When Prophets Die Timothy Miller, 1991-01-01 When the charismatic founder/leader of a religious movement dies, the popular belief is that the movement usually disintegrates. However, many new religions not only survive but prosper despite leadership transition. In this book, prominent scholars examine what happened to eleven new movements following the deaths of their leaders and why. An Introduction by J. [The Mirror of Relationship](#) J Krishnamurti, 2022-09-09 The answer to the question "What are you seeking?" is simple: "We want to find truth, God, everlasting peace." The real question, says Krishnamurti, is "Why do you seek at all?" Knowing conflict, repression, self-doubt, and fear as consistent companions, we naturally wish for them to come to an end. So begins the search for relief, the search for everlasting peace through ideas, religions, self-help, self-analysis, etc., and we think of this search as a right action towards finding what we are looking for. But do we know what we are looking for, or are we merely seeking relief from what is happening presently? Are we seeking at that point only an idea, the supposed opposite of the emotion that we are experiencing now? It is the search that maintains the present emotion and its projected opposite in a state of mutually co-existent conflict inherently.
