**Cheryl Waites**

## **Relatives Raising Children An Overview Of Kinship Care:**

**Relatives Raising Children** Joseph Crumbley, Robert L. Little, 1997 The rapid growth of kinship foster care full time parenting of children by relatives or other adults who have a kinship bond with a child has caught many child welfare agencies off guard This monograph presents information needed by professionals agencies institutions communities and organizations to develop and provide services to kinship caregivers kinship families children and parents The monograph contains discussions of common clinical issues suggests intervention strategies examines kinship care s legal implications and offers policy and program recommendations Chapter 1 compares relative or kinship care to traditional family foster care and outlines the characteristics of kinship care that necessitate changes in outlook and practice Chapter 2 analyzes the clinical issues that must be considered in serving children parents and kinship caregivers Chapters 3 and 4 provide guidance on child welfare practice with kinship families Chapter 5 considers the effect of culturally based child rearing practices gender roles and hierarchy of authority on child welfare practice with kinship families as well as the impact of parental incarceration substance abuse and HIV AIDS Chapter 6 looks at the legal rights responsibilities and status of kinship families caregivers parents and children Chapter 7 discusses federal and state issues for program and policy development this chapter also examines the philosophy and values underlying provision of financial support to kinship families the emerging federal role state policy directions and permanency planning Contains 40 references KB

**Working With Custodial Grandparents** Bert Hayslip, 2003 The 18 papers of this collection on grandparents who raise their grandchildren are grouped into the broad categories of theory practical applications and empirical studies Individual topics include case studies intervention research support groups cross discipline approaches to establishing caregiving guidelines the psychological adaptation of grandchildren building parenting skills and grandparent caregivers of children with developmental disabilities The contributors teach psychology social work child development and gerontology at universities in the US

**Kinship Care** Elaine Farmer, Sue Moyers, 2008-05-15 This book compares formal kinship care to traditional foster placements The authors explore whether children placed with family and friends fare better or worse than other foster children what services are provided and needed and how kin care is experienced by carers children and social workers

**Juvenile Justice** , 1997

*Listening to Children about Kinship Care, Child Welfare, and Permanence* Paul Daniel Shuttleworth, 2025-09-26 For too long kinship and other forms of childhood care have been determined without a clear focus on children s views This book unveils unique research on the transformative power of listening to children exploring how they navigate family life and relationships It offers fresh insights for theories policies and practices in support of children s welfare Essential reading for academics researchers practitioners and families this book champions a new critical realist what matters approach reinvigorating kinship care and child permanence debates

**The Handbook of Therapeutic Care for Children** Joe Tucci, Janise Mitchell, Edward C Tronick, 2019-09-19 This innovative book brings together a wide range of therapeutic

approaches techniques and models to outline recent developments in the practice of supporting children in out of home care It sheds light on the significance of schools sports and peer relationships in the lives of traumatized children It also draws particular attention to the vital importance of taking into account children s cultural heritage and to the growing prevalence of relative care Each chapter is set out by acclaimed and world renowned contributors specific approach such as Dan Hughes and his work on conceptual maps and Cathy Malchiodi and her research on creative interventions and gives practical ways to support children and carers It also includes contributions from Bruce Perry Allan Schore and Martin Teicher This comprehensive volume will open new avenues for understanding how the relationship between child and carer can create opportunities for change and healing The Routledge Handbook of Global Child Welfare Pat Dolan,Nick Frost,2017-02-17

