## Shane Warne My Own Story:

**Shane Warne** Shane Warne,1997-01-01      **leadership's winning software** M C Jacob,2009      **On Warne** Gideon Haigh,2012-10-25 A superb portrait of the most brilliant cricketer of his generation Mike Atherton Shane Warne dominated cricket on the field and off for almost thirty years his skill his fame his personality his misadventures His death in March 2002 rocked Australians even those who could not tell a leg break from a leg pull But what was it like to watch Warne at his long peak the man of a thousands international wickets the incarnation of Aussie audacity and cheek Gideon Haigh saw it all still can t quite believe it but wanted to find a way to explain it In this classic appreciation of Australia s cricket s greatest figure who doubled as the nation s best known man Haigh relieves the highs the lows the fun and the follies The result is a new way of looking at Warne at sport and at Australia Bloody brilliant As good as anything I have read on the game Guardian Winner of The Cricket Society and MCC Book of the Year      Shane Warne's Century Shane Warne,2011-04-01 With a flamboyant approach to the game on and off the pitch Australia s greatest bowler Shane Warne is an irresistible cricketing force In Shane Warne s Century he candidly profiles 100 players from every Test nation who have had the most significant impact on his cricketing life Warne is famous for having never scoring a Test century although he came tantalisingly close on several occasions He now wants to set the record straight by writing about a century of cricketing stars he has encountered during his illustrious career The famous names featured here include fellow Australian legends Allan Border Steve Waugh Ricky Ponting and Glenn McGrath as well as adversaries such as Brian Lara Sachin Tendulkar Jonty Rhodes and Freddie Flintoff Warne also puts together a dream Test match of those he would have loved to have played alongside versus a team of international legends Pulling no punches and giving a fascinating insight into the game Warne serves up highly readable anecdotes and opinions Throughout the book Warne covers the serious issues affecting cricket today such as cheating and match fixing and assesses a large number of professional relationships he has enjoyed and endured including those with Sri Lankan star Arjuna Ranatunga and South African captain Graeme Smith Shane Warne s Century is a genuine page turner by one of cricket s most popular stars and is a must read for all cricket fans      **The Oxford Handbook of the Global Stage Musical** Robert Gordon,Olaf Jubin,2023 In response to the rapid growth of musical theatre as a global phenomenon The Oxford Handbook of the Global Stage Musical offers new scholarly approaches to issues arising from these new international markets The thirty three essays highlight major aspects of the genre such as the dominance of Western colonialism in its early production and dissemination racism and sexism both in representation and in the industry itself as well as current conflicts between global and local interests in postmodern cultures Featuring contributors from seventeen countries the essays offer informed insider perspectives that reflect the diversity of the subject and offer in depth examinations of specific cultural and economic systems      *Summary of Shane Warne's No Spin* Everest Media,2022-03-25T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I announced my retirement from international

cricket on 21 December 2006 almost exactly 15 years after first appearing for Australia against India at the Sydney Cricket Ground I was done physically and mentally and had the feeling that I d run out of arse anyway I knew there would be sadness

2 I was first at the ground on Boxing Day morning 2006 before the rest of the team I was nervous and felt uneasy I was excited to be bowling in my last Test match and I thought about how I had enjoyed the past 17 years of first class cricket

3 I was extremely nervous before the toss but I was excited too I was told that the person who wrote the script had done a good job I began to bowl and I felt that both batsmen were surprised by the spin I felt that I could get them out eventually

4 I loved the challenge of bowling the England team as I knew I could never get them out I was able to block out everything else and focus on what had to be done in that moment I was able to switch on and off and I felt everything happened slowly and clearly
