

What is Relationship Selling?

Relationship selling is a sales approach in which sales reps prioritize their relationship with the buyer above everything else. It is completely customer-centric and the opposite of transactional selling.

Relationship Selling And Sales Management W Act

Sales Management, 1929 The Oxford Handbook of Strategic Sales and Sales Management David W. Cravens, Kenneth Le Meunier-FitzHugh, Nigel F. Piercy, 2012-11-22 The Oxford Handbook of Strategic Sales and Sales Management is an unrivalled overview by leading academics in the field of sales and marketing management Sales theory is experiencing a renaissance driven by a number of factors including building profitable relationships creating delivering brand value strategic customer management sales and marketing relationships global selling and the change from transactional to customer relationship marketing Escalating sales and selling costs require organisations to be more focused on results and highlight the shifting of resources from marketing to sales Further the growth in customer power now requires a strategic sales response and not just a tactical one The positioning of sales within the organisation the sales function and sales management are all discussed The Handbook is not a general sales management text about managing a sales force but will fill a gap in the existing literature through consolidating the current academic research in the sales area The Handbook is structured around four key topics The first section explores the strategic positioning of the sales function within the modern organisation The second considers sales management and recent developments The third section examines the sales relationship with the customer and highlights how sales is responding to the modern environment Finally the fourth section reviews the internal composition of sales within the organisation The Handbook will provide a comprehensive introduction to the latest research in sales management and is suitable for academics professionals and those taking professional qualifications in sales and marketing

Sport Promotion and Sales Management Richard L. Irwin, William Anthony Sutton, Larry M. McCarthy, 2008 This is a guide to promotion and sales in the sport industry Experts from the classroom and sports field offer insights and experiential data on the skills needed to succeed in sports promotion and sales

Essentials of Marketing Management Geoffrey Lancaster, Lester Massingham, 2010-10 The overall success of an organization is dependent on how marketing is able to inform strategy and maintain an operational focus on market needs This title covers such topics as consumer and organizational buyer behaviour product and innovation strategies direct marketing and e marketing

Sales Management Kenneth Le Meunier-FitzHugh, Kieran Sheahan, 2023-06-02 Sales are the lifeblood of the business world and therefore an area of fundamental importance for scholarly research This concise book analyses current thoughts and emerging practices in sales management research Organisations who are looking to increase revenues and add new customers to their portfolio will find

it increasingly difficult to successfully do this without being aware of and adopting the appropriate adaptive sales processes Emergent themes such as agile sales management digital selling artificial intelligence and trust will be discussed in the book that also embraces the importance of customer relationship management and how salespeople are aligning their interactions with the marketing function The text will review recent research to identify how to grow and organise the sales pipeline manage hybrid sales teams and the effects of new technologies on selling processes These discussions will be helpful in highlighting issues and providing some solutions to practitioners who are operating in new environments This book will be invaluable to sales researchers as it summarises current knowledge about key sales and sales management topics and indicates possible future research directions

Encyclopedia of Sports Management and Marketing Linda E.

Swayne, Mark Dodds, 2011-08-08 This four volume set introduces on the management side principles and procedures of economics budgeting and finance leadership governance communication business law and ethics and human resources practices all in the sports context On the marketing side this reference resource explores two broad streams marketing of sport and of sport related products promoting a particular team or selling team and sport related merchandise for example and using sports as a platform for marketing non sports products such as celebrity endorsements of a particular brand of watch or the corporate sponsorship of a tennis tournament Together these four volumes offer a comprehensive and authoritative overview of the state of sports management and marketing today providing an invaluable print or online resource for student researchers

Sales Management Robert E. Hinson, Ogechi Adeola, Abednego Feehi Okoe

Amartey, 2018-09-01 In a fast moving era of increased international competition frontier markets must devise innovative ways to meet demanding sales targets and maintain profitability These efforts will only succeed when local businesses abandon the concept of sales as a checklist of persuasive arguments that lead a customer to make a purchase and accept that building enduring customer relationships is the key to achieving sales goals To understand what it means to sell successfully sales representatives must develop a solid foundation in selling skills and an understanding of the critical elements needed to achieve sales goals By delving into the foundational concepts related to leveraging sales as a tool for organisational profit the authors give readers important insights into the critical elements of the sales process including consultative selling sales force management qualities of effective leadership in sales and the use of technological tools such as Customer Relationship Management CRM and Sales Force Automation SFA systems This book includes insightful contributions from leading sales and marketing practitioners across the continent of Africa on characteristics of successful salespeople and how to recruit them the crucial role of sales leadership sales team training methods and strategies for developing customer relationship management programs Case studies tie theory to practice and short quizzes help readers test their understanding of the material Written in an accessible and reader friendly format this book is primarily aimed at undergraduate students with a secondary audience comprised of postgraduate students and business practitioners