In the context of the increasing global movement of people and a growing evidence base for differing outcomes in child welfare Routledge Handbook of Global Child Welfare provides a compelling account of child welfare grounded in the latest theory policy and practice Drawing on eminent international expertise the book offers a coherent and comprehensive overview of the policies systems and practices that can deliver the best outcomes for children It considers the challenges faced by children globally and the difference families services and professionals can make This ambitious and far reaching handbook is essential reading for everyone working to make the world a better and safer place for children Fostering Kinship Roger Greeff,2018-08-09 First published in 1999 this work draws together a multi national collection of papers and aims to stimulate the development of policy and practice in this often neglected area It aims to offer examples of good social work practice informed by relevant theoretical insights to give a voice to kinship foster carers and young people so that practice can be informed by an understanding of their experience to share the results of current research to highlight issues for policy makers and to place the issues in the wider international context of developing social policy ideology and social change There are contributions from the UK Poland the Netherlands Belgium Ireland the US and New Zealand Resources in Education ,1999-10 *The Post-Adoption Blues* Karen J. Foli,John R. Thompson,2004-08-07 Over 150 000 people adopt children each year and more than 2 million parents are now raising adopted children and grandchildren While the path to parenting through adoption is rich with rewards and fulfillment it s not without its bumps This compassionate illuminating and ultimately uplifting book is the first to openly recognize the very normal feelings of stress that adoptive families encounter as they cope with the challenges and expectations of their new families Where do parents turn when the waited for bonding with their adopted child is slow to form When they find themselves grieving over the birth child they couldn t have When the child they so eagerly welcomed into their home arrives with major unexpected needs Until now adoptive parents have had to struggle silently with their feelings which can range from flutters of anxiety to unbearable sadness At last Karen J Foli a registered nurse and her husband John R Thompson a psychiatrist lift the curtain of secrecy from Post Adoption Depression Syndrome PADS Drawing on their own experience as adoptive parents as well as interviews with dozens of

adoptive families and experts in the field the couple offers parents the understanding support and concrete solutions they need to overcome post adoption blues and open their hearts to the joy adoption can bring      **Social Work Practice with Families and Children** Anthony Maluccio,Barbara Pine,Elizabeth M. Tracy,2002-09-11 This book emphasizes family centered social network and school based interventions in the preparation of social workers for direct and indirect practice with clients from vulnerable populations especially the poor people of color and recent immigrant groups With an eye to recent changes in social work practice and service delivery including the impact of welfare reform and managed care on vulnerable families and children Social Work Practice with Families and Children helps social work students and practitioners understand the increasingly complex needs of their clients Three valuable appendixes include information about tools and instruments to support practice child welfare resource centers and electronic resources pertaining to the field

*Social Work Practice with African American Families* Cheryl Waites,2009-06-02 Be more effective by understanding African American families from an intergenerational perspective Social workers looking to provide competent practice with African American families may be more effective by using a new strengths based approach from an intergenerational perspective Social Work Practice with African American Families presents a comprehensive look at this new approach to view assess and provide services to multigenerational families and communities It closely examines this useful innovative framework which encourages opportunities for action to create solutions for survival and change The approach dynamically considers the changing demographics in American society key issues and the various challenges pertinent to the African American community This text offers a strong culturally competent approach to social work practice for African American families that takes into consideration the latest policies programs and demographic changes It also incorporates the voices of African American families along with teaching that focuses on strengths derived from the transfer of information and support between multiple generations The book is extensively referenced and provides tables to clearly present data Topics discussed include the importance of strong kinship bonds demographic changes mutually supportive intergenerational relationships intergenerational policy intergenerational programs cultural genograms assessment issues long term care giving issues intergenerational influences on education the role of intergenerational knowledge transfer in church community programming and much more Social Work Practice with African American Families is a valuable resource for social workers counselors educators and students in African American studies and family studies      Guidelines for Public Policy and State Legislation Governing Permanence for Children Donald N. Duquette,1999      **Journal of Social Casework** ,2009

**Normal Family Processes, Fourth Edition** Froma Walsh,2015-10-02 Widely adopted this valued course text and practitioner guide has expanded the understanding of family normality and healthy functioning in our increasingly diverse society The editor and contributors are at the forefront of research and clinical training They describe the challenges facing contemporary families and ways in which clinicians can promote resilience With consideration of sociocultural and

developmental influences chapters identify key family processes that nurture and sustain strong bonds in couples dual earner divorced single parent remarried adoptive and kinship care families gay and lesbian families culturally diverse families and those coping with adversity such as trauma poverty and chronic illness New to This Edition Reflects important research advances and the changing contexts of family life Additional chapter topics kinship care family rituals evidence based assessment and neurobiology All chapters have been fully updated

