Religion And Family In A Changing Society Princeton Studies In Cultural Sociology:

Religion and Family in a Changing Society Penny Edgell, 2013-12-03 The 1950s religious boom was organized around the male breadwinner lifestyle in the burgeoning postwar suburbs But since the 1950s family life has been fundamentally reconfigured in the United States How do religion and family fit together today This book examines how religious congregations in America have responded to changes in family structure and how families participate in local religious life Based on a study of congregations and community residents in upstate New York sociologist Penny Edgell argues that while some religious groups may be nostalgic for the Ozzie and Harriet days others are changing knowing that fewer and fewer families fit this traditional pattern In order to keep members with nontraditional family arrangements within the congregation these innovators have sought to emphasize individual freedom and personal spirituality and actively to welcome single adults and those from nontraditional families Edgell shows that mothers and fathers seek involvement in congregations for different reasons Men tend to think of congregations as social support structures and to get involved as a means of participating in the lives of their children Women by contrast are more often motivated by the quest for religious experience and can adapt more readily to pluralist ideas about family structure This Edgell concludes may explain the attraction of men to more conservative congregations and women to nontraditional religious groups

A Faith of Their Own Lisa Pearce, Melinda Lundquist Denton, 2011-01-07 Adding to the contributions made by *Soul Searching* and *Souls in Transition* two books which revolutionized our understanding of the religious lives of young Americans Lisa Pearce and Melinda Lundquist Denton here offer a new portrait of teenage faith Drawing on the massive National Study of Youth and Religion's telephone surveys and in depth interviews with more than 120 youth at two points in time the authors chart the spiritual trajectory of American adolescents and young adults over a period of three years Turning conventional wisdom on its head the authors find that religion is an important force in the lives of most though their involvement with religion changes over time just as teenagers themselves do Pearce and Denton weave in fascinating portraits of actual youth to give depth to mere numerical rankings of religiosity which tend to prevail in large studies One teenager might rarely attend a service yet count herself profoundly religious another might be deeply involved in a church's social world yet claim to be not like deep into the faith They provide a new set of qualitative categories Abiders Assenters Adapters Avoiders and Atheists quoting from interviews to illuminate the shading between them And with their three year study they offer a rich understanding of the dynamic nature of faith in young people's lives during a period of rapid change in biology personality and social interaction Not only do degrees of religiosity change but so does its nature whether expressed in institutional practices or personal belief By presenting a new model of religious development and change illustrated with compelling personal accounts of real teenagers Pearce and Denton offer parents scholars and religious leaders a new guide for understanding religious development in teens

The SAGE Handbook of Cultural Sociology David Inglis, Anna-Mari

Almila,2016-05-09 Cultural sociology or the sociology of culture has grown from a minority interest in the 1970s to become one of the largest and most vibrant areas within sociology globally In The SAGE Handbook of Cultural Sociology a global range of experts explore the theory methodology and innovations that make up this ever expanding field The Handbook s 40 original chapters have been organised into five thematic sections Theoretical Paradigms Major Methodological Perspectives Domains of Inquiry Cultural Sociology in Contexts Cultural Sociology and Other Analytical Approaches Both comprehensive and current The SAGE Handbook of Cultural Sociology will be an essential reference tool for both advanced students and scholars across sociology cultural studies and media studies *Religion and Organization Theory* Paul Tracey,Nelson Phillips,Michael Lounsbury,2014-04-02 Despite the profound influence that religious organizations exert religion occupies a curiously marginal place in organization theory This volume aims to make available in one place existing knowledge on religion and organizations encouraging more organization theorists to include religion as part of their research activities and agenda Not by Faith Alone Julie Adkins,Laurie A. Occhipinti,Tara Hefferan,2010-01-01 This volume builds on the existing ethnographic literature on faith based development internationally to offer a fresh and sophisticated analysis of faith based organizations in the United States The case studies included offer starting points for expanded discussions on the meaning of faith based development the differences between faith based and secular development approaches the influence of faith orientation on program formulation and delivery and whether faith based organizations can offer more efficient and effective solutions to structural inequality and poverty alleviation Values, Religion, and Culture in Adolescent Development Gisela Trommsdorff,Xinyin Chen,2012-08-27 Cultural values and religious beliefs play a substantial role in adolescent development Developmental scientists have shown increasing interest in how culture and religion are involved in the processes through which adolescents adapt to environments This volume constitutes a timely and unique addition to the literature on human development from a cultural contextual perspective Editors Gisela Trommsdorff and Xinyin Chen present systematic and in depth discussions of theoretical perspectives landmark studies and strategies for further research in the field The eminent contributors reflect diverse cultural perspectives transcending the Western emphasis of many previous works This volume will be of interest to scholars and professionals interested in basic developmental processes adolescent social psychology and the sociological and psychological dimensions of religion Religion in America Lisa D. Pearce,Claire Chipman Gilliland,2020-08-04 Written in an engaging and accessible tone Religion in America probes the dynamics of recent American religious beliefs and behaviors Charting trends over time using demographic data this book examines how patterns of religious affiliation service attendance and prayer vary by race and ethnicity social class and gender The authors identify demographic processes such as birth death and migration as well as changes in education employment and families as central to why some individuals and congregations experience change in religious practices and beliefs while others hold steady Religion in America challenges students to examine the demographic data alongside everyday accounts of how

