*Shamans Lamas and Evangelicals* tells the little known yet fascinating story of a missionary venture to Eastern Siberia in the year 1818 Two missionaries one English one Swedish with the tiresome voyage across the Baltic behind them set out with their wives to face the daunting prospect of a 3000 mile journey by sledge across the rough snow roads of Siberia in the depths of winter The mission was unusual in its conception Established by the London Missionary Society and the backing of the Tsar Alexander I its aim was to bring the Christian gospel to the Buryats and once that was accomplished to cross into China evangelize the Mongols there and then set about the conversion of the Chinese The mission failed but it was nonetheless an extraordinary episode It is the story of men who first had to learn Russian in order to teach themselves Mongolian who brought up their families founded schools treated the sick and translated the entire Bible into Mongolian printing the Old Testament on their own local press This is an interesting historical reference work for scholars and researchers of Russian history and Mongolian history      **Genealogies of Shamanism** Jeroen W Boekhoven, 2011 Cover Table of contents Acknowledgements 1 Approaching shamanism 2 Eighteenth and nineteenth century interpretations 3 Early twentieth century American interpretations 4 Twentieth century European constructions 5 The Bollingen connection 1930s 1960s 6 Post war American visions 7 The genesis of a field of shamanism America 1960s 1990s 8 A Case Study Shamanisms in the Netherlands 9 Struggles for power charisma and authority a balance Bibliography Index      **Of Religion and Empire** Robert P. *In the Soviet House of Culture* Bruce Grant,2020-10-06 At the outset of the twentieth century the Nivkhi of Sakhalin Island were a small population of fishermen under Russian dominion and an Asian cultural sway The turbulence of the decades that followed would transform them dramatically While Russian missionaries hounded them for their pagan ways Lenin praised them while Stalin routed them in purges Khrushchev gave them respite and while Brezhnev organized complex resettlement campaigns Gorbachev pronounced that they were free to resume a traditional life But what is tradition after seven decades of building a Soviet world Based on years of research in the former Soviet Union Bruce Grant s book draws upon Nivkh interviews newly opened archives and rarely translated Soviet ethnographic texts to examine the effects of this remarkable state venture in the construction of identity With a keen sensitivity Grant explores the often paradoxical participation by Nivkhi in these shifting waves of Sovietization and poses questions about how cultural identity is constituted and reconstituted restructured and dismantled Part chronicle of modernization part saga of memory and forgetting In the Soviet House of Culture is an interpretive ethnography of one people s attempts to recapture the past as they look toward the future This is a book that will appeal to anthropologists and historians alike as well as to anyone who is interested in the people and politics of the former
