Religion And Humes Legacy:

CSPR;Religion and Hume's Legacy D. Z. Phillips,Timothy Tessin,2016-07-27 Whether one agrees with him or not there is no avoiding the challenge of Hume for contemporary philosophy of religion The symposia in this stimulating collection reveal why whether the discussions concern Hume on metaphysics and religion true religion religion and ethics religion and superstition or miracles For some Hume s criticisms of religion are so devastating that religion cannot withstand them Others disagree and claim that Hume can be answered on his own terms For others while Hume shows us paths we should not take these open up the way for a consideration of religious possibilities he never considered These are not peripheral matters The responses to them determine the style and spirit in which one pursues philosophy of religion today

Routledge Philosophy Guidebook to Hume on Religion David O'Connor,George Pattison,2001 David Hume was the most important British philosopher of the eighteenth century Hume on Religion introduces students to his major work on the subject *Dialogues Concerning Natural Religion* **Religion and Hume's Legacy** Dewi Zephaniah Phillips,Timothy Tessin,1999 *Hume on God* Timothy S. Yoder,2008-12-01 David Hume one of the most influential philosophers to have written in the English language is widely known as a skeptic and an empiricist He is famous for raising questions about the existence of things for which there is insufficient empirical evidence such as souls the self miracles and perhaps most importantly God Despite this reputation however Hume s works contain frequent references to a deity and one searches in vain to find a positive assertion of atheism This book proposes a different reading of Hume on God in which Hume is seen as proposing a genuine theism Yoder investigates Hume s use of irony and his relationship with the Deists of his era and offers a thorough re examination of Hume s writings on religion Yoder concludes that despite Hume s criticisms of the church religiously based ethics and the belief in miracles he stops well short of a rejection of the existence of God Always a creative thinker Hume carves out a unique conception of the divine being Hume on Art, Emotion, and Superstition Amyas Merivale,2018-12-07 This book offers the first comprehensive critical study of David Hume s Four Dissertations of 1757 containing the Natural History of Religion the Dissertation on the Passions and the two essays Of Tragedy and Of the Standard of Taste The author defends two important claims The first is that these four works were not published together merely for convenience but that they form a tightly integrated set unified by the subject matter of the passions The second is that the theory of the passions they jointly present is significantly different indeed significantly improved from that of the earlier Treatise Most strikingly it is anti egoist and anti hedonist about motivation where the Treatise had espoused a Lockean hedonism and egoism It is also more cognitivist in its analysis of the passions themselves and demonstrates a greater awareness of the limits of sympathy and of the varieties of human taste This book is an important contribution to the scholarly literature on Hume s work on the passions art and superstitious belief *Historical Dictionary of Hume's Philosophy* Angela Coventry,Kenneth R. Merrill,2018-12-15 The philosopher David Hume was born in Edinburgh Scotland on

April 26 1711 Known for his re thinking of causation morality and religion Hume has left a lasting mark on history James Madison the father of the U S Constitution drew heavily on Hume s writing especially his Idea of Perfect Commonwealth which combated the belief at the time that a large country could not sustain a republican form of government Hume s writing also influenced Adam Smith s Wealth of Nations and the philosophy of Immanuel Kant This edition attempts a broader picture of Hume s philosophy including more detail on the elements of his psychology aesthetics social and political philosophy as well as his legacy in contemporary topics of race feminism animal ethics and environmental issues This second edition of Historical Dictionary of Hume s Philosophy contains a chronology an introduction and an extensive bibliography The dictionary section has over 100 cross referenced entries covering key terms as well as brief discussions of Hume s major works and of some of his most important predecessors contemporaries and successors This book is an excellent resource for students researchers and anyone wanting to know more about David Hume

The Oxford Handbook of Philosophy of Religion William Wainwright, 2004-12-16 The Oxford Handbook of Philosophy of Religion contains newly commissioned chapters by 21 prominent experts who cover the field in a comprehensive but accessible manner Each chapter is expository critical and representative of a distinctive viewpoint