religion is experienced differently across social groups to better understand the role that religion plays in the lives of Americans today and how that is changing **Handbook of Religion and Society** David Yamane, 2016-07-15 The Handbook of Religion and Society is the most comprehensive and up to date treatment of a vital force in the world today It is an indispensable resource for scholars students policy makers and other professionals seeking to understand the role of religion in society This includes both the social forces that shape religion and the social consequences of religion This handbook captures the breadth and depth of contemporary work in the field and shows readers important future directions for scholarship Among the emerging topics covered in the handbook are biological functioning organizational innovation digital religion spirituality atheism and transnationalism The relationship of religion to other significant social institutions like work and entrepreneurship science and sport is also analyzed Specific attention is paid where appropriate to international issues as well as to race class sexuality and gender differences This handbook includes 27 chapters by a distinguished diverse and international collection of experts organized into 6 major sections religion and social institutions religious organization family life course and individual change difference and inequality political and legal processes and globalization and transnationalism *The Politics of Evangelical Identity* Lydia Bean, 2016-12-13 Drawing on her groundbreaking research at evangelical churches near the U S border with Canada two in Buffalo New York and two in Hamilton Ontario Lydia Bean compares how American and Canadian evangelicals talk about politics in congregational settings Korean American Evangelicals New Models for Civic Life Elaine Howard Ecklund, 2006-11-09 Studies of religion among our nation's newest immigrants largely focus on how religion serves the immigrant community for example by creating job networks and helping retain ethnic identity in the second generation In this book Ecklund widens the inquiry to look at how Korean Americans use religion to negotiate civic responsibility as well as to create racial and ethnic identity She compares the views and activities of second generation Korean Americans in two different congregational settings one ethnically Korean and the other multi ethnic She also conducted more than 100 in depth interviews with Korean American members of these and seven other churches around the country and draws extensively on the secondary literature on immigrant religion American civic life and Korean American religion Her book is a unique contribution to the literature on religion race and ethnicity and on immigration and civic life **Economists and Societies** Marion Fourcade, 2009-03-09 Economists and Societies is the first book to systematically compare the profession of economics in the United States Britain and France and to explain why economics far from being a uniform science differs in important ways among these three countries Drawing on in depth interviews with economists institutional analysis and a wealth of scholarly evidence Marion Fourcade traces the history of economics in each country from the late nineteenth century to the present demonstrating how each political cultural and institutional context gave rise to a distinct professional and disciplinary configuration She argues that because the substance of political life varied from country to country people's experience and understanding of the

economy and their political and intellectual battles over it crystallized in different ways through scientific and mercantile professionalism in the United States public minded elitism in Britain and statist divisions in France Fourcade moves past old debates about the relationship between culture and institutions in the production of expert knowledge to show that scientific and practical claims over the economy in these three societies arose from different elites with different intellectual orientations institutional entanglements and social purposes Much more than a history of the economics profession Economists and Societies is a revealing exploration of American French and British society and culture as seen through the lens of their respective economic institutions and the distinctive character of their economic experts **Handbook of the**

Sociology of Religion Michele Dillon,2003-08-18 Table of contents *Kinship and Cohort in an Aging Society* Merrill Silverstein,Roseann Giarrusso,2013-09 According to family sociologist Vern Bengtson generations within families are important sources of influence change and development Kinship and Cohort in an Aging Society brings together scholars whose common link is their intellectual intersection with the work of Vern Bengtson an esteemed family sociologist whose accomplishments include foundational theoretical contributions to the study of families and intergenerational relations as well as the development of the widely used Longitudinal Study of Generations data set The study began in 1971 and is the basis for Bengtson s highly influential concept and measurement model the intergenerational solidarity conflict paradigm This book serves as an excellent compendium of original research that examines how Bengtson s solidarity model a theory that informs nearly all intergenerational and gerontology sociology work performed today continues to be relevant to scholars and practitioners Written by internationally recognized scholars the book s fifteen chapters are mapped to five major thematic areas to which Bengtson s research contributed family connections grandparents in a changing demographic landscape generations and cohorts micro macro dialectics religion and families in the context of continuity change and conflict and global cross national and cross ethnic concerns Key strengths of the book include the diversity of foci and data sources and the strong attention given to global and international issues Kinship and Cohort in an Aging Society will appeal to scholars working in sociology psychology gerontology family studies and social work *The Cultural and Political Economy of Recovery* Emily Chamlee-Wright,2010-03-03 How do societies achieve a level of complexity coordination and social intelligence that far surpasses the capacity of individual human intelligence Emily Chamlee Wright addresses this question in the context of civil society generally in which we cannot always rely on market prices to guide our way

