Relational Christianity Steve Meeks,1991 *Relational Christianity* Wesley M. Pinkham,2022-06-21 This work begins with a transformative idea human existence is fundamentally relational Relational Christianity explores how the nature of the Trinity must define the Church and the Christian spiritual life Utilizing Scripture Christian spiritual tradition and philosophy Pinkham and Gruenberg paint the picture of a Trinitarian Jesus centered Christianity led by the Father and explored in interpersonal oneness In this view God s intimate unifying love is the theological river that runs through the landscape of biblical revelation and through God s movement in history This work of Trinitarian practical theology suggests that the relation between Father Son and Spirit should shape and guide all Christian interactions with God with others and with self In the paradigm of relational Christianity the formation of genuine personhood and identity are based upon relational connections first with the Trinity and second with God s family The shape of the new covenant community must reflect the Father s nature Church culture must prioritize relationship in the same way the Trinity does Love and Christian Ethics Frederick V. A Fistful of Pearls Beth Mallender,2011-06-16 Am I the only one who sometimes thinks that the Christian faith is just way too complicated Is it just me or do you sometimes think that what at first seemed so amazingly good and easy now suddenly seems inexplicably difficult Especially the longer you go along the road of Christianity It seems to start off really simply sitting at the cross accepting the fact that Jesus loved me and died for me and just coming to him just as I am like that is all that matters In fact if like me you searched a long time for the truth the simplicity is almost too good to be true You get told that the amazing thing about grace is that it is free and anybody can receive it regardless And you come to Christ in awe and wonder and you think wow I didn't imagine it would be this easy God loves me enough to die for me and that is pretty much it All I have to do is believe and accept that love and that's it Wow Simple *Thinking about Christ with Schleiermacher*

Catherine L. Kelsey,2003-01-01 How can the various pieces of what you believe about Christ fit together coherently This is the basic question of Christology and this introduction to Christology traces the broad outlines and nuances laid out by the father of modern theology Friedrich Schleiermacher In straightforward language Catherine Kelsey moves back and forth between the groundbreaking thought of Schleiermacher and a series of helpful exercises which enable readers to spell out their own responses to the central question of Christian theology This book offers a truly unique approach to Christology
