"An engrossing mystery." —School Library Journal

Shakespeares Secret

David Ovason

Shakespeares Secret:

Shakespeare's Secret Elise Broach,2005-05 In this Junior Library Guild Selection Broach weaves an intriguing literary mystery full of historical insights and discoveries as a young girl tries to uncover the connections between a missing diamond a mysterious neighbor and a link to Shakespeare

Shakespeare's Secret Elise Broach,2006-06-12 The Other Queen Hero uncover the connections

Shakespeare's Secret Elise Broach,2005-01 Shakespeare's Secret Booke David Ovason,2010-01-01 As David Ovason reveals many leading esoteric writers alchemists occultists and Rosicrucians contributed to this Secret booke Among the more outstanding English literary figures who used the code were the mysterious adviser to Elizabeth I John Dee the turbulent author of *The Alchemist* Ben Jonson and the more classically minded Edmund Spenser whose poem *The Faerie Queene* is the best known esoteric work of the period Shakespeare s *Secret Booke* reveals many other literary figures who together form a remarkable underground literary movement including the most influential esotericist of the period Jacob Boehme and alchemists such as the English polymath Robert Fludd Another was Shakespeare s contemporary the youthful Johann Valentin Andreae credited as author of *The Chymical Wedding* a Rosicrucian work replete with sophisticated examples of encoding

Unlocking Shakespeare's Secrets Ambreen Sidhu,2023-09-30 The book is an indispensable student guide crafted for all candidates of the ICSE English Literature Board Exam Within its pages you ll find masterfully rendered modern translations of Shakespeare s timeless classic *The Merchant of Venice* and a treasure trove of simplified insightful notes curated for a wide array of short stories and poems This invaluable resource transcends boundaries proving immensely beneficial to every student irrespective of their proficiency level for it is a meticulously compiled and extraordinarily comprehensive compendium replete with essential imperative pointers that no student can afford to omit in their board exams

Shakespeare's Secret... [with the Text of the 126 Sonnets of Shakespeare.] Rudolf Melander,1946 Studying Shakespeare in Performance John Russell-Brown,2011-07-14 John Russell Brown is arguably the most influential scholar in the field of Shakespeare in performance This collection brings together and makes accessible his most important writings across the past half century or so Ranging across space words audiences directors and themes the book maps John Russell Brown s search for a fuller understanding of Shakespeare s plays in performance New introductory notes for each chapter give a fascinating insight into his critical and scholarly journey Together the essays provide an authoritative and engaging account of how to study Shakespeare s plays as texts for performance Drawing readers into a wide variety of approaches and debates this book will be important and provocative reading for anyone studying Shakespeare or staging one of his plays

Shakespeare's History Plays Neema Parvini,2012-03-21 This important intervention in the critical and theoretical discourse of Shakespeare studies summarises evaluates and ultimately calls time on the mode of criticism that has prevailed in Shakespeare studies over the past thirty years It heralds a new m