**A Restorative Approach to Family Violence** Anne Hayden, Loraine Gelsthorpe, Allison Morris, 2016-03-16 This volume provides an essential update on current thinking practice and research into the use of restorative justice in the area of family violence It contains contemporary empirical theoretical and practical perspectives on the use of restorative justice for intimate partner and family violence including sexual violence and elder abuse Whilst raising issues relating to the implications of reporting it provides a fresh look at victims issues as well as providing accounts of those who have participated in restorative justice processes and who have been victims of abusive relationships Contributions are included from a wide range of perspectives to provide a balanced approach that is not simply polemic or advocating Rather the book genuinely raises the issue for debate with the advantage of bringing into the open new research which has not been widely published previously Given its unique experience in the development of restorative justice the book includes empirical studies relating to New Zealand contextualized within the global situation by the inclusion of perspectives on practices in the UK Australia and North America This book will be key reading for people who work with violent offending of a family nature as well as for those who are interested in the study of family violence

**The Child Welfare Challenge** James K. Whittaker, 2017-07-12 Within a historical and contemporary context this book examines major policy practice and research issues as they jointly shape child welfare practice and its future In addition to describing the major problems facing the field the book highlights service innovations that have been developed in recent years The resulting picture is encouraging especially if certain major program reforms are implemented and agencies are able to concentrate resources in a focused manner The volume emphasizes families and children whose primary recourse to services has been through publicly funded child welfare agencies The book considers historical areas of service foster care and adoptions in home family centered services child protective services and residential services where social work has an important role Authors address the many fields of practice in which child and family services are provided or that involve substantial numbers of social work programs such as services to adolescent parents child mental health education and juvenile justice agencies This new edition will continue to serve as a fundamental introduction for new practitioners as well as summary of recent developments for experienced practitioners

**Handbook of Parenting and Child Development Across the Lifespan** Matthew R. Sanders, Alina Morawska, 2018-12-06 This handbook presents the latest theories and findings on parenting from the evolving roles and tasks of childrearing to insights from neuroscience prevention science and genetics Chapters explore the various processes through which parents influence the lives of their children as well as the

effects of parenting on specific areas of child development such as language communication cognition emotion sibling and peer relationships schooling and health Chapters also explore the determinants of parenting including consideration of biological factors parental self regulation and mental health cultural and religious factors and stressful and complex social conditions such as poverty work related separation and divorce In addition the handbook provides evidence supporting the implementation of parenting programs such as prevention early intervention and treatments for established issues The handbook addresses the complementary role of universal and targeted parenting programs the economic benefits of investment in parenting programs and concludes with future directions for research and practice Topics featured in the Handbook include The role of fathers in supporting children s development Developmental disabilities and their effect on parenting and child development Child characteristics and their reciprocal effects on parenting Long distance parenting and its impact on families The shifting dynamic of parenting and adult child relationships The effects of trauma such as natural disasters war exposure and forced displacement on parenting The Handbook of Parenting and Child Development Across the Lifespan is an essential reference for researchers graduate students clinicians and therapists and professionals in clinical child and school psychology social work pediatrics developmental psychology family studies child and adolescent psychiatry and special education Families in Society ,2006 **The Impossible Imperative** Jill Duerr Berrick,Erika Altobelli,2018 The Impossible Imperative brings to life the daily efforts of child welfare professionals working on behalf of vulnerable children and families Stories that highlight the work written by child welfare staff on the front lines speak to the competing principles that shape everyday decisions The book shows that rather than being a simple task of protecting children the field of child welfare is shaped by a series of competing ideas The text features eight principles that undergird child protection practice all of which are typically in conflict with others These principles guide practice and direct the course of policymaking but when liberated from their aspirational context and placed in the real world they are fraught with contradiction The Impossible Imperative is designed to inspire a lively debate about the fundamental nature of child welfare and about the principles that serve as the foundation for the work It can be used as a teaching tool for aspiring professionals and as motivation to those looking to social work to make a difference in the world

## Whispering the Secrets of Language: An Psychological Journey through **Relatives Raising Children An Overview Of Kinship Care**

In a digitally-driven earth wherever screens reign great and immediate connection drowns out the subtleties of language, the profound secrets and emotional subtleties concealed within phrases usually go unheard.
