gender the ladies can endure more than the guys they are conditioned to carry nurture deliver push sensitive which is of their beauty But the guys are very physical they have strength discipline smart more logical Looking at it they are quite different but they were created to complete each other they will get together and create one human being As Humans God expects us to live as a community which is a product of families When God said love your neighbor as you love yourself if you have to enumerate your neighbor who should be your first neighbor your first should be your spouse then your children So society expects a great participation of your family to have a nice world This book is pretty deep there are so much to learn Definitely you will have a great time reading this book     *Handbook of Marriage and the Family* Marvin B.
