Relation Of Christology To Ethics In The First Epistle Of John

**Jan Gabriël Van der Watt, Francois
Stephanus Malan**

Relation Of Christology To Ethics In The First Epistle Of John:

The Relation of Christology to Ethics in the First Epistle of John Garrett C. Kenney, 2000 The First Epistle of John has long been noted for its consistent interchange of Christology and ethics Kenney's study of this phenomenon is illuminated by an analysis of the historical situation and by a detailed exegesis of the text The Epistle is best understood as a corrective to the docetic tendencies both Christological and ethical of the Gospel of John It seems to have been written by someone other than the author of the Gospel yet faithful to his formulations of truth The Epistle teaches that Christology determines ethics Those who deny the expiatory death of Jesus are deprived of true spiritual life Those who affirm this teaching are gifted with regeneration and empowered to grow in the imitation of Christ The love of God first manifested in Christ is finally fulfilled in one's ethical transformation

Identity, Ethics, and Ethos in the New Testament Jan Gabriël Van der Watt, Francois Stephanus Malan, 2006 The book deals with the relation between identity ethics and ethos in the New Testament The focus falls on the way in which the commandments or guidelines presented in the New Testament writings inform the behaviour of the intended recipients The habitual behaviour ethos of the different Christian communities in the New Testament are plotted and linked to their identity Apart from analytical categories like ethos ethics and identity that are clearly defined in the book efforts are also made to broaden the specific analytical categories related to ethical material The way in which for instance narratives proverbial expressions imagery etc inform the reader about the ethical demands or ethos is also explored

Johannine Social Identity Formation after the Fall of the Jerusalem Temple Christopher A. Porter, 2021-10-25 In Johannine Social Identity Formation after the Fall of the Jerusalem Temple Christopher Porter reads the Fourth Gospel through the lens of social identity theory as means of reconciling the social dislocation and trauma of the destruction of the Jerusalem temple Analysing the Fourth Gospel in conversation with other temple removed texts of Qumran Philo and Josephus the gospel's intent to renegotiate cultic life without the temple can be seen Through this analysis it is argued that the Fourth Gospel primarily functions as an intra mural Jewish text attempting to negotiate the formation of a Jesus follower social identity in direct continuity with earlier Jewish shared social narratives Finally this work reviews the Johannine Community as an outcome of the Gospel identity formation

Salvation in the New Testament Jan G. van der Watt, 2005-11-01 Salvation in the New Testament offers an analysis of the soteriological perspectives and language of the different books of the New Testament Special attention is given to the imagery used in expressing soteriological ideas Salvation deals with becoming part of the people of God In Salvation in the New Testament special attention is given to the nature and power of the salvific language used in the New Testament to express the dynamics of salvation Individual articles on the different books of the New Testament highlight the diverse perspectives offered in these documents The emphasis especially falls on the different images and metaphors which were used to express the event and moment of salvation rather than on the results ethics or behaviour of salvation An overview of the different perspectives on soteriology in the New

Testament offers the opportunity to compare similarities and differences in concepts and expressions It also illustrates the dynamic interaction between historical situations and salvific language and expression **The New Testament** Donald A. Hagner,2012-11-15 This capstone work from widely respected senior evangelical scholar Donald Hagner offers a substantial introduction to the New Testament Hagner deals with the New Testament both historically and theologically employing the framework of salvation history He treats the New Testament as a coherent body of texts and stresses the unity of the New Testament without neglecting its variety Although the volume covers typical questions of introduction such as author date background and sources it focuses primarily on understanding the theological content and meaning of the texts putting students in a position to understand the origins of Christianity and its canonical writings Throughout Hagner delivers balanced conclusions in conversation with classic and current scholarship The book includes summary tables diagrams maps and extensive bibliographies

