Russian Nationalism Since 1856 Ideology The Making Of Foreign Policy

Robert A. Saunders

Russian Nationalism Since 1856 Ideology The Making Of Foreign Policy:

Russian Nationalism Since 1856 Astrid S. Tuminez, 2000 This thoughtful book describes the range of nationalist ideas that have taken root in Russia since 1856 Drawing on a wide range of archival documents and unparalleled interview material from the post Soviet period Tuminez analyzes two cases_ Russian panslavism in 1856 1878 and great power nationalism in 1905 1914_ when aggressive nationalist ideas clearly influenced Russian foreign policy and contributed to decisions to go to war Yet not all forms of nationalism have been malevolent and the author assesses competing nationalist ideologies in the post Soviet period to clarify the conditions under which a particularly belligerent nationalism could flourish and influence Russian international behavior

Russian Nationalism, Foreign Policy and Identity Debates in Putin's Russia Marlene, 2014-04-15 The contributors to this book discuss the new conjunctions that have emerged between foreign policy events and politicized expressions of Russian nationalism since 2005 The 2008 war with Georgia as well as conflicts with Ukraine and other East European countries over the memory of the Soviet Union and the Russian interpretation of the 2005 French riots have all contributed to reinforcing narratives of Russia as a fortress surrounded by aggressive forces in the West and CIS This narrative has found support not only in state structures but also within the larger public It has been especially salient for some nationalist youth movements including both pro Kremlin organizations such as Nashi and extra systemic groups such as those of the skinheads These various actors each have their own specific agendas they employ different modes of public action and receive unequal recognition from other segments of society Yet many of them expose a reading of certain foreign policy events which is roughly similar to that of various state structures These and related phenomena are analyzed interpreted and contextualized in papers by Luke March Igor Torbakov Jussi Lassila Marl ne Laruelle and Lukasz Jurczyn

Russian Nationalism Marlene Laruelle, 2018-10-10 This book by one of the foremost authorities on the subject explores the complex nature of Russian nationalism It examines nationalism as a multilayered and multifaceted repertoire displayed by a myriad of actors It considers nationalism as various concepts and ideas emphasizing Russia s distinctive national character based on the country s geography history Orthodoxy and Soviet technological advances It analyzes the ideologies of Russia s ultra nationalist and far right groups explores the use of nationalism in the conflict with Ukraine and the annexation of Crimea and discusses how Putin s political opponents including Alexei Navalny make use of nationalism Overall the book provides a rich analysis of a key force which is profoundly affecting political and societal developments both inside Russia and beyond

Routledge Handbook of Russian Foreign Policy Andrei Tsygankov, 2018-03-20 Providing a comprehensive overview of Russia s foreign policy directions this handbook brings together an international team of scholars to develop a complex treatment of Russia s foreign policy The chapters draw from numerous theoretical traditions by incorporating ideas of domestic institutions considerations of national security and international recognition as sources of the nation s foreign policy Covering critically important subjects such as Russia s

military interventions in Ukraine and Syria the handbook is divided into four key parts Part I explores the social and material conditions in which Russia's foreign policy is formed and implemented Part II investigates tools and actors that participate in policy making including diplomacy military media and others Part III provides an overview of Russia's directions towards the United States Europe Asia the Middle East Eurasia and the Arctic Part IV addresses the issue of Russia's participation in global governance and multiple international organizations as well as the Kremlin's efforts to build new organizations and formats that suit Russia's objectives The Routledge Handbook of Russian Foreign Policy is an invaluable resource to students and scholars of Russian Politics and International Relations as well as World Politics more generally

Russian Nationalism and the National Reassertion of Russia Marlene Laruelle, 2009-05-07 This book considers a wide range of aspects of Russian nationalism focussing on the Putin period It discusses the development of Russian nationalism including in the Soviet era examines how it relates to ideology culture racism religion and intellectual thinking and its affects on Russian society politics and foreign policy

Russian Foreign Policy in the Twenty-First Century and the Shadow of the Past Robert Legvold, 2007-03-27 Because the turbulent trajectory of Russia's foreign policy since the collapse of the Soviet Union echoes previous moments of social and political transformation history offers a special vantage point from which to judge the current course of events In this book a mix of leading historians and political scientists examines the foreign policy of contemporary Russia over four centuries of history The authors explain the impact of empire and its loss the interweaving of domestic and foreign impulses long standing approaches to national security and the effect of globalization over time Contributors focus on the underlying patterns that have marked Russian foreign policy and that persist today These patterns are driven by the country's political makeup geographical circumstances economic strivings unsettled position in the larger international setting and above all its tortured effort to resolve issues of national identity The argument here is not that the Russia of Putin and his successors must remain trapped by these historical patterns but that history allows for an assessment of how much or how little has changed in Russia's approach to the outside world and creates a foundation for identifying what must change if Russia is to evolve A truly unique collection this volume utilizes history to shed crucial light on Russia's complex occasionally inscrutable relationship with the world In so doing it raises the broader issue of the relationship of history to the study of contemporary foreign policy and how these two enterprises might be better joined

Russian Foreign Policy and the CIS Nicole J. Jackson, 2003-09-04 This book investigates the options the debates and the ensuing policies of the fledgling Russian government It examines the evolution of policy from the collapse of the Soviet Union in December 1991 until the Presidential elections in June 1996 Analysing Russia's actions in the context of contemporary foreign policy theory Nicole J Jackson discusses and compares three key conflicts the separatist war between Moldova and Transdniestria the separatist war between Georgia and Abkhazia and the civil war in Tajikistan It will be of interest to students and researchers of international relations security foreign policy analysis and Russian studies

Europe, Nationalism, Communism José M.

