Scottish Novels

Isobel Murray, Bob Tait

Scottish Novels:

The Scottish Novels Robert Louis Stevenson, 2009-05-01 Kidnapped Catriona The Master of Ballantrae Weir of Hermiston These four great novels take us deep into Robert Louis Stevenson's imaginative and bitter sweet relationship with his native country Kidnapped and its sequel Catriona are renowned the world over as supreme stories of adventure and romance On another level they also explore the subtle divisions of Scottish history and character in the eighteenth century and some would say the present day The Master of Ballantrae takes a darker and more disturbing turn with its tale of rival brothers caught in a web of hatred obsession love and betrayal which draws them to their end in the frozen wastes of North America Stevenson's fascination with the divided nature of the human self most obviously demonstrated in Dr Jekyll and Mr Hyde appears again in the Weir of Hermiston with its terrible confrontation between a father and his son With an unsurpassed combination of physical adventure and psychological insight The Scottish Novels have moved and thrilled readers and writers from Stevenson's contemporaries to the present day *Shorter Scottish Fiction* Robert Louis Stevenson, 1995 Ever since its first appearance in 1886 Robert Louis Stevenson's Strange Case of Dr Jekyll and Mr Hyde has proved itself to be a tale of undiminished power for readers all over the world It remains one of the great masterpieces of psychological fiction and yet it is not alone in Stevenson's work for he had explored similar themes in several other stories too all inextricably linked with his native country This collection makes a strong case for the essentially Scottish origins of Stevenson's best short fiction derived as it is from Calvinism's feeling for the immanence of evil and driven by a sense of man's darker divided self which goes back to Hogg's Justified Sinner Thus it is that the story of the respectable Dr Jekyll even in a London setting has links that stretch back to the narrow wynds of Edinburgh and the bleak moors and shores of the North In this company stories of possession doubleness and terror such as The Merry Men The Body Snatcher Markheim Thrawn Janet and others reveal more clearly than ever their Scottish roots and that fascination with the uncanny which brought the creator of Mr Hyde screamingly awake one winter's night over a hundred years ago *Ten Modern Scottish Novels* Isobel Murray, Bob Tait, 1984 **A Companion to Scottish Literature** Gerard Carruthers, 2023-12-26 A Companion to Scottish Literature offers fresh readings of major authors and periods of Scottish literary production from the first millennium to the present Bringing together contributions by many of the world's leading experts in the field this comprehensive resource provides the historical background of Scottish literature highlights new critical approaches and explores wider cultural and institutional contexts Dealing with texts in the languages of Scots English and Gaelic the Companion offers modern perspectives on the historical milieux thematic contexts and canonical writers of Scottish literature Original essays apply the most up to date critical and scholarly analyses to a uniquely wide range of topics such as Gaelic literature national and diasporic writing children's literature Scottish drama and theatre gender and sexuality and women's writing Critical readings examine William Dunbar Robert Burns Walter Scott Robert Louis Stevenson Muriel Spark and Carol Ann Duffy amongst others With full

references and guidance for further reading as well as numerous links to online resources A Companion to Scottish Literature is essential reading for advanced students and scholars of Scottish literature as well as academic and non academic readers with an interest in the subject

Prizing Scottish Literature Stevie Marsden,2021-02-15 This cultural history of the Saltire Society Literary Awards demonstrates the significance the awards have had within Scottish literary and cultural life It is one piece of the wider cultural award puzzle and illustrates how far from being parochial or niche lesser known awards whose histories may be yet untold play their own role in the circulation of cultural value through the consecration of literary value The study of the Society s Book of the Year and First Book of the Year Awards not only highlights how important connections between literary awards and national culture and identity are within prize culture and how literary awards and their founding institutions can be products of the socio political and cultural milieu in which they form but this study also illustrates how existing literary award scholarship has only begun to scratch the surface of the complexities of the phenomenon This book promotes a new approach to considering literary prizes proposing that the concept of the literary awards hierarchy can contribute to emerging and developing discourses pertaining to literary and indeed cultural prizes more broadly

Encyclopedia of the Novel Paul Schellinger,2014-04-08 The Encyclopedia of the Novel is the first reference book that focuses on the development of the novel throughout the world Entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important Similarly an entry on an individual novel discusses the importance of that novel not only form analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre A wide range of topic entries explore the history criticism theory production dissemination and reception of the novel A very important component of the Encyclopedia of the Novel is its long surveys of development of the novel in various regions of the world

