## Scottish Crafts:

**Scottish Crafts and Craftsmen** Michael Brander, 1974      **The Material Landscapes of Scotland's Jewellery Craft, 1780-1914** Sarah Laurenson, 2023-06-29 Shortlisted for the History Book Award in Scotland's National Book Awards 2023

During the long 19th century Scotland was home to an established body of skilled jewellers who were able to access a range of materials from the country's varied natural landscape precious gold and silver sparkling crystals and colourful stones freshwater pearls shells and parts of rare animals Following these materials on their journey from hill and shore across the jeweller's bench and on to the bodies of wearers this book challenges the persistent notion that the forces of industrialisation led to the decline of craft It instead reveals a vivid picture of skilled producers who were driving new and revived areas of hand skill and who were key to fostering a focused cultural engagement with the natural world among both producers and consumers through the things they made By placing producers and their skill in cultural context the book reveals how examining the materiality of even the smallest of objects can offer new and multifaceted insights into the wider transformations that marked British history during the long 19th century Uniting a vast array of jewellery objects with a range of other sources including paintings engravings newspaper reports letters inventories of big houses and small workshops sketchbooks novels works of literary geology and early travel writings this book provides a deep dive into the cultural history of jewellery production through accessible thematic studies In doing so it sets out innovative methodologies for writing about the histories of craft production the natural environment and the material world Now available in a paperback edition it will be an important addition to the bookshelf of cultural historians and those interested in Scotland's wild landscapes and natural objects      Scottish Crafts Ian Finlay, 1948      Directory of Scottish Crafts and Craftsmen, 1983, 1983      **The Oxford Companion to Scottish History** Michael Lynch, 2007 Searchable online reference covers more than 20 centuries of history and interpret history broadly covering areas such as archaeology climate culture languages immigration migration and emigration Multi authored entries analyze key themes such as national identity women and society living standards and religious belief across the centuries in an authoritative yet approachable way The A Z entries are complemented by maps genealogies a glossary a chronology and an extensive guide to further reading From title screen

**Craft Entrepreneurship** Annette Naudin, Karen Patel, 2020-12-10 Craft practice has experienced a sharp rise in popularity since the late 2000s partly through the aura of the analogue and the desire for authentic handmade products in an increasingly fast paced digitalised world Luckman 2015 but also because of digital platforms such as Etsy and social media enabling anyone to become a craft entrepreneur This book brings together historical policy and individual narratives to inform a broad understanding of craft entrepreneurship Drawing on case studies from around the world Craft Entrepreneurship considers questions of identity community and the digital in craft entrepreneurship In doing so it finds craft activities to be positioned between or across the arts heritage notions of a bohemian lifestyle and the challenges of

micro entrepreneurship By engaging with the contradictions and fragility of sustaining a craft practice the chapters in this book contribute to different perspectives for entrepreneurship studies The contributions to this volume illustrate the craft entrepreneurs identity motivation and sense of creative purpose through their craft as these collide with the tensions brought about through entrepreneurship

**Maverick Guide to Scotland** Sawyers, June Skinner,1999 **Chambers Guide to Traditional Crafts of Scotland** Jenny Carter,Janet Rae,1988 Scotland, CEMA and the Arts Council, 1919-1967 Euan McArthur,2016-04-01 A case study of the relationship between arts and cultural policy and nationalism Scotland CEMA and the Arts Council 1919 1967 Background Politics and Visual Art Policy examines the overlooked significance of Scotland in the development of British arts policy and institutions This study is broadly relevant in an era of political devolution which continues to pose questions for the constituent nations of Britain and their sense of self and collective identities Euan McArthur provides a clear account of the background to and evolution of the Council for the Encouragement of Music and the Arts CEMA and the Arts Council of Great Britain ACGB in Scotland up to the formation of the Scottish Arts Council SAC in 1967 He also presents a study of Scottish visual art policy and activities between 1940 and 1967 assessing the successes and failures of visual art policy in Scotland including the degree to which it evolved differently from England This development leading to the re naming of the Scottish Committee of the ACGB as the SAC prepared the way for the expansion of activities that marked the 1970s and after Based on extensive archival research this book brings to light previously unavailable material not covered in existing accounts of CEMA ACGB Scottish Gold and Silver Work Ian Finlay,1999-04-01 The original edition published in 1956 was the first in its field and it remains the only comprehensive treatment of the subject **"Craft, Space and Interior Design, 1855?005 "** Sandra Alföldy,2017-07-05 Constructed space is defined by its shape by the materials with which it is enclosed and by the objects that are placed within or decorate its exterior or interior The interaction of these crafted objects or decorated surfaces with space provides viewers or inhabitants with visual clues about the environment as well as visual cues about decorum viewers can know what kind of behaviour is expected and what the space means Furnishings and dress textile panels and clay pots stained glass and gesso panels all defined as craft or decorative art give architectural space defined as high art its character without craft architecture is empty and devoid of meaning This engaging collection of essays presents the first sustained exploration of the relationship of craft to architectural spaces The book unravels the complex ways in which craft controls manipulates organises and defines space to highlight how the relationship between craft and space can be understood as a form of communication between related parts that combine to form a unified whole **Fodor's Scotland** Michael Gonzalez,Shona Main,2010 Includes information on hotels inns and castles restaurants drives and walks exploring abbeys and castles fishing and golf and provides essays on Scotland s history literature and clans **The Scottish Historical Review** James Maclehose,1919 A new series of the Scottish antiquary established 1886 *Glimmers of Scottish Roots* Pasquale De Marco,2025-04-07 In this captivating

**Medieval and Early Modern Representations of Authority in Scotland and the British Isles** Kate Buchanan, Lucinda H.S. Dean, 2016-05-20 What use is it to be given authority over men and lands if others do not know about it Furthermore what use is that authority if those who know about it do not respect it or recognise its jurisdiction And what strategies and language written and spoken visual and auditory material cultural and political did those in authority throughout the medieval and early modern era use to project and make known their power These questions have been crucial since regulations for governance entered society and are found at the core of this volume In order to address these issues from an historical perspective this collection of essays considers representations of authority made by a cross section of society within the British Isles Arranged in thematic sections the 14 essays in the collection bridge the divide between medieval and early modern to build up understanding of the developments and continuities that can be followed across the centuries in question Whether crown or noble government or church burgh or merchant all desired power and influence but their means of representing authority were very different These essays encompass a myriad of methods demonstrating power and disseminating the image of authority including material culture art literature architecture and landscapes saintly cults speeches and propaganda martial posturing and strategic alliances music liturgy and ceremonial display Thus this interdisciplinary collection illuminates the variable forms in which authority was presented by key individuals and institutions in Scotland and the British Isles By placing these within the context of the

European powers with whom they interacted this volume also underlines the unique relationships developed between the people and those who exercised authority over them

**Scottish Notes and Queries** John Bulloch,1888

**The Early Modern Town in Scotland** Michael Lynch,2021-10-12 Originally published in 1987 this volume filled a notable gap in Scottish urban history and considers the place of Scottish towns in urban life during the 16th and 17th Centuries The first part of the book is based on studies of individual burghs Aberdeen Dundee Edinburgh and Perth drawing extensively on archival material The second part includes a discussion of the pressure put upon the burghs by the town between 1500 and 1650 a process which contributed to the destruction of the medieval burgh and examines the burgh during the Scottish Revolution The impact of war and plague on Scottish towns in the 1640s is also analysed and much emphasis is given to the relationship between town and country