Faraldo,2008 This collection of articles on Polish history after 1945 begins with a study of the reconstruction of Polish towns after the World War II presenting how ideological images of the nation transformed the physical form of urban landscapes The book devotes also a long part to individual identities exploring the most intimate level of representation of consciousness autobiographies of Polish immigrants into former German territories The last two articles explore the identitarian adaptation of Polish anticommunist emigrants in Spain and the possibilities of dispute about Europe at the beginning of Communist regimes in Poland and Central Europe The book puts problems of private identities in the context of European discourses showing how politics are a part of individual lives too

Reconfiguring Chinese Nationalism J. Leibold,2016-09-23 The first full length treatment of ethnic and national identity in early Twentieth century China Leibold traces the political and cultural strategies employed by Han Chinese elites in the process of incorporating both discursively and physically the diverse inhabitants of the last Qing dynasty into a new homogenous national community

Mobilizing the Russian Nation Melissa Kirschke Stockdale,2016-12-13 This study of Russian mobilization in the Great War explores how the war shaped national identity and conceptions of citizenship

The West's East Lukas Milevski,2018-06-01 In 2004 the Baltic states Estonia Latvia Lithuania finalized their return to the West by joining NATO and the EU after definitively throwing off their captive nations status by regaining independence in 1991 This has not however halted resurgent Russian revanchism in the region given Russia s aggressive actions starting in Ukraine in 2014 defense of the Baltic has gained a new urgency and prominence In The West s East Lukas Milevski places the Baltic states in strategic and historical perspective Through these nations experiences he sheds light on how independent states have been able to persist despite being surrounded by predatory great powers The work offers a deep overview of the region s history from the indigenous Baltic tribes which populated it to the post Cold War era followed by recent political analogies of West Russia relations Analyses of today s strategic balance in the region indicate the various actors geopolitical outlooks strategic cultures military capabilities and non military security vulnerabilities As Milevski argues the NATO Russia relationship will play the major role in any potential conflict in the Baltic but neutrals Finland and Sweden must also be factored into the strategic analysis Using the logic of strategy he anticipates potential military interaction in the region step by step from deterrence to Russia s choice of offensive strategy to area denial and NATO s return and break into the Baltic theater and finally war termination to determine the answer to the ultimate question how much defense for the Baltic is enough The West s East gives both experts and policymakers alike the background and framework for thinking strategically about a region that has re emerged as a significant geopolitical concern in the Putin Trump era

Limiting institutions? James Sperling,Sean Kay,Victor Papacosma,2018-07-30 This electronic version has been made available under a Creative Commons BY NC ND open access license Eurasian security governance has received increasing attention since 1989 The North Atlantic Treaty Organisation the institution that best served the security interests of the West in its competition with the Soviet Union is now relatively ill

equipped resolve the threats emanating from Eurasia to the Atlantic system of security governance This book investigates the important role played by identity politics in the shaping of the Eurasian security environment It investigates both the state in post Soviet Eurasia as the primary site of institutionalisation and the state s concerted international action in the sphere of security This investigation requires a major caveat state centric approaches to security impose analytical costs by obscuring substate and transnational actors and processes The terrorist attacks on the World Trade Center and the Pentagon marked the maturation of what had been described as the new terrorism Jervis has argued that the western system of security governance produced a security community that was contingent upon five necessary and sufficient conditions The United States has made an effort to integrate China Russia into the Atlantic security system via the Partnership for Peace PfP programme and the Euro Atlantic Partnership Council The Black Sea Economic Cooperation has become engaged in disseminating security concerns in fields such as environment energy and economy If the end of the Cold War left America triumphant Russia s new geopolitical hand seemed a terrible demotion Successfully rebalancing the West and building a collaborative system with Russia China Europe and America probably requires more wisdom and skill from the world s leaders *National Will to Fight*

