

Marriage & Family in Shakespearean England

By: Patrick & Nicholas

Marriage

Marriage was a legal contract between two people, often arranged by their families. It was a way to secure property and status, and to ensure the continuation of the family line. Marriage was also a religious sacrament, and was often celebrated with a church service.

Family

The family was the basic unit of society in Shakespearean England. It was a group of people living together, often in a large house. The family was responsible for the upbringing and education of its children, and for the management of its property.

Role of Gender

Men and women had different roles in society. Men were responsible for providing for the family, and for representing the family in public life. Women were responsible for managing the household, and for raising the children. Women were also expected to be obedient to their husbands.

Men were also expected to be brave and strong, and to fight for their country. Women were expected to be modest and virtuous, and to avoid any behavior that might bring shame to their families.

Men were also responsible for the education of their children, and for their religious upbringing. Women were responsible for the moral education of their children, and for their religious upbringing.

Education

Education was an important part of life in Shakespearean England. Boys went to school to learn Latin and Greek, and to study the classics. Girls were often educated at home, and learned to read and write, and to play musical instruments.

Religion

Religion was an important part of life in Shakespearean England. Most people were members of the Church of England, and attended church services regularly. Religion was also a source of comfort and support for people in times of trouble.

Marriage was a legal contract between two people, often arranged by their families. It was a way to secure property and status, and to ensure the continuation of the family line. Marriage was also a religious sacrament, and was often celebrated with a church service.

Shakespearean Marriage

Philip C Kolin

Shakespearean Marriage:

The Shakespearean Marriage L. Hopkins, 2015-12-17 Marriage features to a greater or lesser extent in virtually every play Shakespeare wrote as the festive end of comedy as the link across the cycles of the history plays as a marker of the difference between his own society and that depicted in the Roman plays and all too often as the starting point for the tragedies. Situating his representations of marriage firmly within the ideologies and practices of Renaissance culture, Lisa Hopkins argues that Shakespeare anatomises marriage much as he does kingship and finds it similarly indispensable to the underpinning of society, however problematic it may be as a guarantor of personal happiness. Marriage and Land Law in Shakespeare and Middleton Nancy Mohrlock Bunker, 2014-07-30 Marriage and Land Law in Shakespeare and Middleton examines the dynamics of early modern marriage, making a time-honored practice that was evolving, often surreptitiously, from patriarchal control based on money and inheritance to a companionate union in which love and the couple's own agency played a role. Among early modern playwrights, the marriage plays of Shakespeare and Middleton are particularly, though not uniquely, concerned with this evolution, observing the movement towards spousal choice determined by the couple themselves. Through the late Elizabethan and early Jacobean period, the role of the patriarch, though often compromised, remained intact: the father or guardian negotiated the financial terms. And in a culture that was still tied to feudal practices, land law held a primary place in the bargain. This book, while following the arc of changing marriage practices, focuses on the ways in which the oldest determination of status, land, affects marital decisions. Land is not a constant topic of conversation in the twenty-one theatrical marriages scrutinized here, but it is a persistent and omnipresent truth of family and economic life. In paired discussions of marriage plays by Shakespeare and Middleton: *The Taming of the Shrew*, *A Chaste Maid in Cheapside*, *All's Well That Ends Well*, *A Trick To Catch the Old One*, *Measure for Measure*, *A Mad World, My Masters*, *The Merchant of Venice*, *The Roaring Girl*, and *Much Ado About Nothing*. No Wit, No Help Like A Woman's. This book explores the attempts, maneuvers, intrigues, ruses, and schemes that marriageable characters deploy in order to control spousal choice and secure land. Special attention is given to patriarchal figures whose poor judgment exploits inheritance law weaknesses and to the lack of legal protection and hence the vulnerability of women and men who engage the system in unconventional ways. Investigation into the milieu of early modern patriarchal influence in marriage making and the laws governing inheritance practices enables a fresh reading of Shakespeare's and Middleton's marriage comedies. **The Shakespearean Marriage** L.

