Relax Its Just A Game:

It's Just a Game! Darrell J Burnett, Ph.D., Darrell J. Burnett, 2001-02-28 In place of a 3rd printing of his original book *Youth Sports Self Esteem A Guide for Parents* Dr Darrell Burnett a published authority on parenting decided to revise his popular book adding some sportsmanship checklists and changing the title to *It's Just a Game* to reflect the importance of keeping youth sports in the proper perspective While discussing the psychology of youth sports Dr Burnett not only points out how sports can strengthen a child's self esteem he offers specific practical positive parenting guidelines to help make it happen Topics include The four cornerstones of self esteem 12 guidelines for promoting children's self esteem through youth sports Case examples photos cartoons references Skill behavior and sportsmanship checklists A Parent Attitude Behavior Checklist for youth sports A list of 86 Ways To Say Very Good The book's theme is straightforward kids have enough pressure in life and youth sports should not add to it Youth sports can and should promote self esteem offering every youngster an opportunity to enjoy the simple fun of participating in sports while learning skills feeling good and building positive childhood memories Dr Burnett's book gives parents a blueprint for building those memories Relax, It's Just Sex Leslie Spurr Ph.D., 2017-05-18 Surveying the many forms of non possessive intimate relationships this book explains how these alternative lifestyle arrangements work psychologically and describes the benefits and risks for those involved within contemporary contexts such as swinging threesomes polyamory and recreational sex clubs The thought that one could have sex with outsiders with the consent and support of your spouse or significant other and still love and make love with your primary partner is a radical notion for most men and women And yet an increasing number of married and unmarried couples are doing just this and their relationships are flourishing as a result *Relax It's Just Sex* Understanding Non Possessive Intimate Relationships examines a relatively new form of intimate relationship that is increasingly popular among contemporary couples and singles The book introduces the term non possessive intimate relationships and shows from a psychological perspective how these arrangements work emotionally and cognitively for the individuals involved Licensed clinical psychologist and relationship therapist Leslie Spurr PhD explores the psychologically issues involved and then takes a close look at various examples of the non possessive intimate relationship style within several mostly covert contexts in which relationship partners agree to provide each other with the freedom to engage intimately with outsiders Written in a nontechnical accessible style *Relax It's Just Sex* uses humor and references to popular culture including films novels and songs to engage the reader in content that is primarily informative but also entertaining This important and eye opening book makes clear the significance and reasons for the growing popularity of the non possessive intimate relationship phenomenon and explains why and how this lovestyle may constitute a sexual revolution It's Just a Game M. Douglas McKeever, 2012-06-26 My name is Doug McKeever I was born in Des Moines Iowa the youngest of six children of which none play golf I was fortunate to have grown up with the greatest golfers in their prime playing golf on T V like Jack Nicolas Sam

Snead Arnold Palmer and Gary Player to name a few which made my love of golf come alive I received my first set of clubs when I was 19 years old from my brother the oldest sibling shortly thereafter I was evicted from my apartment and my clubs were stolen A few years later I bought another set and off I went to the closest golf course taught myself to play and I've been playing ever since