McNerney, Connable, Zimmerman, Lander, Posard, Castillo, Madden, Blum, Frank, Fernandes, Seol, Paul, Parasiliti, 2018-09-07 In this report RAND researchers explore the factors contexts and mechanisms that shape a national government s decision to continue or end military and other operations during a conflict i e national will to fight To help U S leaders better understand and influence will to fight the researchers propose an exploratory model of 15 variables that can be tailored and applied to a wide set of conflict scenarios **A History Of Russia Volume 2** Walter G. Moss, 2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world **Britain and the World in the Twentieth Century** Michael J Turner, 2010-02-26 This is a detailed single volume analysis of Britain s changing position in the world during the twentieth century It places British policy making in the appropriate domestic and international contexts offers an alternative to the more negative decline obsessed assessments of Britain s role and influence in global affairs This book suggests that Britain s leaders did a better job than some historians think Michael Turner in order to understand why they took the options they did investigates their motives and aims within the international environment within which they operated *Russia's National Security in Aleksandr Dugin's Neo-Eurasianism* Marcin Skladanowski, 2023-09-05 Aleksandr Dugin is an extremely radical thinker Nevertheless it is worth dealing with his thought because it shows in an exaggerated form how the evolution of social and political ideas took place in the history of Russia which led to Putin s contemporary neo

imperialism This book presents the Russian discourse on national security against a broader background of global academic reflection takes a closer look at the sources and ideological basis of the concept of Russia's security developed by Dugin discusses the subject and main dimensions of Russia's national security in Dugin's works and shows the importance of Russia's foreign policy for the creation of its national security **ASEAN-Russia** Victor Sumsky, Mark Hong, Amy Lugg, 2012-05-30

In 2012 Russia assumes the Chairmanship of APEC and is keen to build on its memberships of both East Asia Summit EAS and the Asia Europe Meeting ASEM Russia is geographically and historically part of Asia and the Asia Pacific and has been a dialogue partner of ASEAN since 1996 Still the obstacles of distance and languages have led ASEAN member states and Russia to know and interact little between both sides As growth poles in the world economy there is much benefit in greater interaction between their rich economies To commemorate the 15th Anniversary of the Russia ASEAN dialogue partnership in 2011 the ASEAN Studies Centre at ISEAS and its counterpart from MGIMO University Moscow co organized a two day conference that year in which papers were presented offering perspectives from Russia and the ten ASEAN member states Representatives from academia and the public and private sectors offered insights on topics including geopolitics bilateral relations business and economics and culture and education This is a timely book that affords the reader insights into where ASEAN Russia relations currently stand and suggests how they can improve and move forward The Round Table

Movement and the Fall of the 'Second' British Empire (1909-1919) Andrea Bosco, 2017-01-06 In spite of the general phobia of federalism there is a strong federalist trend within British political culture In three very different historical contexts federalism inspired the action of political movements such as the Imperial Federation League the Round Table and the Federal Union Indeed it was regarded as the solution to problems arising from the first signs of the possible collapse of Great Britain and its Empire The Round Table Movement played a particularly interesting role in this regard attempting to reverse the rapid and inexorable decline of the British Empire It was a political organisation with roots in all the major peripheries of the Empire and almost unlimited financial resources This volume discusses the strategies and means employed by the group in order to maintain the British Empire's global prominence The book's main argument is that we did not have a British century the nineteenth and an American century the twentieth but rather four centuries of Anglo Saxon supremacy which witnessed the affirmation of the national principle expression of the Continental political tradition and its overcoming through its opposite the federal principle the expression of the insular political tradition *Intellectuals and Apparatchiks* ,

Historical Dictionary of the Russian Federation Robert A. Saunders, 2019-09-20 Straddling Europe and Asia the Russian Federation is the largest country in the world and home to a panoply of religious and ethnic groups from the Muslim Tatars to the Buddhist Buryats Over the past 40 years Russia has experienced the most dramatic transformation of any modern state The second edition of Historical Dictionary of the Russian Federation provides insight into this rapidly developing country This volume includes coverage of pivotal movements events and persons in the late Soviet Union 1985

1991 and contemporary Russia 1991 present This second edition of Historical Dictionary of the Russian Federation contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Russia

Russian Nationalism Since 1856 Ideology The Making Of Foreign Policy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russian Nationalism Since 1856 Ideology The Making Of Foreign Policy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russian Nationalism Since 1856 Ideology The Making Of Foreign Policy has opened up a world of possibilities. Downloading Russian Nationalism Since 1856 Ideology The Making Of Foreign Policy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russian Nationalism Since 1856 Ideology The Making Of Foreign Policy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russian Nationalism Since 1856 Ideology The Making Of Foreign Policy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russian Nationalism Since 1856 Ideology The Making Of Foreign Policy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russian Nationalism Since 1856 Ideology The Making Of Foreign Policy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have

reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russian Nationalism Since 1856 Ideology The Making Of Foreign Policy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Russian Nationalism Since 1856 Ideology The Making Of Foreign Policy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Nationalism Since 1856 Ideology The Making Of Foreign Policy is one of the best book in our library for free trial. We provide copy of Russian Nationalism Since 1856 Ideology The Making Of Foreign Policy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Nationalism Since 1856 Ideology The Making Of Foreign Policy. Where to download Russian Nationalism Since 1856 Ideology The Making Of Foreign Policy online for free? Are you looking for Russian Nationalism Since 1856 Ideology The Making Of Foreign Policy PDF? This is definitely going to save you time and cash in something you should think about.