Hopkins, 1997-12-08 Marriage features to a greater or lesser extent in virtually every play Shakespeare wrote as the festive end of comedy as the link across the cycles of the history plays as a marker of the difference between his own society and that depicted in the Roman plays and all too often as the starting point for the tragedies. Situating his representations of marriage firmly within the ideologies and practices of Renaissance culture, Lisa Hopkins argues that Shakespeare anatomises marriage much as he does kingship and finds it similarly indispensable to the underpinning of society, however problematic it

may be as a guarantor of personal happiness *A Companion to Shakespeare's Works, Volumr IV* Richard Dutton, Jean E. Howard, 2008-04-15 This four volume Companion to Shakespeare s Works compiled as a single entity offers a uniquely comprehensive snapshot of current Shakespeare criticism Brings together new essays from a mixture of younger and more established scholars from around the world Australia Canada France New Zealand the United Kingdom and the United States Examines each of Shakespeare s plays and major poems using all the resources of contemporary criticism from performance studies to feminist historicist and textual analysis Volumes are organized in relation to generic categories namely the histories the tragedies the romantic comedies and the late plays problem plays and poems Each volume contains individual essays on all texts in the relevant category as well as more general essays looking at critical issues and approaches more widely relevant to the genre Offers a provocative roadmap to Shakespeare studies at the dawning of the twenty first century This companion to Shakespeare s poems problem comedies and late plays contains original essays on Troilus and Cressida Measure for Measure All s Well That Ends Well Venus and Adonis The Rape of Lucrece and The Sonnets as well as Pericles The Winter s Tale Cymbeline The Tempest and The Two Noble Kinsmen **Shakespeare Matters** Lloyd Davis, 2003 In each area the authors discuss a range of issues by applying and debating key critical approaches to Shakespeare including new historicism cultural materialism feminism and postcolonialism BOOK JACKET *Shakespeare's Money* Robert Bearman, 2016 Shakespeare s Money explores what archival records can reveal about Shakespeare s economic and social success shedding light on how he elevated his family from lowly status to minor gentry and how economic concerns were ever present in his daily life *The Oxford Handbook of Shakespeare and Embodiment* Valerie Traub, 2016-09-08 The Oxford Handbook of Shakespeare and Embodiment brings together 40 of the most important scholars and intellectuals writing on the subject today Extending the purview of feminist criticism it offers an intersectional paradigm for considering representations of gender in the context of race ethnicity sexuality disability and religion In addition to sophisticated textual analysis drawing on the methods of historicism psychoanalysis queer theory and posthumanism a team of international experts discuss Shakespeare s life contemporary editing practices and performance of his plays on stage on screen and in the classroom This theoretically sophisticated yet elegantly written Handbook includes an editor s Introduction that provides a comprehensive overview of current debates *Family Life in the Age of Shakespeare* Bruce W. Young, 2008-12-30 From the star crossed romance of Romeo and Juliet to Othello s misguided murder of Desdemona to the betrayal of King Lear by his daughters family life is central to Shakespeare s dramas This book helps students learn about family life in Shakespeare s England and in his plays The book begins with an overview of the roots of Renaissance family life in the classical era and Middle Ages This is followed by an extended consideration of family life in Elizabethan England The book then explores how Shakespeare treats family life in his plays Later chapters then examine how productions of his plays have treated scenes related to family life and how scholars and critics have responded to family life in his works The volume closes with a

bibliography of print and electronic resources The volume begins with a look at the classical and medieval background of family life in the Early Modern era This is followed by a sustained discussion of family life in Shakespeare's world The book then examines issues related to family life across a broad range of Shakespeare's works Later chapters then examine how productions of the plays have treated scenes concerning family life and how scholars and critics have commented on family life in Shakespeare's writings The volume closes with a bibliography of print and electronic resources for student research Students of literature will value this book for its illumination of critical scenes in Shakespeare's works while students in social studies and history courses will appreciate its use of Shakespeare to explore daily life in the Elizabethan age All's Well, That Ends Well Gary Waller, 2006-12-01 Described as one of Shakespeare's most intriguing plays All's Well That Ends Well has only recently begun to receive the critical attention it deserves Noted as a crucial point of development in Shakespeare's career this collection of new essays reflects the growing interest in the play and presents a broad range of approaches to it including historical feminist performative and psychoanalytical criticisms In addition to fourteen essays written by leading scholars the editor's introduction provides a substantial overview of the play's critical history with a strong focus on performance analysis and the impact that this has had on its reception and reputation Demonstrating a variety of approaches to the play and furthering recent debates this book makes a valuable contribution to Shakespeare criticism