Religion and Inequality in America Lisa A. Keister,Darren E. Sherkat,2014-07-10 Examines how social inequality is affected by religious beliefs and affiliation with contributions in the fields of religion and sociology *The British National Bibliography* Arthur James Wells,2005 **The Oxford Handbook of Psychology and Spirituality** Lisa J. Miller,2024 This updated edition of The Oxford Handbook of Psychology and Spirituality codifies the leading empirical evidence in the support and application of postmaterial psychological science Lisa J Miller has gathered together a group of ground breaking

scholars to showcase their work of many decades that has come further to fruition in the past ten years with the collective momentum of a Spiritual Renaissance in Psychological Science With new and updated chapters from leading scholars in psychology medicine physics and biology the Handbook is an interdisciplinary reference for a rapidly emerging approach to contemporary science Highlighting fresh ideas and supporting science this overarching work provides both a foundation and a roadmap for what is truly a new ideological age

Culture and Activism Elizabeth Cherry, 2016-04-28 Winner of the Award for Distinguished Scholarship from the Animals Society Section of the American Sociological Association This book offers a comparison of the animal rights movements in the US and France drawing on ethnographic and interview material gathered amongst activists in both countries Investigating the ways in which culture affects the outcomes of the two movements the author examines its role as a constraining and enabling structure in both contexts showing how cultural beliefs values and practices at the international national and organizational levels shape the strategic and tactical choices available to activists and shedding light on the reasons for which activists make the choices that they do With attention to the different emphases placed by the respective movements on ideological purity and pragmatism this volume provides an account of why their achievements differ in spite of their shared ultimate goals offering policy recommendations and suggestions for activists working in a variety of cultures Informed by the work of Giddens and Bourdieu **Culture and Activism** Animal Rights in France and the United States constitutes an empirically grounded comparative study of activism that will appeal to scholars of sociology anthropology political science and cultural geography with interests in social movements and social problems

Religious Education in a Multicultural Europe Emer Smyth, Maureen Lyons, Merike Darmody, 2013-08-29 Drawing on a major EU funded research project this book examines how religious secular beliefs are formed at school and in the family across different European countries offering insights into key policy issues concerning the place of religion in the school system and illuminating current debates around religion and multiculturalism

Post-Conflict Studies Chip Gagnon, Keith Brown, 2014-07-11 This book examines how the violence of conflict is transformed in the post conflict period Post conflict studies seek to illuminate theorise and narrate the processes by which societies transition from periods of overt and violent conflict to periods of relative stability and peace Most of the research carried out on post conflict societies has taken place within disciplinary bounds In contrast this volume breaches those boundaries though each author is grounded in a particular discipline the chapters have been written in a spirit of interdisciplinarity The focus of the volume is how the violence of conflict is transformed in the post conflict period into processes that the editors have categorised as criminalisation medicalisation and missionisation Comprised of essays written by a diverse group of scholars and activists from anthropology political science international relations law education religion and military history each section of the book looks at the concept of post conflict in a way that problematises its common usage and highlights the importance of strongly interdisciplinary research into post conflict societies This book will be of

interest to students of war and conflict studies peace studies security studies and IR in general

Religion And Family In A Changing Society Princeton Studies In Cultural Sociology Introduction

In the digital age, access to information has become easier than ever before. The ability to download Religion And Family In A Changing Society Princeton Studies In Cultural Sociology has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religion And Family In A Changing Society Princeton Studies In Cultural Sociology has opened up a world of possibilities. Downloading Religion And Family In A Changing Society Princeton Studies In Cultural Sociology provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religion And Family In A Changing Society Princeton Studies In Cultural Sociology has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download

Religion And Family In A Changing Society Princeton Studies In Cultural Sociology. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religion And Family In A Changing Society Princeton Studies In Cultural Sociology. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religion And Family In A Changing Society Princeton Studies In Cultural Sociology, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Religion And Family In A Changing Society Princeton Studies In Cultural Sociology has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Religion And Family In A Changing Society Princeton Studies In Cultural Sociology Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Religion And Family In A Changing