The Bloomsbury Companion to Hume Alan Bailey, Daniel Jayes O'Brien, 2015-07-30 David Hume 1711 1776 philosopher historian and essayist is widely considered to be Britain s greatest philosopher One of the leading intellectual figures of the Scottish Enlightenment his major works and central ideas especially his radical empiricism and his critique of the pretensions of philosophical rationalism remain hugely influential on contemporary philosophers This comprehensive and accessible guide to Hume s life and work includes 21 specially commissioned essays written by a team of leading experts covering every aspect of Hume s thought The Companion presents details of Hume s life historical and philosophical context providing students with a comprehensive overview of all the key themes and topics apparent in his work including his accounts of causal reasoning scepticism the soul and the self action reason free will miracles natural religion politics human nature women economics and history and an account of his reception and enduring influence This textbook is indispensable to anyone studying in the areas of Hume Studies British and eighteenth century philosophy

Grammars of Faith P. F. Bloemendaal, 2006 D Z Phillips is a leading figure in advocating a Wittgensteinian approach to the philosophical study of religion His writings exert an important influence on contemporary philosophy of religion giving a new direction to the philosophical discussion of religious belief and practice Although his work has prompted much often critical comment a thorough investigation has not been forthcoming Grammars of Faith fills that gap The book pays close attention to Wittgenstein s own remarks on religious belief arranging them against the background of his broader philosophical methodology as well as to the efforts of the early Wittgensteinians at providing a more comprehensive Wittgensteinian philosophy of religion Central to this study are Phillips s understanding of philosophical enquiry as a form of contemplation and his descriptive accounts of religious belief By means of a careful and methodical

examination of Phillips's oeuvre the study seeks to present a fair assessment of Phillips's position showing not only its weaknesses but also its strength

A Companion to Hume Elizabeth S. Radcliffe, 2011-05-31 Comprised of twenty nine specially commissioned essays *A Companion to Hume* examines the depth of the philosophies and influence of one of history's most remarkable thinkers Demonstrates the range of Hume's work and illuminates the ongoing debates that it has generated Organized by subject with introductions to each section to orient the reader Explores topics such as knowledge passion morality religion economics and politics Examines the paradoxes of Hume's thought and his legacy covering the methods themes and consequences of his contributions to philosophy

D.Z. Phillips' Contemplative Philosophy of Religion Andy F. Sanders, 2016-05-13 This collection presents a critical discussion and exploration of the late D Z Phillips contemplative approach in the philosophy of religion What are the main characteristics of this ground breaking approach which is inspired by thinkers like Kierkegaard and Wittgenstein and meant as a serious critical alternative to the mainstream way of doing philosophy of religion What is its aim if it is deliberately avoiding apology and defence of faith How does Phillips approach relate to systematic historical and empirical theology and is it really as neutral as he claims it to be Or is he perhaps a certain kind of theologian What are the implications of his contemplative philosophy for central issues of religious life today such as petitionary prayer the hope of eternal life and radical religious diversity The essays of six distinguished scholars from five different nations critically and sympathetically address these questions and are responded to by Phillips in essays of his own written briefly before his sudden death in July 2006

Historical Dictionary of Wittgenstein's Philosophy Duncan Richter, 2014-04-04 Ludwig Wittgenstein was the most influential and arguably the greatest philosopher of the 20th century This fact about his influence is not only a matter of how much he influenced people but also of how many people he influenced His early work was taken up by some of the pioneers of analytical philosophy His later work helped spawn another movement within analytic philosophy that of ordinary language philosophy sometimes called Oxford philosophy He is also considered by some to be a key postmodern thinker and an interest in his work is a distinguishing feature of many post analytical philosophers who seek to bridge the gap between analytical and so called continental philosophy This second edition of *Historical Dictionary of Wittgenstein's Philosophy* covers the history of this philosophy through a chronology an introductory essay and an extensive bibliography The dictionary section has over 300 cross referenced entries on every aspect of his work This book is an excellent access point for students researchers and anyone wanting to know more about Wittgenstein's philosophy

