Shanghai The Rise And Fall Of A Decadent City:

Shanghai Stella Dong, Captures the exoticism extremes and excitement of this legendary city **Shanghai** Stella Dong,2001-05-22 Transformed from a swampland wilderness into a dazzling modern day Babylon the Shanghai that predated Mao's cultural revolution was a city like no other redolent with opium and underworld crime booming with foreign trade blessed with untold wealth and marred by abject squalor Journalist Stella Dong captures all the exoticism extremes and excitement of this legendary city as if it were a larger than life character in a fantastic novel Shanghai Stella Dong,2000

Shanghai, 1842-1949 Stella Dong,2000-02-01 A wonderful biography of the greatest metropolis in Asia from the turn of the 19th cent until Mao's army swept away its decadence in 1949 Chronicles how a wilderness of swamps was transformed into a dazzling modern day Babylon Seductive and cruel Shanghai was a booming international port at the mouth of the Yangtze River a powerful criminal underworld controlled the port in league with the city's wealthiest citizens and the military This was the most turbulent spot in Asia for war rebellion and econ disaster were never far from its door Knowing that the control of Shanghai was the key to China warlords revolutionaries and outside invaders all vied for this richest of prizes Photos **A Companion to Wong Kar-wai** Martha P. Nochimson,2016-01-26 With 25 essays that embrace a wide spectrum of topics and perspectives including intertextuality transnationality gender representation repetition the use of music color and sound depiction of time and space in human affairs and Wong's highly original portrayal of violence *A Companion to Wong Kar Wai* is a singular examination of the prestigious filmmaker known around the world for the innovation beauty and passion he brings to filmmaking Brings together the most cutting edge in depth and interesting scholarship on arguably the greatest living Asian filmmaker from a multinational group of established and rising film scholars and critics Covers a huge breadth of topics such as the tradition of the jianghu in Wong's films queering Wong's films not in terms of gender but through the artist's liminality the phenomenological Wong Wong's intertextuality America through Wong's eyes the optics of intensities thresholds and transfers of energy in Wong's cinema and the diasporic presence of some ladies from Shanghai in Wong's Hong Kong Examines the political historical and sociological influence of Wong and his work and discusses his work from a variety of perspectives including modern post modern postcolonial and queer theory Includes two appendices which examine Wong's work in Hong Kong television and commercials Silencing Cinema D. Biltereyst,R. Vande Winkel,Roel Vande Winkel,2013-03-26 Oppression by censorship affects the film industry far more frequently than any other mass media Including essays by leading film historians the book offers groundbreaking historical research on film censorship in major film production countries and explore such innovative themes as film censorship and authorship religion and colonialism **Chopsticks and Gambling** Desmond Lam,2017-07-28 The Chinese are known throughout the world as avid gamblers with a long history of participation in games of chance Historians have documented wagering on such games as far back as the early Chinese dynasties Despite measures by ancient Chinese rulers to contain gambling it proliferated and

Chinese games have evolved and multiplied since then Desmond Lam provides a unique look into the little known world of Chinese gambling from historical cultural psychological and social perspectives Chinese gamblers regularly patronize casinos in the United States Canada and Australia The recent expansion of gambling in East Asia has attracted much global media attention Macau the only place in China where casino gambling is now legal easily surpasses Las Vegas as the world s largest casino gaming market Each year Chinese from mainland China Hong Kong and Taiwan account for almost 90 percent of visitors to Macau The expansion of the Chinese gambling industry has brought about much harm to Chinese communities despite all of the development it has also stimulated This book is the first to examine the beliefs motivations attitudes and behaviors of Chinese gamblers and will be of interest to students of history and sociology as well as those studying the history and culture of China

From Exile to Washington W. Michael Blumenthal, 2015-07-21 The former Treasury Secretary has shared his story in a memoir that is both an engrossing personal narrative and a thoughtful reflection on leadership Henry Kissinger author of *On China* In a life that has spanned nearly nine decades and has taken him around the world and back W Michael Blumenthal has borne witness to the world s convulsions and transformations during the twentieth century Born in Germany between the two world wars Blumenthal narrowly escaped the Nazi horror when in 1939 he and his family fled to Shanghai s chaotic Jewish ghetto where they spent the entirety of the WWII From these fraught and humble beginnings Blumenthal would emerge a major leader in American business and politics In the second half of the century Blumenthal headed two major American corporations Bendix and Burroughs later Unisys served as a US trade ambassador in the State Department and the White House advising John F Kennedy and Lyndon B Johnson and served under Jimmy Carter as the secretary of the treasury After his retirement from business and politics he began an entirely new chapter in his career when he conceived and served as the director of Europe s largest Jewish museum the Jewish Museum of Berlin An essential autobiography by one of America s great political figures *From Exile to Washington* is an engaging chronicle of the twentieth century s greatest upheavals and a tribute to a lifetime of courage leadership and decisiveness Blumenthal s astute understanding of history allows him to ably demonstrate the significance of good leadership Kirkus Reviews An astounding life splendidly recorded Fritz Stern author of *Five Germans I Have Known*

