journey through disaffiliation to shed light on leadership challenges within our denomination including his own role This insightful resource provides a candid exploration of the realities of ministry today inviting us to confront our grief and shortcomings while embracing our duty to serve Christ s church in the present moment Gain valuable insights from real life experiences learn from those labeled as schismatic and discover practical strategies for effective leadership in today s evolving church landscape

*Spiritual Entrepreneurs* Rev. Dr. Mike Slaughter, 2011-12-01 *Spiritual Entrepreneurs* tells the story of an innovative pastor and leadership team who intentionally led their church to take spiritual risks By using six principles renewal can come to any church These six principles are focus on 1 Jesus Christ 2 the Bible 3 new forms of worship 4 a commitment to membership 5 equipping lay people for ministry and 6 spiritual leadership Slaughter believes that church leaders are inspired to work tirelessly when they hear or learn of good news stories He also believes that covenants Christianity training and an innovative small group structure are vital in producing high commitment members

**Bishop** William H. Willimon, 2012 As a church leader it s easy to make the wrong move and find yourself in a bad position What to

teach How to teach What to do were the three questions Wesley employed at his first conferences In sixty previous books Will  
 Willimon has worked the first two This book is of the What to do genre Many believe the long decline of The United  
 Methodist Church is a crisis of effective leadership Willimon takes this problem on As an improbable bishop for the last eight  
 years he has laid hands on heads made ordinands promise to go where he sends them overseen their ministries and acted as  
 if this were normal Here is his account of what he has learned and more important what The United Methodist Church must  
 do to have a future as a viable movement of the Holy Spirit     The Wings of Worship Kenneth R. Burcham,1992 Kenneth  
 Burcham gives abundant information about the background of worship forms He helps readers approach the parts of a  
 worship service with a good sense of interpretation and meaning I recommend its use with classes of lay people who are  
 interested in growth in their spirit Harriet Miller Administrator First United Methodist Church Dayton Ohio The Wings of  
 Worship is an excellent introductory study course for congregations to gain a greater understanding of the people s role in  
 public worship Ten sessions are offered in the course with each focusing on a different element of worship Discussion  
 questions conclude each session Topics include Traditional worship Liturgical year Tools of worship Sacraments Rituals and  
 celebrations Creeds and prayers The book includes evaluation forms a questionnaire on worship and a bibliography section  
 Kenneth R Burcham is pastor of the United Methodist Church West College Corner Indiana He is a graduate of Ball State  
 University Asbury Theological Seminary and United Theological Seminary This is his first book published by CSS     *Pastor*  
 William H. Willimon,2010-09-01 Ordained ministry says Willimon is a gift of God to the church but that doesn t mean that it is  
 easy Always a difficult vocation changes in society and the church in recent years have made the ordained life all the more  
 complex and challenging Is the pastor primarily a preacher a professional caregiver an administrator Given the call of all  
 Christians to be ministers to the world what is the distinctive ministry of the ordained When does one s ministry take on the  
 character of prophet and when does it become that of priest What are the special ethical obligations and disciplines of the  
 ordained In this book Willimon explores these and other central questions about the vocation of ordained ministry He begins  
 with a discussion of who pastors are asking about the theological underpinnings of ordained ministry and then moves on to  
 what pastors do looking at the distinctive roles the pastor must fulfill The book also draws on great teachers of the Christian  
 tradition to demonstrate that while much about Christian ministry has changed its core concerns preaching the word the  
 care of souls the sacramental life of congregations remains the same Ordained ministry is a vocation to which we are called  
 not a profession that we choose To answer that call is to open oneself to heartache and sometimes hardship yet given the one  
 who calls it is to make oneself available to deep and profound joy as well     **Practicing Passion** Kenda Creasy  
 Dean,2004-04-26 Youth and the Quest for a Passionate Church     **Doctrine and Theology in the United Methodist**  
**Church** Thomas A. Langford,1991 This volume is intended to set in historical context the official United Methodist  
 theological statements in the Disciplines of 1972 and 1988 and to foster reflection on and discussion of the 1988 statement

**Beyond Playing Church** Michael Slaughter, 1994      *This World*, 1989      Faith and Form Robert Leroy Wilson, Steve Harper, 1988      **Questions for the Twenty-first Century Church** Russell E. Richey, William Benjamin Lawrence, Dennis M. Campbell, 1999

Offering timely relevant analysis of trends and issues the essays in this collection address questions and concerns that will determine the shape and direction of the denomination in the next century These essays cover policy issues and current events considerations that Russell Richey says emerged as a priority in sponsored conferences of the United Methodist and American Culture Project Policy issues addressed include music evangelism contextual theology urban losses electronics media lay leadership roles and growth bishopric election and leadership the discipline of local churches church finance clergy compensation and others Contributors include Garlinda Burton Dennis Campbell Jackson Carroll Ken Chalker Meghan Froehlich Frederick Herzog Sarah Kreutziger Andy Langford William Lawrence Priscilla Pope Levison Russell Richey Kenneth Rowe and Carol Voisin