Religion and Hume's Legacy D. Z. Phillips, 2003

Reformed Humanism David Fergusson, 2024-05-30 The volume comprises a collection of essays ordered in three parts each of which describes broadly the sub fields of theology to which these belong The essays tackle core themes in Christian doctrine the longstanding relationship of theology to philosophy and a series of challenges facing churches today While the volume represents a Reformed theological approach often with a historical focus it self consciously reflects an ecumenical and critical perspective

The term humanism reflects an openness to insight understanding and correction from different fields of knowledge while its Reformed designation positions the work within a recognized theological tradition though seeking to avoid imprisonment by it A further feature of the collection is its attempt to overcome the curricular divisions between systematic theology Christian ethics and practical theology The third section in particular deal with issues in social ethics theological aesthetics the place of the church in a secular culture and the role of theology in the university

Pragmatic Philosophy of Religion Ulf Zackariasson, 2022-02-25 In *Pragmatic Philosophy of Religion* Melioristic Case Studies Ulf Zackariasson argues for the fruitfulness of pragmatic philosophy of religion by bringing it to bear on a number of classical topics within the contemporary philosophy of religion Zackariasson first outlines a version of pragmatic philosophy of religion that takes the pragmatic insistence on the primacy of practice to heart Here he shows that religious traditions and their secular counterparts transmit a number of paradigmatic responses that adherents can draw on in their encounters with human life s existential contingencies He further discusses the upshot of this approach for how we think of miracles religious diversity and what it is to be religiously mistaken In each case Zackariasson shows that a pragmatic approach offers important novel perspectives and insights that contemporary primarily analytic philosophy of religion tends to neglect By relating to debates and well known positions within the contemporary philosophy of religion he also makes these novel perspectives and insights concrete for those who are not already committed pragmatists The case studies thus serve as invitations to constructive dialogue within an increasingly pluralistic philosophy of religion

Toward a Humean True Religion Andre C. Willis, 2015-06-19 David Hume is traditionally seen as a devastating critic of religion He is widely read as an infidel a critic of the Christian faith and an attacker of popular forms of worship His reputation as irreligious is well forged among his readers and his argument against miracles sits at the heart of the narrative overview of his work that perennially indoctrinates thousands of first year philosophy students In *Toward a Humean True Religion* Andre Willis succeeds in complicating Hume s split approach to religion showing that Hume was not in fact dogmatically against religion in all times and places Hume occupied a watershed moment Willis contends when old ideas of religion were being replaced by the modern idea of religion as a set of epistemically true but speculative claims Thus Willis repositions the relative weight of Hume s antireligious sentiment giving significance to the role of both historical and discursive forces instead of simply relying on Hume s personal animus as its driving force Willis muses about what a Humean true religion might look like and suggests that we think of this as a third way between the classical and modern notions of religion He argues that the cumulative achievements of Hume s mild philosophic theism the aim of his moral rationalism and the conclusion of his project on the passions provide the best content for this true religion

The Humean Mind Angela Coventry, Alexander Sager, 2018-10-26 David Hume 1711 1776 is widely acknowledged as one of the most important philosophers in the English language with his work continuing to exert major influence on philosophy today His empiricism naturalism and psychology of the mind and the passions shape many positions

and approaches in the sciences and social sciences The Humean Mind seeks to provide a comprehensive survey of his work not only placing it in its historical context but also exploring its contemporary significance Comprising 38 chapters by a team of international contributors the Handbook is divided into four sections Intellectual context Hume's thought Hume's reception Hume's legacy This handbook includes coverage of all major aspects of Hume's thought with essays spanning the full scope of Hume's philosophy Topics explored include Hume's reception in the eighteenth and nineteenth centuries Hume's legacy in the twentieth and twenty first centuries Hume's history including an essay on Hume as historian as well as essays on the relevance of history to Hume's philosophy and his politics and an updated treatment of Hume's Legal Philosophy Also included are essays on race gender and animal ethics Essential reading for students and researchers in philosophy Hume's work is central to epistemology metaphysics philosophy of mind philosophy of science ethics legal philosophy and philosophy of religion