Reaching Beyond the Gold Tim van Vrijaldenhoven, 2007 The five cities under the spotlight here Genoa Barcelona Athens Bilbao and Shanghai were chosen because they have all recently hosted a global event or will do so in the near future After an introduction of the characteristics and impact of global events in general the history of each city is sketched and the political and urban implications of the events are examined Three key aspects organization management and city marketing are dwelt on at length The conclusions that this study draws can help put an end to the structural errors made in the organization of large scale events

City of Rogues and Schnorrers Jarrod Tanny, 2011-11-14 Outstanding A delightfully written work of serious scholarship Jewish Book World Old Odessa on the Black Sea gained notoriety as a legendary city of Jewish gangsters and swindlers a frontier boomtown mythologized for the adventurers criminals and merrymakers who flocked there to seek easy wealth and lead lives of debauchery and excess Odessa is also famed for the brand of Jewish humor brought there in the nineteenth century from the shtetls of Eastern Europe and that flourished throughout Soviet times From a broad historical perspective Jarrod Tanny examines the hybrid Judeo Russian culture that emerged in Odessa in the nineteenth century and persisted through the Soviet era and beyond The book shows how the art of eminent Soviet era figures such as Isaac Babel Ilia Ilf Evgenii Petrov and Leonid Utesov grew out of the Odessa Russian Jewish culture into which they were born and which shaped their lives Traces the emergence development and persistence of the myth of Odessa as both Garden of Eden and Gomorrah A joy to read Robert Weinberg Swarthmore College

The New Wealth of Cities John Montgomery, 2017-09-29 Over the past two decades city economies have restructured in response to the decline of older industries This has involved new forms of planning and urban economic development a return to traditional concerns of city building and a focus on urban design During this period there has also been a marked rise in our understanding of cultural development and its role in the design economy and life of cities In this book John Montgomery argues that this amounts to a shift in urban development He provides a long overdue look at the dynamics of the city that is how cities work in relation to the long cycles of economic development and suggests that a new wave of prosperity built on new technologies and new industries is just getting underway in the Western world The New Wealth of Cities focuses on what effect this will have on cities and city regions and how they should react Original and wide ranging this book will be a definitive resource on city economies and urban planning explaining why it is that cities develop over time in periods of propulsive growth and bouts of decline

The Sassoons Joseph Sassoon, 2025-08-12 A spectacular generational saga of the making and undoing of a family dynasty the riveting untold story of the gilded Jewish Bagdadi Sassoons who built a vast empire through global finance and trade cotton opium shipping banking that reached across three continents and ultimately changed the destinies of nations With full access to rare family photographs and archives Engaging compelling well paced and supremely satisfying The New York Times They were one of the richest families in the world for two hundred years from the 19th century to the 20th and were known as the Rothschilds of the East Mesopotamian in origin and for more than forty years the chief treasurers to the pashas of Baghdad and Basra they were forced to flee to Bushir on the Persian Gulf David Sassoon and sons starting over with nothing and beginning to trade in India in cotton and opium The Sassoons soon were building textile mills and factories and setting up branches in shipping in China and expanding beyond to Japan and further west to Paris and London They became members of British parliament were knighted and owned and edited Britain's leading newspapers including The Sunday Times and The

Observer And in 1887 the exalted dynasty of Sassoon joined forces with the banking empire of Rothschild and were soon joined by marriage fusing together two of the biggest Jewish commerce and banking families in the world Against the monumental canvas of two centuries of the Ottoman Empire and the changing face of the Far East across Europe and Great Britain during the time of its farthest reach Joseph Sassoon gives us a riveting generational saga of the making of this magnificent family dynasty

