Releasing The Ability Of God Through Prayer:

Releasing the Ability of God Through Prayer Charles Capps, Norvel Hayes, 2004-05 Prayer is governed by spiritual laws and is designed to work for you It is more powerful than the laws of nature that rule the universe today When you learn to pray faithfilled words you release God s ability and bring Him on the scene on your behalf **Your Glorious, Victorious Journey** Charles Garrett, 2015-11-18 Success principles are almost universal but are often difficult to apply This is true for Christians who attempt to live for Christ and still answer the demands of everyday living In *Your Glorious Victorious Journey* author Charles Garrett presents a simple yet effective outline and plan to help ensure success as a Christian Garrett offers keys to success with the ultimate goal of being an effective servant finding a map for your journey and making a battle plan to help you fight the attacks of the enemy He shows you how to discover your purpose declare your principles determine your priorities describe your prize decide your price develop your plan deploy your parachute discuss your progress and deliver your proof *Your Glorious Victorious Journey* discusses the strategic keys to help you identify and clarify your purpose in life and help plan your route It addresses the tactical keys the mileposts along your journey that represent your master plan and your detailed road map With a fresh and well seasoned perspective gained through personal experience Garrett gives a new dynamic to successful Christian living by taking concepts that are typically reserved for business and applying them to personal spiritual success **Prayerfully Yours** Benjamin Vima, 2012-01-09 The truth on the Power of Prayer is Biblical historical and experiential Every religion recognizes it every human that needs support to rise up and walk to think positively and live fruitfully will testify to the usefulness of prayer The Biblical testimony on the efficacy of prayer is As Gods Word will not return to Him void but shall achieve the end for which He sent it Is 55 11 so the prayer of the lowly does not rest till it reaches its goal Sir 35 17 18 The author of this book having been a prey of such powerful tool in the Vineyard of the Lord shares his personal and experiential thoughts and convictions about prayer According to him only through prayer humans can build up and manage a qualitylife as the disciples of Jesus Through this book he shares with readers some of his findings of the method of qualityprayer which is simple but productive containing little nuance but with admiration of existing Traditions and exclusive with its unique approach to prayer but inclusive of all possible saints efforts over the centuries in praying fruitfully The author compares qualityprayer process to the walking through inside portions of a Catholic Church building He tries to walk with us through the four phases of qualityprayer and make us perceive clearly our actions and Gods own as well at each phase The book asserts that though prayer is not a resource and support in the natural process of human development it is by all means an indispensable source and basis for developing a matured Christian personality However mere formal or traditional prayer would do no good in this regard It would help keeping up our status quo It will not contribute much to our growth of Christian personality Even the prayer of the intellect namely prayerful meditation or reflection would not do that much help as it should This kind of prayer would meet its immature death as I had gone through

sometime back Once the intellect gets more truths and facts about life God religion and universe it would surely put a full stop to any kind of prayer But if the same prayer is experiential and personal the author writes if it is intensively connecting the soul to its God the Ground of being the Beyond of everything if it accelerates the process of intimacy between the human and the Divine then surely prayer becomes the primary source of change growth and development in human personality and through him her influences the entire universe This is what happened in Jesus and so in His disciples and godly people of today I dare to name this kind of prayer as QualityPrayer

Charting the Supernatural Judgements of Planet Earth Jeremiah Asher,2010-08-10 Chapter 3 The First Judgment The World Prior To Adam There may have been many judgments upon the earth since its beginning millions or billions of years ago however the present commentary will deal only with the last tens of thousands of years of earth s existence In Genesis 1 2 the verses written by Moses as author of the Genesis account portray an earth that was veiled in darkness so that its form could not be discerned The earth at that time was covered with water ice high above the mountain tops so that it gave the appearance of being a dark revolving sphere of frozen water Table 2 God s spirit is described as hovering over this revolving ball of water and brooding over the sad condition of this dark void planet God did not create a dark and dismal planet at the beginning because God does not create darkness in fact darkness is incompatible with His existence and presence So what had happened that God viewed Gen 1 2 such a decrepit state of the world Does scripture attempt to explain this phenomenon or does the inspired word of God remain silent on this issue It was first proposed as a theory by the Scotsman Thomas Chalmers in the early 19th century that a gap in time existed between Genesis 1 1 and Genesis 1 2 This gap in time would encompass a ruin reconstruction theme and the existence of pre Adamic living beings Obviously a huge catastrophic event would have had to occur to produce this decadent state of the world The gap concept was later popularized by mention in the margin notes of the Scofield Reference Bible