The Cambridge Companion to Hume David Fate Norton, Jacqueline Taylor, 2008-12-08 Although best known for his contributions to the theory of knowledge metaphysics and philosophy of religion Hume also influenced developments in the philosophy of mind psychology ethics political and economic theory political and social history and aesthetic theory The fifteen essays in this volume address all aspects of Hume's thought The picture of him that emerges is that of a thinker who though often critical to the point of scepticism was nonetheless able to build on that scepticism a constructive viable and profoundly important view of the world Also included in this volume are Hume's two brief autobiographies and a bibliography suited to those beginning their study of Hume This second edition of one of our most popular Companions includes six new essays and a new introduction and the remaining essays have all been updated or revised

Fifty Years of Philosophy of Religion: A Select Bibliography (1955-2005) Andy Sanders, Kristof de Ridder, 2007-06-28 The bibliography lists about 10 000 titles of monographs collections and articles in the field of the philosophy of religion and philosophical theology that appeared between 1955 and 2005 The majority of them are in the English language but publications in German Dutch and French are listed as well Though it is not claimed to be exhaustive the bibliography offers a fairly representative survey of scholarly work on the main topics of interest Publications have been systematically classified according to eleven main categories Introductions Surveys and Historical Issues Part I Religious Language Part II Religious Experience Part III Religious Epistemology Part IV Theism Part V Hermeneutics Part VI Religion and Science Part VII Religion and Aesthetics Part VIII Religion and Morality Part IX Religious Pluralism Part X and Feminist Philosophy of Religion Part XI Part III has been subdivided into Religious Experience and Mystical Experience Part VII into The Concept of God arguments for The Existence of God The Problem of Evil and Atheism and Part VII into General and Historical Issues Theological Issues and implications of Modern Physics Cosmology and Biology The bibliography will particularly be useful to scholars teachers and students in the philosophy of religion philosophical theology and systematic theology as well as to those who are interested professionally or otherwise in the results of academic scholarship in those fields

Fanaticism and the History of Philosophy

Paul Katsafanas, 2023-11-07 Voltaire called fanaticism the monster that pretends to be the child of religion Philosophers politicians and cultural critics have decried fanaticism and attempted to define the distinctive qualities of the fanatic whom Winston Churchill described as someone who can't change his mind and won't change the subject Yet despite fanaticism's role in the long history of social discord human conflict and political violence it remains a relatively neglected topic in the history of philosophy In this outstanding inquiry into the philosophical history of fanaticism a team of international contributors examine the topic from antiquity to the present day Organized into four sections topics covered include Fanaticism in ancient Greek Indian and Chinese philosophy Fanaticism and superstition from Hobbes to Hume including chapters on Locke and Montesquieu Shaftesbury and Hutcheson Kant Germaine de Stael Hegel Nietzsche William James and Jorge Portilla on fanaticism Fanaticism and terrorism and extremism and gender including the philosophy and morality of the manosphere Closed mindedness and political and epistemological fanaticism Spanning themes from superstition enthusiasm and misanthropy to the emotions purity and the need for certainty Fanaticism and the History of Philosophy is a landmark volume for anyone researching and teaching the history of philosophy particularly ethics and moral philosophy It is also a valuable resource for those studying fanaticism in related fields such as religion the history of political thought sociology and the history of ideas

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Religion And Humes Legacy full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Religion And Humes Legacy eBooks, including some popular titles.

FAQs About Religion And Humes Legacy Books

What is a Religion And Humes Legacy PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religion And Humes Legacy PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religion And Humes Legacy PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religion And Humes Legacy PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religion And Humes Legacy PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