Staging Shakespeare

Brian Kulick,2021-07-29 This book begins with a phone call You answer it and learn that you got the job Several months from now you re going to stage a Shakespeare play Now what do you do I mean what do you do after that initial burst of adrenalin has passed through your body and you realize you haven t a clue as to what the play is really about or what you might want to do with it How exactly do you prepare for such an equally wonderful and daunting task This is the central question of this book It grows out of decades of preparing for Shakespeare productions and watching others do the same It will save you some of the panic wasted time and fruitless paths experienced It guides you through the crucial period of preparation and helps focus on such issues as What Shakespeare s life work and world can tell us What patterns to look for in the text What techniques might help unpack Shakespeare s verse What approaches might unlock certain hidden meanings What literary lenses might bring things into sharper focus What secondary sources might lead to a broader contextual understanding What thought experiments might aid in visualizing the play Ultimately this book draws back the curtain and shows how the antique machinery of Shakespeare s theatre works The imaginative time span begins from the moment you learn that on such and such date you will begin rehearsing such and such Shakespeare play Our narrative clock starts ticking the moment you put down the phone and stops when you arrive at the rehearsal hall and begin your first table read So much of what will be the success or failure of a director s project rests on this work that is done before rehearsals even begin *Aemilia Lanyer as Shakespeare's Co-Author* Mark Bradbeer,2022-03-31 This book presents original material which indicates that Aemilia Lanyer female writer feminist and Shakespeare contemporary is Shakespeare s hidden and arguably most significant co author Once dismissed as the mere paramour of Shakespeare s patron Lord Hunsdon she is demonstrated to be a most articulate forerunner of MeToo fury Building on previous research into the authorship of Shakespeare s works Bradbeer offers evidence in the form of three case studies which signal Aemilia s collaboration with Shakespeare The first case study matches the works of George Wilkins who is currently credited as the co author of the feminist Shakespeare play Pericles 1608 with Aemilia Lanyer s writing style education feminism and knowledge of Lord Hunsdon s secret sexual life The second case study recognizes Titus Andronicus 1594 a play containing the characters Aemilius and Bassianus to be a revision of the suppressed play Titus and Vespasian 1592 as authored by the unmarried pregnant Aemilia Bassano as she then was Lastly it is argued that Shakespeare s clowns Bottom Launce Malvolio Dromio Dogberry Jaques and Moth arise in her deeply personal war with the misogynist Thomas Nashe Each case study reveals new aspects of Lanyer s feminist activism and involvement in Shakespeare s work and allows for a deeper analysis and appreciation of the plays This research will prove provocative to students and scholars of Shakespeare studies English literature literary history and gender studies *The Afterlife of Shakespeare's Sonnets* Jane Kingsley-Smith,2019-08-29 An original account of the reception and influence of Shakespeare s Sonnets in his own time and in later literary history *Keats and Shakespeare* John Middleton Murry,1925 **Women and Revenge in Shakespeare** Marguerite A. Tassi,2011 Can there be a virtue in vengeance Can revenge do ethical work Can

revenge be the obligation of women This wide ranging literary study looks at Shakespeare s women and finds bold answers to questions such as these A surprising number of Shakespeare s female characters respond to moral outrages by expressing a strong desire for vengeance This book s analysis of these characters and their circumstances offers incisive critical perceptions of feminine anger ethics and agency and challenges our assumptions about the role of gender in revenge In this provocative book Marguerite A Tassi counters longstanding critical opinions on revenge that it is the sole province of men in Western literature and culture that it is a barbaric morally depraved irrational instinct and that it is antithetical to justice Countless examples have been mined from Shakespeare s dramas to reveal women s profound concerns with revenge and justice honor and shame crime and punishment In placing the critical focus on avenging women this book significantly redresses a gender imbalance in scholarly treatments of revenge particularly in early modern literature

Shakespeare and Biography Katherine Scheil, Graham Holderness, 2020-09-23 From Shakespeare s religion to his wife to his competitors in the world of early modern theatre biographers have approached the question of the Bard s life from numerous angles Shakespeare Biography offers a fresh look at the biographical questions connected with the famous playwright s life through essays and reflections written by prominent international scholars and biographers *The Shakespeare-secret* Edwin Bormann, 1895

Shakespeare: The Evidence Ian Wilson, 1999-01-15 This book takes on all of the famous Shakespearean debates from whether or not Shakespeare actually wrote his plays to speculation regarding his sexuality to the mysterious curse he set upon his own grave Publisher **Baconiana**, 1894

Masterpiece Elise Broach, 2008-09-30 In this follow up to Shakespeare s Secret Broach delivers a fast paced mystery in which a young boy and a beetle attempt to pull off a staged art heist at the Metropolitan Museum of Art Illustrations

The Oxford Handbook of Shakespeare and Performance James C. Bulman, 2017-11-16 The Oxford Handbooks to Shakespeare are designed to record past and present investigations and renewed and revised judgments by both familiar and younger Shakespeare specialists Each of these volumes is edited by one or more internationally distinguished Shakespeareans together they comprehensively survey the entire field Shakespearean performance criticism has firmly established itself as a discipline accessible to scholars and general readers alike And just as performances of the plays expand audiences understanding of how Shakespeare speaks to them so performance criticism is continually shifting the contours of the discipline The 36 contributions in this volume represent the most current approaches to Shakespeare in performance They are divided into four parts Part I explores how experimental modes of performance ensure Shakespeare s contemporaneity Part II tackles the burgeoning field of reception how and why audiences respond to performances as they do Part III addresses the ways in which technology has revolutionized our access to Shakespeare both through the mediums of film and sound recording and through digitalization Part IV grapples with global Shakespeare considering matters of cultural appropriation in productions played for international audiences Together these ground breaking essays attest to the richness and diversity of Shakespearean performance criticism as it is practiced