Reading the Novel in English 1950 - 2000 Brian W. Shaffer,2009-02-09 Written in clear jargon free prose this introductory text charts the variety of novel writing in English in the second half of the twentieth century An engaging introduction to the English language novel from 1950 2000 exclusive of the US Provides students both with strategies for interpretation and with fresh readings of selected seminal texts Maps out the most important contexts and concepts for understanding this fiction Features readings of ten influential English language novels including Margaret Atwood s *The Handmaid s Tale* Kazuo Ishiguro s *Remains of the Day* and Chinua Achebe s *Things Fall Apart*

Literature of Scotland Roderick Watson,2006-11-24 Critics hailed the first edition of *The Literature of Scotland* as one of the most comprehensive and fascinatingly readable accounts of Scottish literature in all three of the country s

languages Gaelic Scots and English In this extensively revised and expanded new edition Roderick Watson traces the lives and works of Scottish writers in a beautiful and rugged country that has been divided by political and religious conflict but united too by a democratic and egalitarian ideal of nationhood The Literature of Scotland The Twentieth Century provides a comprehensive account of the richest ever period in Scottish literary history From The House with the Green Shutters to Trainspotting and far beyond this companion volume to The Literature of Scotland The Middle Ages to the Nineteenth Century gives a critical and historical context to the upsurge of writing in the languages of Scotland Roderick Watson covers a wide range of modern and contemporary Scottish authors including MacDiarmid MacLean Grassie Gibbon Gunn Robert Garioch Iain Crichton Smith Alasdair Gray Edwin Morgan James Kelman Irvine Welsh Alan Warner A L Kennedy Liz Lochhead John Burnside Jackie Kay Kathleen Jamie and many many more Also featuring an extended list of Further Reading and a helpful chronological timeline this is an indispensable introduction to the great variety of Scottish writing which has emerged since the start of the twentieth century

The Novels of Walter Scott and his Literary Relations A.

Monnickendam,2012-10-09 Using a wealth of diverse source material this book comprises an innovative critical study which for the first time examines Scott through the filter of his female contemporaries It not only provides thought provoking ideas about their handling of for example the love plot but also produces a different more sombre Scott

The Historical Novel in Nineteenth-Century Europe Brian Hamnett,2011-11-24 Even at the height of its popularity in the early nineteenth century the historical novel faced criticism at many levels After its predominance in the 1810s and 1820s writers and historians shunned it as a travesty of their respective disciplines Even so the historical novel has frequently attracted a wide ranging public right up to the present day Brian Hamnett examines key novels by authors including Scott Balzac Manzoni Dickens Eliot Flaubert Fontane Gald s and Tolstoy revealing the contradictions inherent in this form of fiction and exposing the challenges writers faced in attempting to represent a reality that linked past and present He argues that the historical novel in the nineteenth century was a common European phenomenon with considerable interconnection of themes and periods Accordingly the book ranges from the British Isles and France through the Germanic territories Italy and Spain to the Russian Empire identifying the different objectives and phases of the historical novel Although historical novels did appear in the two previous centuries the form came to maturity in the nineteenth century a consequence of the developing nature of history as a discipline distinct from literature and philosophy and the increasing primacy of the novel for writers and the reading public Yet the frontiers between history and literature remained blurred and the two disciplines continued to influence one another as each sought a faithful representation of human experience

The Cambridge Companion to British Fiction, 1945-2010 David James,2015-10-06 The Cambridge Companion to British Fiction since 1945 provides insight into the critical traditions shaping the literary landscape of modern Britain

Handbook of the British Novel in the Long Eighteenth Century Katrin Berndt,Alessa Johns,2022-07-18 The handbook offers a comprehensive introduction to the

British novel in the long eighteenth century when this genre emerged to develop into the period's most versatile and popular literary form. Part I features six systematic chapters that discuss literary, intellectual, socio-economic and political contexts, providing innovative approaches to issues such as sense and sentiment, gender considerations, formal characteristics, economic history, enlightened and radical concepts of citizenship and human rights, ecological ramifications and Britain's growing global involvement. Part II presents twenty-five analytical chapters that attend to individual novels, some canonical and others recently recovered. These analyses engage the debates outlined in the systematic chapters, undertaking in-depth readings that both contextualize the works and draw on relevant criticism, literary theory and cultural perspectives. The handbook's breadth and depth, clear presentation and lucid language make it attractive and accessible to scholar and student alike.