Sexuality in the Comedies of William Shakespeare Stephen P. Thompson, 2014-04-25 This fascinating edition examines the comedies of playwright William Shakespeare through the lens of sexuality Essays explore topics such as the ambiguity of Shakespeare's sonnets Renaissance attitudes toward sexuality themes of misogyny in Taming of the Shrew and sexual anxiety in Much Ado About Nothing Modern perspectives on sexuality and courtship are also presented covering subjects such as social media and dating modern mythology about the differences between genders and a decline in American romantic comedies

Twins in Early Modern English Drama and Shakespeare Daisy Murray, 2017-01-06 This volume investigates the early modern understanding of twinship through new readings of plays informed by discussions of twins appearing in such literature as anatomy tracts midwifery manuals monstrous birth broadsides and chapbooks The book contextualizes such dramatic representations of twinship investigating contemporary discussions about twins in medical and popular literature and how such dialogues resonate with the twin characters appearing on the early modern stage Garofalo demonstrates that in this period twin births were viewed as biologically aberrant and because of this classification authors frequently attempt to explain the phenomenon in ways which call into question the moral and constitutional standing of both the parents and the twins themselves In line with current critical studies on pregnancy and the female body discussions of twin births reveal a distrust of the mother and the processes surrounding twin conception however a corresponding suspicion of twins also emerges which monstrous birth pamphlets exemplify This book analyzes the representation of twins in early modern drama in light of this information moving from tragedies through to comedies This progression demonstrates how

the dramatic potential inherent in the early modern understanding of twinship is capitalized on by playwrights as negative ideas about twins can be seen transitioning into tragic and tragicomic depictions of twinship. However, by building toward a positive comic representation of twins, the work additionally suggests an alternate interpretation of twinship in this period which appreciates and celebrates twins because of their difference. The volume will be of interest to those studying Shakespeare and Renaissance Literature in relation to the History of Emotions, the Body, and the Medical Humanities.

Routledge Revivals: Shakespeare and Feminist Criticism (1991) Philip C. Kolin, 2017-02-17. First published in 1991, this book is the first annotated bibliography of feminist Shakespeare criticism from 1975 to 1988, a period that saw a remarkable amount of ground-breaking work. While the primary focus is on feminist studies of Shakespeare, it also includes wide-ranging works on language, desire, role playing, theatre conventions, marriage, and Elizabethan and Jacobean culture, shedding light on Shakespeare's views on and representation of women, sex, and gender. Accompanying the 439 entries are extensive informative annotations that strive to maintain the original author's perspective, supplying a careful and thorough account of the main points of an article.

Shakespeare and the Law Paul Raffield, Gary Watt, 2008-08-29. In July 2007, the School of Law at the University of Warwick hosted an international conference on Shakespeare and the Law. This was a truly interdisciplinary event which included contributions from eminent speakers in the fields of English history, theatre, and law. The intention was to provide a congenial forum for the exploration, dissemination, and discussion of Shakespeare's evident fascination with and knowledge of law and its manifestation in his works. The papers included in this volume reflect the diverse academic interests of participants at the conference. The eclectic themes of the edited collection range from analyses of the juristic content of specific plays, as in *Consideration Contract* and *The End of The Comedy of Errors*, *Judging Isabella*, *Justice Care*, and *Relationships in Measure for Measure*, to *Law and its Subversion in Romeo and Juliet*, *Inheritance in the Legal and Ideological Debate of Shakespeare's King Lear*, and *The Law of Dramatic Properties in The Merchant of Venice*, to more general explorations of Shakespearean jurisprudence, including *Shakespeare and Specific Performance*, *Shakespeare and the Marriage Contract*, *The Tragedy of Law in Shakespearean Romance*, and *Punishment Theory in the Renaissance*, the Law and the Drama.

Shakespearean Quotations William Shakespeare, Charles Sheridan Rex, 1911.