A Grammar of the Ethics of John Jan G. van der Watt,2023-04-05 After a century of neglect Johannine ethics has enjoyed a recent surge in interest inspired by new theoretical insights in analysing ethical data in John s Gospel By closely re reading the text on the basis of this fresh research Jan G van der Watt s aim in the present volume is to reveal ethical data within its structural interrelatedness The result is a comprehensive overview of basic questions related to ethics such as what the basis or source of ethics actually is whether identity plays a role in ethical decision making how values and ethical requirements are to be recognised what is expected of an ethical agent and what ethical behaviour looks like As a coherent guide to getting deeds done ethically this first volume on the grammar of John s ethics focuses on this Gospel while a second is set to concentrate on his letters Volume 1 Dust Jacket Inside Front Flap

The Spirit that Moves Pieter De Villiers,Celia Ellen Teresa Fourie,Christo Lombaard,2006 Leadership in John Garrett C. Kenney,2000-10-18 Leadership in John employs both social scientific and systematic approaches to the Gospel and the Epistles of John in order to illuminate the role of leadership in these texts Leadership is eventually defined as the means by which authority was made effective The Oxford Handbook of Johannine Studies Judith M. Lieu,Martinus C. de Boer,2018-07-19 The contribution of the Johannine literature to the development of Christian theology and particularly to Christology is uncontested although careful distinction between the implications of its language especially that of sonship in a first century Jewish context and in the subsequent theological controversies of the early Church has been particularly important if not always easily sustained Recent study has shaken off the weight of subsequent Christian appropriation of Johannine language which has sometimes made readers immune to the ambiguities and challenging tensions in its thought The Oxford Handbook of Johannine Studies begins with chapters concentrating on discussions of the background and context of the Johannine literature leading to the different ways of reading the text and thence to the primary theological themes within them before concluding with some discussion of the reception of the Johannine literature in the early church Inevitably given their different genres and levels of complexity some chapters pay most if not all attention to the Gospel

whereas others are more able to give a more substantial place to the letters All the contributors have themselves made significant contributions to their topic They have sought to give a balanced introduction to the relevant scholarship and debate but they have also been able to present the issues from their own perspective The Handbook will help those less familiar with the Johannine literature to get a sense of the major areas of debate and why the field continues to be one of vibrant and exciting study and that those who are already part of the conversation will find new insights to enliven their own on going engagement with these writings

Dictionary of Jesus and the Gospels (2nd edn) J B GREEN,J BROWN,N PERRIN,2020-05-21 The Dictionary of Jesus and the Gospels is unique among reference books on the Bible the first volume of its kind since James Hastings published his Dictionary of Christ and the Gospels in 1909 In the more than eight decades since Hastings our understanding of Jesus the Evangelists and their world has grown remarkably New interpretive methods illumined the text the ever changing profile of modern culture has put new questions to the Gospels and our understanding of the Judaism of Jesus s day has advanced in ways that could not have been predicted in Hastings s day But for many readers of the Gospels the new outlook on the Gospels remains hidden within technical journals and academic monographs The Dictionary of Jesus and the Gospels bridges the gap between scholars and those pastors teachers students and lay people desiring in depth treatment of select topics in an accessible and summary format The topics range from cross sectional themes such as faith law Sabbath to methods of interpretation such as form criticism redaction criticism sociological approaches from key events such as the birth temptation and death of Jesus to each of the four Gospels as a whole Some articles such as the Dead Sea Scrolls rabbinic traditions and revolutionary movements at the time of Jesus provide significant background information to the Gospels Others reflect recent and less familiar issues in Jesus and Gospel studies such as divine man ancient rhetoric and the chreiai Contemporary concerns of general interest are discusses in articles covering such topics as healing the demonic and the historical reliability of the Gospels And for those entrusted with communicating the message of the Gospels there is an extensive article on preaching from the Gospels The Dictionary of Jesus and the Gospels presents the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialog with contemporary scholarship and challenges facing the church

The Letters of John John Stott,2014-06-10 In this Tyndale commentary John Stott provides insight into the books of 1 2 and 3 John Exploring John s hope for his past and present readers to be firmly established in faith love and holiness Stott shows how John challenges us to remember what we already know and stay loyal to the teachings we ve heard

