Shamans Doorway:

The Shaman's Doorway Stephen Larsen, 1998-03-01 The Shaman's Doorway is one of the most significant and inspiring works on the relationship of shamanism to both the psyche and society Drawing on his experience as a psychotherapist and his understanding of primordial shamanic traditions Stephen Larsen shows the relevance of this path to the modern world and how it can lead to a creative and affirmative relationship with life Life dismembers us Larsen says and a new grasp of these ancient techniques for altering consciousness is required to escape from the alienation and confusion caused by our demythologized and industrialized environment Defining the task of the shaman as one of bringing meaning and healing into life Larsen clearly shows how the shaman all too often perceived as belonging to the world's past holds the key to our future

The Shaman's Doorway Stephen Larsen, 1998 Drawing on his experience as a psychotherapist and his understanding of the ancient shamanic techniques for altering consciousness the author shows the relevance of the shamanic path to the modern world and how it can lead us to creative and affirming relationships with life *Angalkut/Shamans in Yup'ik Oral Tradition* Ann Fienup-Riordan, 2025 This book documents experiences and cultural practices of the Yup'ik people of southwest Alaska including discussions about shamans and their roles within the Yup'ik community Conversations in the Yup'ik language are featured in the bilingual sections of the text Provided by publisher Huichol Women, Weavers, and Shamans Stacy B. Schaefer, 2015-06-15 For centuries the Huichol Wix'rika Indian women of Jalisco Mexico have been weaving textiles on backstrap looms This West Mexican tradition has been passed down from mothers to daughters since pre-Columbian times Weaving is a part of each woman's identity allowing them to express their ancient religious beliefs as well as to reflect the personal transformations they have undergone throughout their lives In this book anthropologist Stacy B. Schaefer explores the technology of weaving and the spiritual and emotional meaning it holds for the women with whom she works and within their communities which she experienced during her apprenticeship with master weavers in Wix'rika families She takes us on a dynamic journey into a realm of ancient beliefs and traditions under threat from the outside world in this fascinating ethnographic study **The Shaman's Doorway; Opening Imagination to Power and Myth** Stephen

Larsen, 1989 Shamanic Creativity Evelyn C. Rysdyk, 2021-12-21 Explains how creativity or creative energy is a life giving force that frees the imagination supports innovation and awakens unique ways of thinking and feeling that can transform your life Explores how to use spirit journeying and ceremony alongside experiential shamanic exercises to release creativity blocking patterns reprogram the subconscious engage the right brain boost imagination and overcome anxiety and other destructive emotions Provides suggestions for when your creative energy is at a low tide In this step by step practical guide to enhancing creative energy Evelyn Rysdyk explains from the shamanic perspective how creativity or creative energy is a life giving force that frees the imagination supports innovation and awakens unique ways of thinking and feeling that can transform your life She explores how to use the shamanic technologies of spirit journeying and ceremony alongside

experiential shamanic exercises to release creativity blocking patterns reprogram the subconscious engage the right brain boost imagination overcome anxiety and destructive emotions and become much more creative in daily life Examining creative energy as a natural phenomenon similar to the tides the author provides suggestions for when your creative energy is at a low tide as well as offering shamanic techniques for dealing with insecurities related to your creative pursuits and overcoming dysfunctional subconscious perceptions Presenting a wealth of experiential exercises rituals and shamanic principles this guide gives you the keys to unlock your own creative birthright The Shaman's Mirror Hope MacLean, 2012-08-24 Huichol Indian yarn paintings are one of the world's great indigenous arts sold around the world and advertised as authentic records of dreams and visions of the shamans Using glowing colored yarns the Huichol Indians of Mexico paint the mystical symbols of their culture the hallucinogenic peyote cactus the blue deer spirit who appears to the shamans as they croon their songs around the fire in all night ceremonies deep in the Sierra Madre mountains and the pilgrimages to sacred sites high in the central Mexican desert of Wirikuta Hope MacLean provides the first comprehensive study of Huichol yarn paintings from their origins as sacred offerings to their transformation into commercial art Drawing on twenty years of ethnographic fieldwork she interviews Huichol artists who have innovated important themes and styles She compares the artists' views with those of art dealers and government officials to show how yarn painters respond to market influences while still keeping their religious beliefs Most innovative is her exploration of what it means to say a tourist art is based on dreams and visions of the shamans She explains what visionary experience means in Huichol culture and discusses the influence of the hallucinogenic peyote cactus on the Huichol's remarkable use of color She uncovers a deep structure of visionary experience rooted in Huichol concepts of soul energy and shows how this remarkable conception may be linked to visionary experiences as described by other Uto Aztecan and Meso American cultures **Genealogies of Shamanism** Jeroen W Boekhoven, 2011 Cover Table of contents Acknowledgements 1 Approaching shamanism 2 Eighteenth and nineteenth century interpretations 3 Early twentieth century American interpretations 4 Twentieth century European constructions 5 The Bollingen connection 1930s 1960s 6 Post war American visions 7 The genesis of a field of shamanism America 1960s 1990s 8 A Case Study Shamanisms in the Netherlands 9 Struggles for power charisma and authority a balance Bibliography Index Shifters and Shamans: Books 1-3 Kirsten Weiss, 2022-04-30 What happens when a fictional witch pens three paranormal romances All hell breaks loose Shifters and Shamans were supposed to be simple love stories with a shamanic theme But fledgling witch Karin Bonheim never anticipated the world she created would bleed into her own or the danger it would bring Start reading these witchy paranormal romances today **The Shaman's Doorway** Stephen Larsen, 1977 The Nature of Shamanism and the Shamanic Story Michael Berman, 2009-03-26 The book makes out a case for the introduction of a new genre of tale the shamanic story which has either been based on or inspired by a shamanic journey or contains a number of the elements that are typical of such a journey The stories featured are the Book of Jonah