The Zhangs from Nanxun Nanchen Zhang, Laurence Chang, 2010 Planet of Slums Mike Davis, 2007-09-17 The profound brilliant account of the rise of the world's slums and the failures of modern urbanization by the world's leading urbanist Arundhati Roy activist and Booker Prize winning author According to the United Nations more than one billion people now live in the slums of the cities of the South In this brilliant and ambitious book Mike Davis explores the future of a radically unequal and explosively unstable urban world From the sprawling barricadas of Lima to the garbage hills of Manila urbanization has been disconnected from industrialization and even from economic growth Davis portrays a vast humanity warehoused in shantytowns and exiled from the formal world economy He argues that the rise of this informal urban proletariat is a wholly unforeseen development and asks whether the great slums as a terrified Victorian middle class once imagined are volcanoes waiting to erupt

Luke Him Sau, Architect Edward Denison, Guang Yu Ren, 2014-05-29 Luke Him Sau Lu Qianshou 1904 1991 is best known internationally and in China as the architect of the iconic Bank of China Headquarters in Shanghai One of the first Chinese students to be trained at the Architectural Association in London in the late 1920s Luke's long prolific and highly successful career in China and Hong Kong offers unique insights into an extraordinary period of Chinese political turbulence that scuppered the professional prospects and historical recognition of so many of his colleagues Global interest in China has risen exponentially in recent times creating an appetite for the country's history and culture This book satiates this by providing a highly engaging and visual account of China's 20th century architecture through the lens of one of the country's most distinguished yet overlooked designers It features over 250 new colour photographs by Edward Denison of Luke's buildings and original archive material The book charts Luke's life and work commencing with his childhood in colonial Hong Kong and his apprenticeship with a British architectural firm before focusing on his education at the Architectural Association 1927 30 In London Luke was offered the post of Head of the Architecture Department at the newly established Bank of China where IM Pei's father was a senior figure Luke spent the next seven years in the inimitable city of Shanghai designing buildings all over China for the Bank before the Japanese invasion in 1937 forced him and countless others to flee to the proxy wartime capital of Chongqing In 1945 he returned to Shanghai where he formed a partnership with four other Chinese graduates of UK universities but civil war between the Communists and Nationalists once again caused him and others to uproot in 1949 Initially intent on fleeing with the Nationalists to Taiwan Luke was almost convinced to stay in Communist China but decided finally to move to Hong Kong There for the third time in his life he had to establish his career all over again Despite many challenges he eventually

prospered becoming a pioneer in the design of private residences schools hospitals chapels and public housing *The Jdc at 100* Linda G. Levi, Maud S. Mandel, Avinoam Patt, Atina Grossmann, 2019-05-13 It will appeal to readers with a more general interest in Jewish studies and refugee studies Holocaust museum professionals and those engaged in Jewish and other relief and resettlement programs

modeling a large scale battery energy storage system for - Jul 02 2022

web aug 28 2019 abstract the interest in modeling the operation of large scale battery energy storage systems bess for analyzing power grid applications is rising this is due to the increasing storage capacity installed in power systems for providing ancillary services and supporting nonprogrammable renewable energy sources res

simscape battery matlab mathworks - Dec 07 2022

web simscape battery provides design tools and parameterized models for designing battery systems you can create digital twins run virtual tests of battery pack architectures design battery management systems and evaluate battery system behavior across normal and fault conditions

battery modeling matlab simulink mathworks - Mar 10 2023

web battery models have become an indispensable tool for the design of battery powered systems their uses include battery characterization state of charge soc and state of health soh estimation algorithm development system level optimization and real time simulation for battery management system design

build simple model of battery pack in matlab and simscape - Oct 05 2022

web to learn how to model a battery energy storage system bess controller and a battery management system bms with all

the necessary functions for the peak shaving see the peak shaving with battery energy storage system example

how to model a battery energy storage system in matlab - May 12 2023

web feb 27 2018 how to model a battery energy storage system in learn more about quasi proportional resonant controller power electronics control battery system management how to implement the battery energy storage system as explained in the attachment in matlab

modeling control and simulation of battery storage hindawi - Feb 26 2022

web battery based energy storage system is widely used in standalone system because of its mature technology high efficiency quick response and low cost ovc model is developed using matlab simulink which is illustrated in figures 8 a and 8 b figure 7 ovc full chamber arrangements a b a b figure 8

development of battery energy storage system model in matlab - Sep 04 2022