Johannine Literature Barnabas Lindars,John M. Court,2000-05-01 The highly popular Sheffield New Testament Guides are being reissued in a new format grouped together and prefaced by one of the best known of contemporary Johannine scholars This new format is designed to ensure that these authoritative introductions remain up to date and accessible to seminary and university students of the New Testament while offering a broader theological and

literary context for their study Alan Culpepper introduces the Johannine Writings as a whole illuminating their distinctive historical and theological features and their importance within the New Testament canon *Interpreting the Gospel and Letters of John* Sherri Brown, Francis J. Moloney, 2017-07-18 Accessible comprehensive and up to date Interpreting the Gospel and Letters of John is an ideal text for students new to the discipline of biblical studies Sherri Brown and Francis J. Moloney present a broad overview of the story of Christianity arising out of its Jewish foundations and proceed to guide readers expertly through the contents of the Gospel and Letters of John Maintaining that Johannine literature is best understood against the background of the Old Testament covenant metaphor Brown and Moloney focus on the central role of covenant in the narrative of John's Gospel and highlight the Evangelist's use of fulfillment language Helpful sidebars maps questions for review and further reading lists are placed throughout the text making this volume well suited for classroom use *Intercession of Jesus in Hebrews* Abeneazer G. Urga, 2023-03-20 Hebrews explicates that Jesus is an interceding high priest in heaven His heavenly intercession is a continuation of his high priestly intercession on earth couched in his sacrificial offering in the days of his flesh and his current intercession for God's people is vocal real and efficacious **The Background of the Gospels** William Fairweather, 1911 **The Ideals of the Prophets** Samuel Rolles Driver, 1915 **Commentary on st. Paul's first Epistle to the Corinthians, tr. by A. Cusin** Frédéric Louis Godet, 1886 **The Community of the Beloved Disciple** Raymond Edward Brown, 1979 This study in Johannine ecclesiology reconstructs the history of one Christian community in the first century a community whose life from its inception to its last hour is reflected in the Gospel and Epistles of John It was a community that struggled with the world with the Jews and with other Christians Eventually the struggle spread even to its own ranks It was in short a community not unlike the Church of today This book offers a different view of the traditional Johannine eagle In the Gospel the eagle soars above the earth but with talons bared for the fray In the Epistles we discover the eaglets tearing at each other for possession of the nest Back cover **The Theology of Augustine** Matthew Levering, 2013-03-15 Most theology students realize Augustine is tremendously influential on the Christian tradition as a whole but they generally lack real knowledge of his writings This volume introduces Augustine's theology through seven of his most important works Matthew Levering begins with a discussion of Augustine's life and times and then provides a full survey of the argument of each work with bibliographical references for those who wish to go further Written in clear accessible language this book offers an essential introduction to major works of Augustine that all students of theology and their professors need to know *John's Transformation of Mark* Eve-Marie Becker, Helen K. Bond, Catrin H. Williams, 2021-02-25 John's Transformation of Mark brings together a cast of internationally recognised biblical scholars to investigate the relationship between the gospels of Mark and John In a significant break with the prevailing view that the two gospels represent independent traditions the contributors all argue that John both knew and used the earlier gospel Drawing on recent analytical categories such as social memory secondary orality or relecture and ancient literary genres such as

rewritten Bible and bioi the central questions that drive this volume focus on how John used Mark whether we should speak of dependence familiarity with or reception and whether John intended his work to be a supplement or a replacement of Mark Together these chapters mount a strong case for a reassessment of one of the key tenets of modern biblical criticism and open up significant new avenues for further research

As recognized, adventure as without difficulty as experience virtually lesson, amusement, as with ease as arrangement can be gotten by just checking out a book **Relation Of Christology To Ethics In The First Epistle Of John** next it is not directly done, you could tolerate even more just about this life, approximately the world.

We find the money for you this proper as with ease as simple pretentiousness to acquire those all. We find the money for Relation Of Christology To Ethics In The First Epistle Of John and numerous books collections from fictions to scientific research in any way. along with them is this Relation Of Christology To Ethics In The First Epistle Of John that can be your partner.