from the Old Testament two traditional stories from the Republic of Georgia The Earth will take its Own and Davit a contemporary German tale Bundles and the Korean story of Shimchong the Blindman s Daughter By making use of textual material from a number of different cultures and times the intention is to highlight the pervasive influence shamanism has had and to show how the new genre being proposed is a universal one The research questions addressed include 1 defining what shamanism is deciding whether it should be classified as a religion a methodology or a way of life 2 considering whether a case can be made out for the introduction of a new genre of tale and if so what its characteristics are It is hoped the book will be of interest not only to those involved in the study of shamanism but also to those whose interest is in the study of literary texts Since the old bearers of shamanic traditions quite often were and even today are illiterate the study of their folklore epic songs laments narratives undoubtedly provides a rich source for research

Spiritwalker Hank Wesselman, 2010-01-13 I am about to tell you a most unusual story a chronicle of something that happened to me while I was living on the flank of an active volcano on the island of Hawai i I m a scientist I mention this because I do not feel that I was in any way predisposed for what was about to occur In fact my scientific training would seem to have preprogrammed me against such an experience From Spiritwalker The astonishing true story of an anthropologist s quest into a spiritual world of magic mysticism and meaning Not since Castaneda s tutelage under the Yacui Indian guide Don Juan has there been a spiritual autobiography quite like Spiritwalker Hank Wesselman s incredible story of a series of encounters that would forever change his life began with what he at first tried to explain away as particularly vivid dreams but which grew increasingly intense and insistent ultimately propelling him on twelve fantastic journeys across time and space Over the next three years his journeys proved to be far more important than mere reason could explain Eventually Dr Wesselman became convinced that he d been granted a visionary encounter with what tribal people from millennia past have called the spirit world During his epic travels Dr Wesselman met shape shifting entities spirit helpers and guardians and found himself traversing a mental physical and spiritual landscape on a path intersecting that of a fellow traveler a Hawai ian

kahuna mystic named Nainoa Five thousand years into the future Nainoa had been sent by his Chief on a journey into what used to be America a once powerful land of machines and magic from which no previous voyagers had ever returned What did Nainoa seek from Dr Wesselman What did the anthropologist have to learn about his own world from this exotic traveler from another time and place Together scientist and mystic are initiated into knowledge of non ordinary levels of reality and given foreshadowings of imminent environmental political and spiritual challenges to their civilization Without abandoning his scientific objectivity Dr Wesselman abandoned himself to the mystical sometimes frightening yet always luminous experiences that brought him beyond the boundaries of ordinary consciousness The result is a fascinating and suspenseful adventure an exciting and important archeological discovery and the story of how a hard headed scientific realist stumbled on an important piece of the puzzle of human evolution Socially urgent and disturbingly prophetic Spiritwalker has a universal mythic resonance and an undeniable relevance for today as it challenges our perceptions of our world our reality and our future

Riding Spirit Horse: A Journey into Shamanism Michael Drake, 2022-05-22 In this visionary memoir author Michael Drake recounts his spiritual journey into shamanism Drake s engaging narrative moves from his first ecstatic experience as a youth at a church revival to his mystical shamanic awakening transformational pilgrimages to sacred places working with indigenous wisdom keepers to the experiences that prompted his writing particularly his trance experiences riding the drum or Spirit Horse Studying with Native elders and shamans Drake discovered his shamanic gifts as a drummer storyteller and ceremonialist Riding Spirit Horse takes readers on a transcendent pilgrimage of the soul through birth death rebirth ritual and ceremony to the frontiers of expanded consciousness