The History of the English Novel: Edgeworth, Austen, Scott Ernest Albert Baker, 1929 Shades of Gray Dietmar Böhnke, 2004 Didactic Novels and British Women's Writing, 1790-1820 Hilary Havens, 2016-11-03

Tracing the rise of conduct literature and the didactic novel over the course of the eighteenth century, this book explores how British women used the didactic novel genre to engage in political debate during and immediately after the French Revolution and the Napoleonic Wars. Although didactic novels were frequently conventional in structure, they provided a venue for women to uphold, to undermine, to interrogate, but most importantly to write about acceptable social codes and values. The essays discuss the multifaceted ways in which didacticism and women's writing were connected and demonstrate the reforming potential of this feminine and ostensibly constricting genre. Focusing on works by novelists from Jane West to Susan Ferrier, the collection argues that didactic novels within these decades were particularly feminine, that they were among the few acceptable ways by which women could participate in public political debate and that they often blurred political and ideological boundaries. The first part addresses both conservative and radical texts of the 1790s to show their shared focus on institutional reform and indebtedness to Mary Wollstonecraft, despite their large ideological range. In the second part, the ideas of Hannah More influence the ways authors after the French Revolution often linked the didactic with domestic improvement and national unity. The essays demonstrate the means by which the didactic genre works as a corrective not just on a personal and individual level but at the political level through its focus on issues such as inheritance, slavery, the roles of women and children, the limits of the novel and English and Scottish nationalism. This book offers a comprehensive and wide-ranging picture of how women with various ideological and educational foundations were involved in British political discourse during a time of radical partisanship and social change.

A Glasgow Voice Christine Amanda Müller, 2011-05-25

This book focuses on James Kelman, a leading Scottish author, and his use of language. It examines how Kelman presents a spoken Glasgow working-class voice in his stories while breaking down the traditional distinction made between speech and writing in literature. Three main themes are explored: the use of Glaswegian Scots language, the inclusion of working-class discourse features, and an expressive preference for spoken over written forms. Kelman's writing is approached through an

examination of his use of punctuation spelling vocabulary grammar swearing and body language Throughout examples from Kelman s writing are analysed and statistical comparisons are made between his writing and the Scots Corpus of Texts and Speech In summary the reader will find a detailed and systematic analysis of Kelman s use of language in literature showing linguistic patterns identifying key textual strategies and features and comparing these to the standards that precede him and those that surround his work

The Fiction of Robin Jenkins ,2017-04-03 The Fiction of Robin Jenkins is the first ever volume of essays dedicated to Robin Jenkins 1912 2005 hailed by Andrew Marr as the best kept secret in Modern British Literature and by the Scotsman in 2000 as the greatest living fiction writer in Scotland the Scottish Thomas Hardy This new study of Jenkins includes essays across his entire astonishingly varied body of work It includes provocative new readings of a range of thematic issues by established experts on Jenkins and on Scottish Literature more broadly This volume also includes chapters dedicated to individual novels in Jenkins s corpus including his best known work The Cone Gatherers as well as The Changeling Fergus Lamont and his posthumous novel The Pearl Fishers Contributors Ingibj rg g stsd ttir Timothy C Baker Linden Bicket Gerard Carruthers Cairns Craig Douglas Gifford Michael Lamont Margery Palmer McCulloch Isobel Murray Glenda Norquay Alan Riach David Robb Bernard Sellin Gavin Wallace

A Concise Companion to Contemporary British Fiction James F. English,2008-04-15 A Concise Companion to Contemporary British Fiction offers an authoritative overview of contemporary British fiction in its social political and economic contexts Focuses on the fiction that has emerged since the late 1970s roughly since the start of the Thatcher era Comprises original essays from major scholars Topics range from the rise and fall of the postcolonial novel to controversies over the celebrity author The emphasis is on the whole fiction scene from bookstores and prizes to the changing economics of film adaptation Enables students to read contemporary works of British fiction with a much clearer sense of where they fit within British cultural life

A Companion to British Literature, Volume 4 Robert DeMaria, Jr.,Heesok Chang,Samantha Zacher,2013-12-13 A Companion to British Literature Victorian and Twentieth Century Literature 1837 2000