Shakespeare and the Nature of Love Marcus Nordlund, 2007. The best conception of love, Marcus Nordlund contends, and hence the best framework for its literary analysis, must be a fusion of evolutionary, cultural, and historical explanation. It is within just such a bio-cultural nexus that Nordlund explores Shakespeare's treatment of different forms of love. His approach leads to a valuable new perspective on Shakespearean love and more broadly on the interaction between our common humanity and our historical contingency, as they are reflected, recast, transformed, or even suppressed in literary works. After addressing critical issues about love, biology, and culture raised by his method, Nordlund considers four specific forms of love in seven of Shakespeare's plays. Examining the vicissitudes of parental love in *Titus Andronicus* and *Coriolanus*, he argues that

Shakespeare makes a sustained inquiry into the impact of culture and society upon the natural human affections King Lear offers insight into the conflicted relationship between love and duty In two problem plays about romantic love Troilus and Cressida and All's Well that Ends Well the tension between individual idiosyncrasies and social consensus becomes especially salient And finally in Othello and The Winter's Tale Nordlund asks what Shakespeare can tell us about the dark avatar of jealousy

Shakespeare's Comedies Emma Smith,2008-04-15 This Guide introduces students to critical writing on Shakespeare's comedies over the last four centuries Guides students through four centuries of critical writing on Shakespeare's history plays Covers both significant early views and recent critical interventions Substantial editorial material links the articles and places them in context Annotated suggestions for further reading allow students to investigate further

Shakespeare And Comedy Robert Maslen,2014-03-20 Comedy was at the centre of a critical storm that raged throughout the early modern period Shakespeare's plays made capital of this controversy In them he deliberately invokes the case against comedy made by the Elizabethan theatre haters They are filled with jokes that go too far laughter that hurts its victims wordplay that turns to swordplay and aggressive acts of comic revenge Through a detailed study which considers tragedies and histories as well as comedies Maslen contends that Shakespeare's use of the comic mode is always calculatedly unsettling and that this is part of what makes it pleasurable

Women in Shakespeare Alison Findlay,2014-02-27 This is a comprehensive reference guide examining the language employed by Shakespeare to represent women in the full range of his poetry and plays Including over 350 entries Alison Findlay shows the role of women within Shakespearean drama their representations on the Shakespearean stage and their place in Shakespeare's personal and professional lives

Shakespeare and Domestic Life Sandra Clark,2018-06-14 This dictionary explores the language of domestic life found in Shakespeare's work and seeks to demonstrate the meanings he attaches to it through his uses of it in particular contexts Domestic life covers a range of topics the language of the household clothing food family relationships and duties household practices the architecture of the home and all that conditions and governs the life of the home The dictionary draws on recent cultural materialist research to provide in depth definitions of the domestic language and life in Shakespeare's works creating a richly rewarding and informative reference tool for upper level students and scholars

Renaissance Drama 31 Jeffrey Masten,Wendy Wall,2002-07-24 Performing Affect Volume 31 of Renaissance Drama examines the rehearsal of emotion on the Renaissance stage These new essays consider the ways in which Renaissance plays represent emotional states while also presenting new scholarship specifically on the performance of affect on the early modern stage The essays thus consider the continuing effects of affect in early modern culture more broadly beyond the thrust stage asking the question what are the instrumental and performative effects of Renaissance drama in a larger conception of Renaissance emotions How do we reckon the effects of early modern drama and performance within a larger history of the emotive self A number of these essays significantly press at the borders of the customary terms we use to denote emotional states states for

which the best early modern terms may well be affect and passions Topics include emotion and the humoral body domestic abuse and trauma the politics of onstage gesture the relation of idolatry desire and necrophilia the performance of such affective states as religious fervor memory jealousy melancholy and heroic masculinity Renaissance Drama an annual and interd

Shakespearean Marriage Introduction

In the digital age, access to information has become easier than ever before. The ability to download Shakespearean Marriage has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Shakespearean Marriage has opened up a world of possibilities. Downloading Shakespearean Marriage provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Shakespearean Marriage has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Shakespearean Marriage. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Shakespearean Marriage. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Shakespearean Marriage, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Shakespearean Marriage has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Shakespearean Marriage Books

1. Where can I buy Shakespearean Marriage books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Shakespearean Marriage book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Shakespearean Marriage books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Shakespearean Marriage audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Shakespearean Marriage books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
